This Student Handbook is brought to you for free and open access by the NSU Course Catalogs and Course Descriptions at NSUWorks. It has been accepted for inclusion in Health Professions Divisions Course Catalogs by an authorized administrator of NSUWorks. For more information, please contact nsuworks@nova.edu.
Nova Southeastern University is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award bachelor's, master's, educational specialist, and doctoral degrees.

Policies and programs set forth in this handbook are effective through the academic year 2007–2008. Changes in the content of the student handbook may be made, at anytime, by the university, division, or college administration. Adequate notice of anticipated changes will be given to the student, whenever possible. This student handbook supercedes all previous handbooks, documents, and directives where they may be in conflict. The student handbook is the governing document for all program-related information. Please become familiar with the policies and procedures listed within. Failure to read this handbook does not excuse students from the rules, policies, and procedures contained in it.

The university recognizes that individual programs require different times for the completion of academic studies leading to a degree. Therefore, the time frame is a matter within the discretion of each academic program. All program/center catalogs, bulletins, and handbooks carry this information. Students should refer to their individual program or center's catalog and/or student handbook for further information about academic programs, policies, and procedures.

Message from the President

Nova Southeastern University is Florida's largest independent university based on enrollment and the sixth largest independent institution in the United States. As president of NSU, I invite you to become an ambassador of this remarkable educational showcase that has now entered its fifth decade.

In 1967, NSU served an entire student body of 17 from one building. Today, we have more than 26,000 students enrolled in 16 academic centers, with programs offered in 22 states and many foreign countries. The university boasts approximately 90,000 alumni.

The university's sustained growth is due, in large part, to its exploration of alternative strategies in educating professionals and its commitment to excellence in academics, clinical training, community service, and well-rounded opportunities for all students. The essence of NSU is collaboration at all levels and with diverse partners.

As you pursue your studies at Nova Southeastern University, you are welcomed as a member of the university community. Along with your membership to the university community comes many rights and responsibilities. This student handbook outlines these rights and responsibilities, university policies and procedures, and university resources.

We look forward to a lifelong partnership with you, our student. The entire NSU community is dedicated to providing service and academic excellence to you as you continue on the road to graduation and your success in the new millennium.

Ray Ferrero, Jr.
President
Overview of Nova Southeastern University
Overview of Nova Southeastern University

Mission Statement
Nova Southeastern University is a dynamic, not-for-profit independent institution dedicated to providing high-quality educational programs of distinction from preschool through the professional and doctoral levels, as well as service to the community. Nova Southeastern University prepares students for lifelong learning and leadership roles in business and the professions. It offers academic programs at times convenient to students, employing innovative delivery systems and rich learning resources on campus and at distant sites. The university fosters inquiry, research, and creative professional activity, by uniting faculty members and students in acquiring and applying knowledge in clinical, community, and professional settings.

**NSU History**

Nova Southeastern University (NSU) is a not-for-profit, fully accredited, coeducational institution. It was founded in 1964 as Nova University of Advanced Technology. In 1974, the board of trustees changed the university's name to Nova University. In 1994, Nova University merged with Southeastern University of the Health Sciences to form Nova Southeastern University.

NSU is well known for innovation and quality in both traditional and distance education. The university serves large numbers of adult students and a growing population of traditional undergraduates. To date, the institution has produced approximately 86,000 alumni.

Based on fall-term enrollment as a measure, Nova Southeastern University is the largest independent institution of higher education in the Southeast with more than 25,000 students and is the seventh largest independent institution nationally. NSU is one of 169 colleges and universities statewide and one of 90 independent four-year institutions in Florida.

