## Flawed

*Michelle Fox*

The greatest weapon of all cannot be touched;  
It can be neither seen nor heard.  
Then what is it?  
It is the most destructive of all things –  
We all contain it.

It is humanity.  
It is the simple fact of being what we are.  
We are eternally flawed,  
Plagued by impenetrable stupidity and ignorance.  
It cannot be stopped.

A weapon is not a threat,  
That is, unless we are here to use it.  
But we regard these creations as science,  
Not as destroyers of life.  
It is the flaw of humanity.

History is a valuable tool.  
We must learn from our past mistakes.  
But we do not, so it is useless.  
Why do we continue down the path of destruction?  
It is the flaw of humanity.
