Home Remedy

[Replaces St. Ives Apricot Scrub and similar products]

Natalia Martínez

100% Pure Cotton. *Premium*
cotton. Liars!

Iodized salt. Good for the
gullible

mind, if for anything.

Instructions – guides for
the few, or the many, who are
strangers
within themselves,
diluted beings.

1: Dip the “triple size balls,” go
ahead: wet, soak,
drown. 2: Sprinkle
the overpriced,
ionized,
pasteurized
salt crystals. (Liars,
you don’t pasteurize ocean
water!)

3: Now ready? (echoes)
Proceed, carefully,
meticulously,
to scrub your face.
And over every curve,
down every angle you go...
to Grandma’s house?

Tingle?
Sting?
Pasteurized salt, what
else. Old
atoms –
cells – dirty from the
streets you walked
today,
and the bar you
slept
in yesterday,
peel off with our instant
Home
Remedy,
and are forgotten.

Too busy, too
late,
and a tad too simple.
1: Erase the bothers,
2: Turn down the inner static,
3: Fade from life.

Why fret about a
clear
conscience, when you can have
clear skin?

* Placing large salt crystals on wet cotton balls is a documented home remedy for zits.