The university awards associate's, bachelor's, master's, educational specialist, doctoral, and first-professional degrees in a wide range of fields, including business, counseling, computer and information sciences, education, medicine, dentistry, pharmacy, various health professions, law, marine biology, psychology, and other social sciences. The university offers 29 undergraduate majors through the Farquhar College of Arts and Sciences, the Fischler School of Education and Human Services, and the H. Wayne Huizenga School of Business and Entrepreneurship.
Nova Southeastern University has the only college of optometry in Florida and the only college of dentistry in South Florida, and had the first college of pharmacy in South Florida. The institution also enjoys an excellent reputation for its programs for families offered through the Mailman Segal Institute for Early Childhood Studies and University School, including innovative parenting, preschool, primary, and secondary education programs. University School of Nova Southeastern University, a fully accredited independent college preparatory day school, enrolls students in prekindergarten through 12th grade and operates from NSU's main campus in Fort Lauderdale.

NSU's programs are administered through academic centers that offer courses at campuses in Fort Lauderdale, North Miami Beach, and Dania Beach as well as other locations throughout Florida, across the nation, and at selected international sites. Despite the geographic diversity of sites where classes are offered, 85 percent of the student body attends classes in Florida, and 76 percent of all students enrolled attend classes in the tricounty area (i.e., Miami-Dade, Broward, and Palm Beach counties). With an annual budget of approximately $363 million, Nova Southeastern University also has a significant economic impact on the surrounding community. A recent NSU study revealed that the university and its students and employees had an annual economic impact of more than $731 million in the state of Florida.
Student Life

Student Affairs

The mission of Student Affairs is to foster student success and a university community. Administered by the Office of the Dean of Student Affairs, overseen by the dean, associate dean, and assistant dean of student affairs, Student Affairs provides cocurricular learning opportunities and services that are conducive to student growth and development. It is composed of the following offices.

Office of Career Development
The Office of Career Development provides career consulting and job search assistance to undergraduate students, graduate students, and alumni. Through consulting and career-related resources, the center strives to educate students and alumni to develop a career life plan, from choosing a major to conducting a job search. The center also strives to explore career and/or graduate/professional school opportunities. Additional programs and services available include career assessments, internship and experiential learning opportunities, job fairs, career-related speakers, and involvement in a career club.

Office of Student Leadership and Civic Engagement
The Office of Student Leadership and Civic Engagement provides NSU students the opportunity to become involved in extracurricular programs through the student government association, student organizations, academic societies, religious groups, service clubs, special interest groups, and a variety of volunteer activities in the community.

Office of Residential Life and Housing
The Office of Residential Life and Housing provides students with a total educational experience by facilitating an enjoyable campus living experience. The residence halls are living/learning centers that provide an environment conducive to student success. Opportunities in a variety of academic, cultural, social, leadership, and recreational activities facilitate personal development. Functions that enhance student growth through the Office of Residential Life include an educational judicial process, crisis intervention, mediation, and counseling referrals. The Office of Housing provides quality facilities for students who live on campus. The office coordinates the administrative processes of all on-campus housing including assignments, contracts, billing, facilities, and maintenance of the five on-campus residence halls. On-campus housing consists of a traditional residence hall with private bath facilities for undergraduate students as well as apartment housing for upper-class undergraduate students. For more information about undergraduate on-campus housing, please visit www.nova.edu/reslife or contact us at (954) 262-7052.

Office of Campus Recreation
The Office of Campus Recreation provides programs and services that foster the education and development of the mind, body, and spirit for members of the NSU community. These programs and services include intramural sports, group fitness, special events, instructional opportunities, certification courses, personal training, fitness assessment, and evaluation exams.

The office operates the RecPlex located within the University Center. The RecPlex is over 100,000 square feet of indoor and outdoor recreation and fitness space with 15,000 square feet of strength and cardiovascular training equipment, two indoor basketball courts, three racquetball courts, a rock-climbing wall, a heated outdoor swimming pool, three multipurpose rooms, and men's and women's locker rooms, showers, and saunas.
The RecPlex is available to all current fee-paying NSU students. Faculty and staff members, alumni, family members, and affiliates of NSU also may gain access by becoming members of the R.A.C.

