Nature Is

Carly Cowan

Nature is a puddle of mud,
An endless, dirty pit,
A stream that will surely flood,
With sweat, and dirt, and grit.

Nature is a tornado,
Huge boulders on a hill.
Wild animals in a meadow,
A tiger ready to kill.

Nature is a fierce rainstorm,
Bright flashes of lighting.
Waiting for the moss to grow,
And shadows that seem frightening.

Nature is a bite that stings,
With living creatures galore.
Nature is all these things,
And yet, there is so much more!
