When I fall asleep
I wake again
In the world of wonders
Inside my head.

In my own perfect world
I can just live free,
Away from the hate,
Away from the greed.

Sadly though, it's just a dream;
I'll eventually wake again,
Away from hope,
All on my own.

For the flame that lifts the fallen
Becomes the ice that aids the dark.
For the love that saves the weary
Becomes the hate and kills the hope.

Open my eyes and see what's real,
Open my mind and feel what's real,
Experience life and live for real,
For life isn't a dream, life is real.

For the flame that lifts the fallen
Is powered by the oil that causes greed.
For the love that saves the weary
Will leave someone else alone.

But if ever I need to escape what's real
I can fall asleep
And wake again
In the world of wonders
Inside my head.