For more information, contact the Office of Campus Recreation at (954) 262-7301 or visit the Web site at www.rec.nova.edu.

Student Union
The Student Union serves as the central location bringing the NSU community together by providing facilities, services, and programs. The new and larger Flight Deck in the University Center offers inexpensive food and beverages, big-screen television, recreational game area, various seating areas, board games, magazines, an outdoor patio, and weekly entertainment. The Student Union also offers a variety of conference services and event options, equipment rentals, and on-campus remote bar services. For further information, requests, or reservations, please view the Web site at www.union.nova.edu or call (954) 262-7288.

Office of Student Engagement
The Office of Student Development and Special Events provides overall direction and support for division-wide student development initiatives and special programs. Major events sponsored by the office include NSU Exploration Week, Hollywood Squares, the Life 101 speaker series, and the annual Student Life Achievement Awards. Additionally, the director also serves as one of the advisers to the Presidential Ambassadors, a prestigious group of student leaders who accompany the NSU president by serving as hosts for university-sponsored events.

Office of Student Disability Services
The Office of Student Disability Services provides oversight and coordination for all services for students with disabilities enrolled at NSU, its student educational centers, and off-campus programs by collaborating with NSU academic center disability services representatives, the Office of Residence Life and Housing, and Facilities Management.

The director's office is located in the ASA (Athletics and Student Affairs) building and may be reached at (954) 262-7280.

Office of Student Media and Information
The Office of Student Media and Information oversees the publication of The Current and the operation of WNSU. The office also supports other offices in the division of student affairs in promoting campus events and programs and develops methods to inform students about activities at the university.

Office of First-Year and Transitional Programs
This office develops programs that assist in the first-year student's transition into the university community and activities that provide support for senior-year students as they transition out of the university after graduation.

Campus Traditions
Homecoming
Homecoming is a reunion weekend for alumni, students, faculty members, staff members, and friends of NSU. The social activities and athletic events organized by the Office of Student Activities and Leadership Development, Office of Student Engagement, Alumni Office, and Department of Athletics provide opportunities for the NSU community to celebrate shared experiences. For further information about homecoming events, please contact (954) 262-7290.
Greek Life
The Greek life experience at NSU offers endless opportunities for students. Many successful leaders in business, politics, education, and entertainment developed their skills in the Greek community. Greek members come together from all walks of life with a common goal: to achieve excellence in every aspect of life.

The opportunity for leadership development is one of the greatest assets of membership into any Greek organization. Hands on experience as a chapter officer, committee chairperson, or active member allows you to develop skills, which will benefit you throughout your career at NSU as well as in your professional endeavors. Whether academic, social, or service—NSU Greek life has a place for you.

Shark-a-Palooza
The fall semester always begins in grand fashion with this event. Apart from the great food and entertainment, all clubs and organizations are very involved while actively promoting their club and recruiting new members.

Life 101...Personally Speaking
Nova Southeastern University's “Life 101...Personally Speaking” has as its goal to bring various leaders from business, industry, entertainment, politics, and athletics to our campus to be interviewed by a faculty member with a similar format to Inside the Actor's Studio (Bravo channel). Students and staff get a personal look at the “life lessons” these various leaders have learned throughout their career while sharing their life's stories with our audience.

Community Fest
NSU Community Fest is an annual festival that celebrates and connects the NSU community. The event was initiated and developed in 2004 by Michelle Manley, an NSU student who wanted to bring the university community together and build school spirit. Traditionally held in the spring semester, the day consists of live entertainment, free food and drinks, large-scale games, activity booths, paddle boats on the lake, and much more. It is free to all NSU students, employees, and their families.

Hollywood Squares
Sponsored by the Student Affairs staff, this annual event is a spin-off of the actual television show. Hollywood Squares is hosted by the dean of students and the squares are made up of various members of faculty and staff. Students are selected to play the game and compete for grand prizes such as trips, cruises, and cash prizes worth thousands of dollars.

