Why Sit There And Wait?

Daniela Abratt

Why do you sit there and wait
Instead of using up your time?
And seal yourself a good fate
With something more productive than this poem
of mine
Now as you enjoy watching TV,
As work piles up miles high,
You wish for a magic spell to free
You from all that you can't deny.
So should you have a change of heart,
Which this, Time's ballpoint, in black and blue,
Whether asinine or smart,
Change men's opinion of you
So stop procrastinating and make life what you
will
Take on every challenge, and you dreams you
will fulfill.
