Project Summary

- **Vision**: Alvin Sherman Library (ASL) is re-establishing their partnership with local high schools (HS) to provide students with access to resources they do not currently have through library instruction, research assistance and tours.

- **Goals**: Help HS students to conduct research, access reference service and have an improved learning experience. This aligns with the ASL mission of helping students learn about different academic subject areas, fostering excellence, inquiry, and research, as well as, introducing them to the NSU campus.

Stakeholders

- ASL
- NSU
- Broward County High Schools
- Florida State Library Services
- National Library Associations

Problem Addressed

- Many Broward County HS students lost access to ASL resources which they do not have at their own schools.

Outcomes

- Increase and maintain visits of HS groups to ASL
- Students are better prepared for current and future research assignments through exposure to college-level library resources
- Students are encouraged to pursue a college education through the experience of visiting the NSU campus

Stakeholders

- ALA
- NSU
- Broward County High Schools
- Florida State Library Services
- National Library Associations
