Ray Ferrero, Jr.
President
Nova Southeastern University
3301 College Avenue
Fort Lauderdale, Florida 33314

Dear President Ferrero;

I would like to congratulate Nova Southeastern University, Florida’s largest independent university, on its 35th Anniversary. NSU has contributed to the personal and professional advancement of thousands of Florida residents who have benefitted by NSU’s quality educational programs.

NSU has proudly served as an outstanding corporate citizen by offering a wide range of community services and programs for the benefit of the state of Florida. Nova Southeastern University is the result of a synergistic merger of Nova University and Southeastern University of the Health Sciences, the result of which has been the development of medical and health care education programs in Florida, which will prove beneficial to the community’s health and well-being.

NSU’s success in partnering with other educational institutions, state and local agencies, and community-based organizations, has led to many successful cooperative efforts to enhance local access to advocacy, counseling, health care, rehabilitative and other human services, raise community awareness on existing services and resources, and provide a forum to identify and address unmet local needs.

NSU’s role in bringing new skills and knowledge to the community will be of ultimate benefit to the education of Florida’s residents of all ages. I would like to express my profound gratitude for the many benefits Nova Southeastern University has brought to Florida.

Best Wishes,

Robert Wexler
