COMP1500: COLLEGE WRITING

DR. MARIO D'AGOSTINO
NSU DEPARTMENT OF COMMUNICATION,
MEDIA, AND THE ARTS

Communication nowadays means more than just words. Images, audio, and other media are important elements of reaching audiences and getting one's message across. This work from COMP 1500 is an example of a text that is more of an infographic than an essay, but still satisfies the need to conduct research and make choices to inform and engage the reader.
