## Nature

*Chou Chou Guilder*

*For Claire*

Wind is a quiet sound,  
Lifting weightless dancers  
    off trees,  
Calming the destruction.

The sun is a solitary piece  
    of gold glitter,  
Giving life to reaching plants,  
Warming the earth with  
    its beaming rays.

Clouds are like cotton candy,  
Sweetening the ground with  
    sugary raindrops  
And relieving the brightness of the sky.

Rain is full of  
Sculpted diamonds,  
Replenishing the dry  
And cleaning the dirty.

The moon is a glowing cat's eye  
Taking away the fears  
    Of dark and  
Giving hope for a peaceful night.
