A Call for Collin

Author Bio

I am a Senior at NSU and the Halmos Senator in the Undergraduate Student Government and am also a member of the Indian Student Association, Pawsitivity, and the Pre-Med Society. I write because it is my outlet for talking. I love to inform, converse, and learn from those around me, but when I write, that is when I can take a second to see what my brain is retaining. I was inspired to submit to this journal because of the great care that my professor, Dr. Aileen Farrar, put into helping me see the beauty of every day life.
