## Hysteria

### Author Bio

My name is Fidel Perez and I am 19 years old. From a very young age, I've always been left of center and used my creativity to express myself. Somewhere along the way, I lost touch with art. It was only after the pandemic that I started painting again. Today I use my art as a form of self-expression. Although my primary medium is acrylic paint, I'm looking to venture out into new artistic avenues.
