The Treasure Within

Cristina Calvar

Listening to a heart can be the mother
Feeling the heartbeat of an unborn baby.
Listening to a heart can be the doctor
Examining a child many times throughout her
life.

Listening to a heart can be the end of one's life
When the doctor can hear no heart beat.

Listening to a heart means one
Hears all of her thoughts and emotions.

Listening to a heart was the quest
Of Don Quixote.

Listening to a heart can be a search
For meaning in life;
In the end, understanding is revealed
Only by listening to a heart.