Student Life Achievement Awards
This annual spring semester event is put on the Student Affairs staff. This awards ceremony, similar to televised award shows, honors NSU’s best in the following core values: scholarship, leadership, involvement, commitment, integrity, and responsibility. The goal of this program is to further a sense of campus community and to recognize achievements by students and staff members. The Stueys, as the event is commonly known, provide much deserved recognition to the various students and faculty and staff members within the university community.

Office of Volunteerism/Civic Engagement
This office is the one-stop office within the university community that provides volunteer opportunities and community service within NSU and the surrounding community. Some volunteer opportunities include the annual “Senior Prom,” a dinner and dance with local nursing home residents in the Fort Lauderdale area; Habitat for Humanity; soup kitchens; homeless shelters; toy and clothing drives; and an annual spring egg hunt to benefit those in our community that are less fortunate.
Career Expo
As a founding member of the Southeast Florida Career Consortium (SFCC), the Office of Career Development hosts the annual Career Expo every winter. The SFCC is a joint coalition of career service professionals from several South Florida universities and gives students and alumni the opportunity to seek intern, part-time, and full-time employment as well as to network with local, regional, and national employers.

Major organizations attending previous Career Expos include American Express, Coca-Cola, Enterprise Rent-A-Car, BellSouth, Rexall Sundown, Sysco, The Wackenhut Corp., the United States State Department, the Federal Bureau of Investigation (FBI), Miami-Dade Public Schools, and more.

Human Services Job Fair
The Human Services job fair is held on campus every fall to link employers in the not-for-profit, for-profit, government, and other employers/agencies who provide human services. This event is targeted at psychology, counseling, family therapy, guidance, criminal justice, mediation and conflict analysis, and related majors. Employers represented have hired NSU students for internships, part-time jobs, and full-time jobs.

Student Union
The Student Union serves as the central location bringing the NSU community together by providing facilities, services, and programs that enhance the quality of campus life. Open seven days a week, the Flight Deck is a fun, casual environment in the University Center. The bar sells inexpensive food and beverages, and for those 21 years of age and older, beer and wine. The Flight Deck has a 65" television and other TVs with movie channels and DirecTV's NFL Sunday Ticket and March Madness programs. The recreational game area includes two pool tables, ping-pong, air hockey, and two regulation dart boards. With various seating areas, board games, magazines, and weekly entertainment, the Flight Deck is a popular place on campus for students to meet, greet, and eat.

The Student Union offers a variety of conference services for student groups and NSU personnel to host meetings, functions, and events. On-campus remote bar services for the main campus and Oceanographic Center can include the sale and service of beer and wine along with nonalcoholic beverages. Special equipment such as barbecue grills, large coolers, and a karaoke machine can be rented for an NSU event; DJ equipment and a PA system may be rented for events in the Flight Deck.

The Student Union Board (S.U.B.) hosts a variety of weekly activities; comedians, coffeehouses, and bands; the Super Bowl party; and the Spring Fling. Inexpensive food and beverages, unique services, a fun atmosphere, and friendly staff help make The Student Union is a convenient and comfortable environment for events and services benefiting the NSU community.

Newspaper
The Current serves as the official student newspaper at NSU and is an established vehicle for the transmission of student reporting, opinion, and arts. All community members are invited to contribute to The Current. The Current is readily available at several sites around the main campus and local community, including the east campus. For further information, please call (954) 262-8455, or visit the Web site at http://nsu.current.com.

