## Watching Me

*Ilana Pregon*

I wash my face, I comb my hair  
And I can feel you. In the cold water, in the tough  
bristles

And I know you're up there watching me

I go to school, I do my work  
And I can hear you. In the meaningless chatter, in  
the quiet pencils

And I know you're up there watching me

I walk home, I eat my dinner  
And I can taste you. In the polluted air, in the bland  
food

And I know you're up there watching me

I go to sleep, I dream,

And I see you

And I know you're right down here with me.
