Ray Ferrero, Jr., President
Nova Southeastern University
3301 College Avenue
Fort Lauderdale, Florida 33314

Dear President Ferrero:

I applaud and congratulate you and your fine staff on the 35th Anniversary of the founding of Nova Southeastern University.

Nova Southeastern has contributed to the personal and professional advancement of thousands of Dade County residents who have benefitted by the quality education they received from your university. I number myself among the recipients as I attended graduate school with you.

The merger of Nova University and Southeastern University of the Health Sciences has and will continue to prove beneficial to the community’s health and well-being. Knowing the integrity and commitment of Nova Southeastern to bringing new skills and knowledge to our community, we are indeed fortunate to have had the benefit of 35 years of exemplary education provided by your university.

I wish you continued success and look forward to seeing many more great things accomplished.

Sincerely,

Sally A. Heyman
State Representative