Radio Station—WNSU
WNSU was formed in August 1990 to provide an opportunity for Nova Southeastern University students to gain knowledge and experience in radio broadcasting. Under an agreement with the Broward County School Board, WNSU broadcasts on 88.5 FM after 7:00 p.m. NSU Radio X focuses on playing cutting-edge music as well as featuring specialty shows seven days a week. Radio X is a voice in the community that introduces new music to listeners and provides local and world news, weather reports, sports updates, and NSU news. For further information, please call (954) 262-8457.
Student Organizations

NSU students have an excellent opportunity to become involved in extracurricular programs. The Office of Student Activities and Leadership Development encourages all students to get involved in the university community. Involvement is one of the best ways to meet other students and faculty and staff members, as well as gain valuable leadership skills. Nova Southeastern University has many student organizations on campus, including academic societies, fraternities, sororities, religious groups, service clubs, and special-interest groups.

Each student organization is assigned a faculty or staff member to serve as an adviser and supporter. For further information, please contact the Office of Student Activities and Leadership Development at (954) 262-7290. Current organizations include the following:

Web Space for Student Clubs and Organizations
Official student clubs or organizations sponsored by the university may create and maintain a club Web page. A designated club member possessing the requisite computer skills must be appointed by the club as the Webmaster. The Webmaster will be responsible for creating and maintaining the club Web page with approval from the Office of Student Affairs or COM Student Services. The Webmaster can obtain a copy of the Information Provider Agreement (IPA) form online at www.nova.edu/common-lib/policies/ipa.html.
Student Rights
and Responsibilities
Student Rights and Responsibilities

Reservation of Power

The student handbook is not intended to be a contract or part of a contractual agreement between NSU and the student. The Nova Southeastern University Student Handbook is available online at www.nova.edu/cwis/studentaffairs/forms/ustudenthandbook.pdf. Changes in the content of the student handbook may be made at anytime, by the university, division, or college administration. Whenever possible, adequate notice of anticipated changes will be given to the student. This student handbook supersedes all previous handbooks, documents, and directives where they may be in conflict. The student handbook is the governing document for all program-related information. Please become familiar with the policies and procedures listed within. Failure to read this handbook does not excuse students from the rules, policies, and procedures contained in it. Students are expected to be familiar and comply with all the policies and procedures contained within the student handbook, including any revisions or modifications.

Nova Southeastern University reserves the right to amend, modify, add to, or delete its rules, policies, and procedures without notice, affecting its institutional relationship with students as deemed necessary by the administration. Any such amendment, modification, addition, or deletion shall not be considered a violation of the relationship between the university and the student. Such right includes modification to academic requirements, curriculum, tuition, and/or fees when in the judgment of the administration such changes are required in the exercise of its educational responsibility.

Nondiscrimination Statement

Consistent with all federal and state laws, rules, regulations, and/or local ordinances (e.g. Title VII, Title VI, Title III, Title II, Rehab Act, ADA, Title IX), it is the policy of Nova Southeastern University not to engage in discrimination or harassment against any persons because of race, color, religion or creed, sex, pregnancy, national or ethnic origin, nondisqualifying disability, age, ancestry, marital status, sexual orientation, unfavorable discharge from the military, veteran status, political beliefs or affiliations, and to comply with all federal and state nondiscrimination, equal opportunity and affirmative action laws, orders, and regulations.

This nondiscrimination policy applies to admissions, enrollment, scholarships, loan programs, athletics, employment, and access to, participation in, and treatment in all university centers, programs, and activities. NSU admits students of any race, color, religion or creed, sex, pregnancy, national or ethnic origin, nondisqualifying disability, age, ancestry, marital status, sexual orientation, unfavorable discharge from the military, veteran status, political beliefs or affiliations, and activities generally accorded or made available to students at NSU and does not discriminate in the administration of its educational policies, admission policies, scholarship and loan programs, and athletic and other school administered programs.

