A Mother's Love

By Lindsay Kirzner

A mother's love is genuine and pure,
So is her gentle smile that warms every room.
Not one can explain the true love she gives,
It comes from the heart and will be there forever.
Her love provides guidance, teaching you wrong from right.
It is something you can count on.
A mother's love is endless, sincere and strong,
And she will be there for you your whole life through.
She'll never disappoint you, or let you down,
As you may find in life that other people will.
The love a mother gives her child is like no other.
Strong bonds form that last an eternity
It is something that you will remember,
As you meet life's challenges every day.
Mothers are special and should never be taken for granted,
Appreciate your mother and love her forever.
