RE: Gait Training and Medication Implications for Safe Ambulation: An Interprofessional Education Activity for Physical Therapy and Pharmacy Students H1506179

Dear Dr. Chesson:

Your application entitled: Gait Training and Medication Implications for Safe Ambulation: An Interprofessional Education Activity for Physical Therapy and Pharmacy Students H1506179), was reviewed on behalf of Mercer University's Institutional Review Board for Human Subjects Research in accordance with Federal Regulations [21 CFR 56.110\(b\)](#) and [45 CFR 46.110\(b\)](#) (for expedited review) and was approved for continuation under category 7, on 19-Jul-2016.

The approval period for your application (submitted without changes to the protocol or informed consent) is for one year of study beginning on 19-Jul-2016. The protocol expires 18-Jul-2017.

**Changes Approved:**

Annual renewal application for second year of study without changes

Note: Please report to the Committee when the protocol is initiated. Also report immediately any changes in the protocol and/or consent form and ALL accidents, injuries, and serious or unexpected adverse events that occur to your subjects as a result of this study.

"Mercer University has adopted and agrees to conduct its clinical research studies in accordance with the International Conference on Harmonization's (ICF) Guidelines for Good Clinical Practice."

Respectfully,

Ava Chambliss-Richardson, M.ED., CIP, CIM  
Institutional Review Board
