## Burning Bright

### Author Bio

Courtney is currently a second-year pharmacy student at Nova Southeastern University College of Pharmacy. She is interested in compounding as it encompasses her interests in art and science. As an artist, she finds that this concept of compounding is very similar to mixing oil paints. In her free time, Courtney loves to draw and paint as they are great stress relievers and lets her take a bit of time - whether it is fifteen minutes or two hours - to be creative.
