No Second Chance

Michael Shiekman

Life

Taken out of your grasp in a few short moments

Its fate is out of your hands, and into another's

Gone are the days of ordinary life

With each passing moment you are reminded of
what you lost

Wondering what has become of it

Its fate is out of your hands, and into another's

Neither control nor power is in your possession

Only the desire to receive what is truly yours

Death may be at the end of the road

Only the limits you set will dictate where you finish

Making decisions with choices that have no known
endings

Probability is small

Odds are conflicting

Succeed, and earn a life with survival for another
day

Fail, and you enter a state of never-ending sleep

Only one shot

No second chance.