Code of Student Conduct and Academic Responsibility

Purpose: This code seeks to promote high standards of behavior and academic integrity by setting forth the responsibilities of students as members of the university community. Abiding by the code ensures a climate wherein all members of the university community can exercise their rights of membership.
**Code of Student Conduct Statement**

The university is a community of scholars in which the ideals of freedom of inquiry, freedom of thought, freedom of expression, and freedom of the individual are sustained. However, the exercise and preservation of these freedoms and rights require a respect for the rights of all in the community to enjoy them to the same extent. It is clear that in a community of learning, willful disruption of the educational process, destruction of property, and interference with the orderly process of the university as defined by the university administration or with the rights of other members of the university cannot be tolerated. Students enrolling in the university assume an obligation to conduct themselves in a manner compatible with the university’s function as an educational institution. To fulfill its functions of imparting and gaining knowledge, the university retains the power to maintain order within the university and to exclude those who are disruptive to the educational process.

In support of the Code of Student Conduct, any violations of the Code of Student Conduct and Academic Responsibility and/or university policies and procedures may result in disciplinary action and/or criminal prosecution. Violations of academic and/or supplementary standards will be handled through the student’s academic college, center, or school. Violations of conduct standards, supplementary standards, university policies, and/or procedures will be handled by the Office of the Dean of Student Affairs or by the individual academic college, center, or school as deemed appropriate.

Changes to the Code of Student Conduct and Academic Responsibility will be posted on the Student Affairs Web site. Students are required to be familiar with the rules, policies, and Code of Student Conduct and Academic Responsibility.

**Nova Southeastern University Statement of Student Rights and Responsibilities**

Nova Southeastern University, as a community of women and men, is committed to furthering scholarship, academic pursuits, and service to our society. As an institution, our purpose is to ensure all students an equal opportunity to fulfill their intellectual potential through pursuit of the highest standards of academic excellence.

Certain rights and obligations flow from membership in any academic community committed to such goals:

- the rights of personal and intellectual freedom, which are fundamental to the idea of a university
- scrupulous respect for the equal rights and dignity of others
- dedication to the scholarly and educational purposes of the university and participation in promoting and ensuring the academic quality and credibility of the institution

Students are responsible for obtaining, learning, and observing the established university and academic center policies as listed in all official publications. In addition, students must comply with the legal and ethical standards of the institution, as well as those of Broward County, the state of Florida, as well as any other laws, rules, and/or regulations of other jurisdictions. All members of the community should inform the appropriate official of any violation of conduct regulations.

**A. Academic Standards**

The university is an academic community and expects its students to manifest a commitment to academic integrity through rigid observance of standards for academic honesty. The university can function properly only when its members adhere to clearly established goals and values. Accordingly, the academic standards are designed to ensure that the principles of academic honesty are upheld.
The following acts violate the academic honesty standards:

1. **Cheating:** intentionally using or attempting to use unauthorized materials, information, or study aids in any academic exercise

2. **Fabrication:** intentional and unauthorized falsification or invention of any information or citation in an academic exercise

3. **Facilitating Academic Dishonesty:** intentionally or knowingly helping or attempting to help another to violate any provision of this code

4. **Plagiarism:** the adoption or reproduction of ideas, words, or statements of another person as one’s own without proper acknowledgment

Students are expected to submit tests and assignments that they have completed without aid or assistance from other sources. Using sources to provide information without giving credit to the original source is dishonest. Students should avoid any impropriety or the appearance thereof in taking examinations or completing work in pursuance of their educational goals.

Students are expected to comply with the following academic standards:

1. **Original Work:**
   Assignments such as course preparations, exams, texts, projects, term papers, practicum, etc., must be the original work of the student. Original work may include the thoughts and words of another author. Entire thoughts or words of another author should be identified using quotation marks. At all times, students are expected to comply with the university and/or program center’s recognized form and style manual and accepted citation practice and policy.

   Work is not original when it has been submitted previously by the author or by anyone else for academic credit. Work is not original when it has been copied or partially copied from any other source, including another student, unless such copying is acknowledged by the person submitting the work for the credit at the time the work is being submitted, or unless copying, sharing, or joint authorship is an express part of the assignment. Exams and tests are original work when no unauthorized aid is given, received, or used before or during the course of the examination, re-examination, and/or remediation.

