## PHARMACIST'S OATH

At this time,  
I vow to devote my professional life  
to the service of mankind  
through the profession of pharmacy.

I will consider the welfare of humanity  
and relief of human suffering  
my primary concerns.

I will use my knowledge and skills  
to the best of my ability  
in serving the public  
and other health professionals.

I will do my best  
to keep abreast of developments  
and maintain professional competency  
in my profession of pharmacy.

I will maintain the highest standards  
of moral and ethical conduct.

I take these vows voluntarily  
with the full realization  
of the confidence and responsibility  
with which I am entrusted by the public.

## OSTEOPATHIC OATH

I do hereby affirm my loyalty  
to the profession I am about to enter.

I will be mindful of my responsibility  
to preserve the health and life of my patient,  
to perform faithfully my professional duties.

I will be vigilant in aiding  
in the general welfare of the community.

I will endeavor to work in accord with my colleagues  
in a spirit of progressive co-operation.

I will look with respect and esteem  
upon all those who have taught me my art.

I will be loyal to my college  
and strive always for its best interests  
and for the interests of the students who will come after me.

I will be alert to further the application  
of basic biological truths  
and to develop the principles of Osteopathic Medicine.

In the presence of this gathering, I bind myself to my oath.
