SPT 5910  Sport Sponsorship Design and Strategies (3 cr.)
This course will explore advanced sport sponsorship design and strategies. Current techniques will be applied to case studies and projects for acquiring and evaluating potential revenue-generating sponsorships. Students will prepare thorough sponsorship plans and deliver proposal presentations reflecting proven techniques.

SPT 5920  Sport Ticketing, Concessions and Merchandise Management (3 cr.)
This course is designed to offer a comprehensive overview of the revenue generating streams of ticket sales, concession sales, and merchandise sales for various sport organizations. Students will gain an understanding of state-of-the-art strategies and theories being used in arenas, stadiums, and other sport based venues. They will learn to understand and appreciate the unique challenges and opportunities sport managers face and how to apply the theories and strategies learned to real world situations.

SPT 5930  Sport Event and Fundraising Strategies and Techniques (3 cr.)
This course is designed to provide an introduction to the principles of sport event management for the express purpose of raising funds. A conceptual framework will be developed through definitions, models, and the utilization of case studies. The planning, development, management, and implementation of strategies for successful fundraising events will be the focus. Specific topics will include event studies, bid preparation, securing sponsorship, negotiations, and volunteer management.

SPT 5940  Sport Revenue Generation and Emerging Technologies (3 cr.)
This course is designed to offer an overview of emerging technologies that will impact current and future revenue generating streams of sport organizations. Students will gain an understanding of state-of-the-art sport enterprise software, internet applications, mobile applications, and social media applications and how they are being utilized to generate new revenue streams. Students will learn to understand and appreciate the unique challenges and opportunities sport managers face as new technologies enter the market place and how to apply the theories and strategies learned to future opportunities.

Foundation Course Descriptions
