I Know

Amanda Foreman

The sound of the water lapping the rocks,
Like a subtle cry from the underwater gods.

“Do not enter our world; you will disturb the
peace!

Have you not learned your lesson, you two-
legged fools?

We’ve killed before and we’ll do it again!”

The fish continue to bite at the bait.
At the dinner table one is passed around.

“Mmmm...you’re delicious. Tomorrow we will
try your brother.”

And the water continues to make its music
against the rocks.
Some may mistake it for another insignificant
sound of nature,
But I know...
