FILM ON PSYCHOLOGICAL EVALUATION OF HEARING IMPAIRED CHILDREN AND ADULTS

(Available to Professionals at No Charge)

The Boys Town Institute for Communication Disorders in Children has produced an award winning, 20-minute, 16mm color sound film on the psychological evaluation of deaf children and adults. The film and appropriate supplementary literature will be made available on loan, at no charge, to interested professionals and other parties. The film received the award for Creative Excellence in Medicine and Health at the U. S. Industrial Film Festival, 1981.

Those desiring to borrow the film should contact:

Lori Smith, Film Distributions
