The program has these seminar grades: Pass, No Pass, and Incomplete. These grades are recorded on students' official transcripts at the university.

For interim progress reports and counseling purposes, the Pass grade is divided into three options: Honors Pass, Pass, and Marginal Pass. These grades are not recorded on the official transcripts.

1. Pass. A student has satisfied all seminar requirements.

2. No Pass. Indicates that a student has attempted to complete all requirements in the seminar but has failed to satisfy the requirements or the student has not completed all requirements, and there is no evidence that an attempt to complete the requirements has been made. Any student receiving a "No Pass" must repeat the seminar. When a second "No Pass" is received, whether it is for the same seminar or two different seminars, the student will be terminated from the program.

3. Incomplete. A student has failed to complete the seminar requirements and as a result of a discussion with the national lecturer, it is reasonable to expect that the student will be able to complete the requirements of the seminar.

Attendance at all sessions of each seminar is required for each student expecting to receive credit. Any exception must be based on an emergency and an agreement between the student and the national lecturer. In no case, however, can a student receive credit for a seminar if more than one seminar meeting is missed.

Because a student cannot miss an entire session and still satisfy the seminar requirements, they are required to complete specified assignments relating to the missed session. The assignments may take different forms. After national lecturers have determined the type of makeup work a student must complete, they should send a copy to the Programs for Higher Education.

A student paying tuition prior to the start of a seminar and notifying the Admissions Office in writing of withdrawal from the program before the first seminar meeting will be entitled to a full refund of all monies paid, with the exception of the nonrefundable application fee.

A student attending any part of a seminar is liable for the full tuition and fees for that term.

If a cluster fails to form in the applicant's geographical area, all monies will be returned.

Students who wish to withdraw from the program, either temporarily or permanently, must inform the Admissions Office in writing to be eligible for allowable refunds.

Students who give written notice of their intent to withdraw prior to the first meeting of a seminar will not be assessed for that or subsequent terms until they are readmitted.
The program has these seminar grades: Pass, No Pass, and Incomplete. These grades are recorded on students' official transcripts at the university.

For interim progress reports and counseling purposes, the Pass grade is divided into three options: Honors Pass, Pass, and Marginal Pass. These grades are not recorded on the official transcripts.

1. Pass. A student has satisfied all seminar requirements.

2. No Pass. Indicates that a student has attempted to complete all requirements in the seminar but has failed to satisfy the requirements or the student has not completed all requirements, and there is no evidence that an attempt to complete the requirements has been made. Any student receiving a "No Pass" must repeat the seminar. When a second "No Pass" is received, whether it is for the same seminar or two different seminars, the student will be terminated from the program.

3. Incomplete. A student has failed to complete the seminar requirements and as a result of a discussion with the national lecturer, it is reasonable to expect that the student will be able to complete the requirements of the seminar.
Students must remove their "Incomplete" grades within six months from the end of the term in which they were assigned. If the "Incomplete" in a seminar is not removed within this time, the student will receive a "No Pass" and will be required to repeat the semester.

1. Grades given for practicums may be "Pass," "U," or "No Pass."
   a. "Pass" is given when a practicum is acceptable and needs no revisions.
   b. "U" is given when a practicum is unacceptable and needs revisions.
   c. "No Pass" is given when a practicum has received a "U" on the second revision.

2. Recording of two "No Pass" grades as permanent grades will terminate the student in the program.
Program credit is assigned as follows:

1. Seminars. Three semester hours credit is assigned for receiving a "Pass" in a seminar.

2. Practicums. Four semester hours credit is assigned for receiving a "Pass" for a practicum.

3. MARPs. Three grade reports will be issued to MARP year students. Each grade reporting period carries seven semester hours credit, and credit will be awarded when the required work has been completed according to the following plan:

   a. First Grade Report. A "Pass" grade is given only if the student has completed the MARP Proposal and has filed with the Central Office the completed proposal with the three required signatures.

   b. Second Grade Report. A "Pass" grade is given only when the student has completed the required Individualized Evaluation report, and the MARP advisor has reported to the Central Office that the student is making satisfactory progress on the MARP. The student cannot receive a "Pass" for this period until all seminar work is complete and...
approved, and the MARP proposal has been approved and on file in the Central Office.

c. Final Grade Report. A "Pass" grade is given when the student has completed the MARP and has submitted an acceptable copy to the Central Office, with the three required signatures. Students expecting to participate in commencement exercises must have all work completed, fully approved, and on file no later than the first day of June. Students are, however, encouraged to submit their signed documents well ahead of this date to facilitate clearance for the commencement exercises.

Academic dishonesty and nonacademic misconduct are subject to disciplinary action. Specific instances of misconduct include, but are not limited to, cheating, plagiarism, knowingly furnishing false information to the University, and forging or altering University documents or academic credentials.

1. Students should discuss their concern with the cluster coordinator or a member of the central staff.

2. If, after these discussions, it appears to be appropriate to submit a petition to the Programs for Higher Education for an exception to any policy, such petition should be submitted to the Petitions Committee at the Programs for Higher Education.

3. Cluster coordinators, MARP advisors, national lecturers, instructors, and local research associates with concerns about a student should contact a member of the central staff of the Programs for Higher Education.

   Each petition will be considered on its individual merits based on determining whether or not there is a genuine need for an exception.

4. Submission of petition to the Petitions Committee shall be in writing addressed to the Programs for Higher Education, Nova University.

Policies and Procedures

Category: Attendance
Subject: Attendance Policy—Seminars and Courses

Attendance at all sessions of each seminar is required for each student expecting to receive credit. Any exception must be based on an emergency and an agreement between the student and the national lecturer. In no case, however, can a student receive credit for a seminar if more than one seminar meeting is missed.

Because a student cannot miss an entire session and still satisfy the seminar requirements, they are required to complete specified assignments relating to the missed session. The assignments may take different forms. After national lecturers have determined the type of makeup work a student must complete, they should send a copy to the Programs for Higher Education.