2. **Referencing the Works of Another Author:**
   All academic work submitted for credit or as partial fulfillment of course requirements must adhere to each program center’s specific accepted reference manuals and rules of documentation. Standards of scholarship require that the writer give proper acknowledgment when the thoughts and words of another author are used. Students must acquire a style manual approved by their center and become familiar with accepted scholarly and editorial practice in their program. Students’ work must comport with the adopted citation manual for their particular center.

   At Nova Southeastern University, it is plagiarism to represent another person’s work, words, or ideas as one’s own without use of a center-recognized method of citation. Deviating from center standards (see above) are considered plagiarism at Nova Southeastern University.

3. **Tendering of Information:**
   All academic work must be the original work of the student. Knowingly giving or allowing one’s work to be copied, giving out exam questions or answers, or releasing or selling term papers is prohibited.
4. Acts Prohibited:
Students should avoid any impropriety or the appearance thereof, in taking examinations or completing work in pursuance of their educational goals. Violations of academic responsibility include, but are not limited to the following:
- plagiarism
- any form of cheating
- conspiracy to commit academic dishonesty
- misrepresentation
- bribery in an attempt to gain an academic advantage
- forging or altering documents or credentials
- knowingly furnishing false information to the institution

Students in violation will be subjected to disciplinary action.

5. Additional Matters of Ethical Concern:
Where circumstances are such as to place students in positions of power over university personnel, inside or outside the institution, students should avoid any reasonable suspicion that they have used that power for personal benefit or in a capricious or arbitrary manner.

B. Conduct Standards
1. Students should not interfere with the rights, safety, or health of members of the university community nor interfere with other students' right to learn. Students are expected to abide by all university, center, and program rules and regulations and all local, state, and federal laws.

Violations of conduct standards include, but are not limited to
- theft (including shoplifting at any university service center, e.g., bookstore, food service facility), robbery, and related crimes
- vandalism or destruction of property
- disruptive behavior/disorderly conduct (e.g., in residence halls and classrooms, or at university-sponsored events, on or off campus)
- physical or verbal altercation, assault, battery, domestic violence, or other related crimes
- gambling
- possession or use of firearms, fireworks, explosives, or other dangerous substances or items
- possession, transfer, sale, or use of illicit and/or illegal drugs or alcohol if a minor
- appearance in class or on campus under the apparent influence of drugs or alcohol, illegal or illicit drugs or chemicals
- any act or conspiracy to commit an act that is harassing, abusive, or discriminatory or that invades an individual's right to privacy; sexual harassment; discrimination and abuse against members of a particular racial, ethnic, religious, on the basis of sex/gender, sexual orientation, marital status or cultural group and/or any other protected group or as a result of an individual's membership in any protected group
- sexual misconduct
- stalking
l. unacceptable use of computing resources as defined by the university. Students are also subject to the Acceptable Use of Computing Resources policy at www.nova.edu/common-lib/policies/aucr.policy.html.

m. impeding or obstructing NSU investigatory, administrative, or judicial proceedings

n. threats of or actual damage to property or physical harm to others

o. "Hazing" means any action or situation that recklessly or intentionally endangers the mental or physical health or safety of a student for purposes including, but no limited to, initiation or admission into or affiliation with any organization operating under the sanction of a postsecondary institution. Hazing includes, but is no limited to, pressuring or coercing the student into violating state or federal law; any brutality of a physical nature, such as whipping, beating, branding, or exposure to the elements; forced consumptions of any food, liquor, drug, or other substance or other forced physical activity that could adversely affect the physical health or safety of the student; and any activity that would subject the student to extreme mental stress, such as sleep deprivation, forced exclusion from social contact, forced conduct that could result in extreme embarrassment, or other forced activity that could adversely affect the mental health or dignity of the student. Hazing does not include customary athletic events or other similar contests or competitions or any activity or conduct that furthers legal and legitimate objective. (Florida Hazing Law, 1006.63) Engaging in, supporting, promoting, or sponsoring hazing or violating university rules governing hazing is prohibited.

