Author Bio

Frank is a sophomore communication major at NSU with a focus in digital media production and minors in film studies and marketing. He was born and raised in Davie, FL, and, as a devout Christian, he has a genuine heart for people and real-world issues. He may not always choose to voice his own opinions at first; he is happy to hear out others with the aim of coming to tangible and meaningful solutions for the issues faced in the world today. He is also an immense Star Wars fan – which is reflected in some of his artwork, and he is engaged in the film industry as a voice actor for short films. He prides himself on being an Eagle Scout and an active member of his church, New Life Baptist in Davie.
