Destiny

Stephanie Fine

Eyes gaze upon the setting sun
And watch crystalline rays dart across pale blue
water
Everything is calm
Everything feels at peace
No worries of what tomorrow may bring
But destiny is only resting now

Our work today is done
With no regrets
And only time to anticipate what the future
holds
So much more to do and say
And everywhere we look
We find nature's clues left behind
And destiny is only resting now

Tomorrow fate will be our guide
We cannot control or decide
Only patiently wait and anticipate what the day
will bring
No one can stop
And no one can deny
What events life will bring our way
It is not for us to question
For destiny is only resting now
