Purpose of Life

Sabrina Yeung

Living not for my own sake
Existing for you to live on
Providing everything I can for you
Questioning my purpose in life

Defined in terms of you
Never being my own person
Trying to know who I truly am
Figuring out the reason I'm here

Given birth just to help you heal
Created as your clone
To be torn apart just to save you
Without my willing consent

Your life seems to rule over mine
Seeing that I serve you all I can
But I want a claim to myself
My body, my identity, my existence

I need a chance to live as an individual
Not someone classified in terms of someone else
Be myself and separated from your name
Living just because of me
