INSTITUTIONAL REVIEW BOARD – PROTECTION OF HUMAN SUBJECTS IN RESEARCH

NOTICE OF EXEMPTION FROM IRB REVIEW

Principal Investigator: Ashlyne Vineyard
Study Title: Exploring Adverse Outcomes and Potential Alleviators of Burnout
in Athletic Training Students
IRB Reference #: 1727393
Date of Determination: March 03, 2021
Exemption Category: 45 CFR 46.104(d)(2)

The above referenced human subjects research project has been determined to be EXEMPT from review by the Baylor University Institutional Review Board (IRB) according to federal regulation 45 CFR 46.104(d)(2): Research involving the use of educational tests, survey procedures, interview procedures or observation of public behavior.

The following documents were reviewed:

- IRB Application, submitted on 03/03/2021
- Protocol, submitted on 03/03/2021
- Consent Form, dated 03/03/2021
- Recruitment emails, submitted on 03/03/2021
- Survey, submitted on 03/03/2021

This exemption is limited to the activities described in the submitted materials. If the research is modified, you must contact this office to determine whether your research is still eligible for exemption prior to implementing the modifications.

If you have any questions, please contact the office at (254) 710-3708 or IRB@baylor.edu

Sincerely,

A handwritten signature in black ink that reads "Deborah L. Holland".

Deborah L. Holland, JD, MPH, CHRC, CHPC
Assistant Vice Provost for Research, Research Compliance
