## Welcome

*Mariana Rittenhouse*

Welcome aboard Nowhere Airlines flight NA-666 nonstop from wherever you are in life to the inevitable end that ceases you the minute you board this aircraft. Afraid you've gotten on the wrong flight? Don't worry; we all end up in the same place anyway. You'll find blankets of fraud-crusted happiness and compartments. Most of you will experience nausea in the beginning of our flight. Please do not hesitate to vomit every ounce of your morals and ethics into the sanitary bags provided.

Tasteless meals of cupidity will be served **WHENEVER** you want! After all, customer degradation is our first priority. No one leaves *our* flights an individual! Our in-flight entertainment will include "We Are Drones," and "Flight Free-Minded Independent Thought."

Got an extra dollar? Spend your dream-wasted money on duty free novelty materialism, only available on this flight!

In the oh-so-rare event of an emergency, please sit calmly in you seats and wait for the plane to bring us to our fiery deaths. Most of you will adapt well to hell, but for those of you who would like a head start, feel free to cause explosives and other dangerous items under your seat. Enjoy the ride; it'll be your last.
