Stage2 Productions

Stage2 Productions is a student driven company within our NSU Theatre program. Juniors majoring or minoring in Theatre will have the opportunity to work closely with faculty and regional professionals to plan the performance schedule for their senior year. This group will have an executive board and a main stage production solely organized by these students. They will also produce other works for our department including our improv jams, staged readings, new works, and other dramatic media. Assuming the roles of producers, directors, designers, business team members, and stage managers in addition to performers, this collective will seek to engage and encourage all students to participate, no matter their major/minor.

This year Stage2 seniors will be presenting the following events:
A Dog's House, Improv Jam 8: A Night of Comedy, and The Mayfly: A 24hour Theatre Project!

A Dog's House

By: Micah Schrafft

On the surface, Michael and Eden are a solid hipster couple with a bright future. When their rottweiler, Jock, grows unexpectedly violent killing the neighbors' toy poodle they must confront darker truths in their relationship that have been ignored for far too long.

Dark Comedy | Appropriate for Ages 13+

Improv Jam 8:
A Night of Comedy

This student run Improv Jam has decided to switch things up this year. We will now be showcasing not only improvisation, but musical, stand-up, and sketch comedy. We are looking for originality and hope to see some new faces.

THE MAYFLY: A 24 HOUR THEATRE PROJECT

A collaboration amongst writers, directors, and actors that all happens over a 24 hour period. The directors and writers will pick the actors blindly, write a 10 minute piece. The actors and directors will then rehearse and perform for the audience by that night. The exciting and thrilling project is open to any faculty, staff, or student wanting to participate from any department!

AUDITIONS FOR Stage2

A Dog's House will be having auditions October 10th from 4pm-7pm in the Black Box theatre. It requires a one minute monologue. There will be copies of the sides and the full script in the DPVA office to review.

A Night of Comedy will be held Nov. 21st from 4-7pm in the Black Box theatre requires either a prepared piece for music, sketch, or stand-up.

Improv auditions TBD and there is no preparation needed. Just come as you are. Click HERE to sign up for auditions now.

The Mayfly: A 24 hour Theatre Project requires writers, directors, and actors with any and all previous experience. Click HERE to sign up today.
Dear Reader,

We regret to inform you that due to the ever so heartless Irma our musical, “Man of La Mancha”, has been canceled. We offer our utmost apologies to those who were attending. Luckily we have found something deliciously chilling to supersede our tuneful event. We just adore seeing new souls in the audience. In fact, yours looks perfect for the taking! Join us if you dare...

Linda Behar is an artist whose interest in shapes manifests itself through a variety of media. She seeks to bring forward the contradictions between the expectations of society and an individual's sense of self. Her focus is on women and the stark standards that have been established for a woman's appearance. After finding a study made by the U.S. government in 1940 to standardize the woman's body, she created a geometrical shape using the measurements generated by the study and presented in drawings and in three-dimensional figures. Her exploration of shape goes deeper through her work with the study of the body language. The pose is shapes, and shape is both a noun and a verb, to understand the human behavior is imperative to see it at a whole.

Their mission is to promote the production of dance as a form of art by bringing cultural and artistic awareness to the communities through cultural, educational and charitable activities, to function as a dance company, providing a ground for the creation of new dance works by the Founding Artistic Director, to develop future dancers and expansion of audiences, through dance concerts, classes and workshops, to be an active agent in the discussion of dance as a form of art, its philosophy, history, aesthetics and furtherance of the Founding Artistic Director’s artistic vision. This exhibition will be featuring photography from Brazilian Photographer Toddy Holland bringing with him over 20 years of experience, several awards, and a trademark of careful composition and directed lighting that makes every image unmistakably recognizable as his own.
