Author Bio

Julian is a senior communication major, theater minor and Shark Talent Scholar at Nova Southeastern University. Bronx-born and Broward-bred, Julian grew up in Florida consuming a variety of media and art from every coast and culture. This led to the eventual and inevitable dive into art and digital media production. Julian's main focuses are film directing, screenwriting, and cinematography. Julian also participates in playwriting, acting, singing, songwriting and graphic design. Julian's goal is to help create a safe space where people of color (PoC) will thrive in an industry built to be skewed against them.