p. failure to pay tuition and fees in a timely manner

q. embezzlement or misuse of NSU and/or student organizational funds or monies

r. failure to comply with the directives of NSU officials

s. violation(s) of the terms or condition of a disciplinary sanction(s) imposed

t. violation of any policy, procedure, or regulation of the university or any state or federal law, rule, regulation, or county ordinance

u. fraud, misrepresentation, forgery, alteration or falsification of any records, information, data, or identity

v. plagiarism

2. Students must have authorization from the university to have access to university documents, data, programs, and other types of information and information systems. Any use of the above without authorization is prohibited.

C. Supplementary Standards

Students are expected to comply with the legal and ethical standards of this institution and those of their chosen field of study, including the Code of Ethics for Computer Usage. The university and each center or program may prescribe additional standards for student conduct. Reasonable notice may be provided when additions or changes are made to the standards for student conduct. Students should refer to their center and/or Student Affairs Web site for policy updates or changes.
D. Violations
Any violation(s) of any of the academic standards, conduct standards, or supplemental standards may result in a complaint being filed against a student to enforce the Code of Student Conduct and Academic Responsibility. Deans, associate deans, or directors may, in their discretion, immediately suspend students pending a hearing on charges of academic, conduct, or supplemental standards violations. Violations of academic, conduct, or supplemental standards are subject to disciplinary action, up to and including, expulsion from the university. Violations of academic standards will be handled through the student's academic college, school, or center. Violations of conduct or supplemental standards will be handled by the Office of the Dean of Student Affairs or by the individual academic college, school, or center as deemed appropriate.

E. Sanctions
If the student is found in violation of the Code of Student Conduct and Academic Responsibility and/or university policies and procedures, one or more of the following sanctions may be imposed. The following list is only illustrative. The university reserves the right to take additional disciplinary action as it deems appropriate.

1. Expulsion:
Permanent dismissal from the university with no right for future readmission under any circumstances. A student who has been expelled is barred from campus and/or visiting privileges.

2. Suspension:
Mandatory separation from the university for a period of time specified in an order of suspension. An application for readmission will not be entertained until the period of separation indicated in the suspension order has elapsed. Readmission is subject to approval of the university. During the period of suspension, the student is barred from campus visiting privileges unless specific permission is granted by the dean of student affairs or designee.

3. Temporary Suspension:
Action taken by the dean of student affairs/associate dean of student affairs, which requires a student's temporary separation from the university until a final determination is made of whether or not a student is in violation of the Code of Student Conduct and Academic Responsibility.

4. Final Disciplinary Probation:
A disciplinary sanction serving notice to a student that his/her behavior is in flagrant violation of university standards, under which the following conditions exist:

a. The sanction is for the remainder of the student's career and may be reviewed by the dean of student affairs no sooner than two regular academic semesters or equivalent after the sanction is imposed. After two semesters in attendance, a student may initiate a request in writing for reduction of the sanction to disciplinary probation, but must also demonstrate reason to substantiate the request.

b. Another violation of the Code of Student Conduct and Academic Responsibility will at a minimum result in suspension.

5. Disciplinary Probation:
A disciplinary sanction serving notice to a student that his/her behavior is in serious violation of university standards. A time period is indicated during which another violation of the Code of Student Conduct and Academic Responsibility will automatically raise the question of a more severe sanction (suspension or expulsion) if the student is found in violation.
6. Disciplinary Warning:
A disciplinary sanction serving notice to a student that his/her behavior has not met university standards. This sanction remains in effect for a designated number of semesters of attendance after which it is expunged from the student’s file.

7. Verbal Warning:
A verbal warning is a verbal admonition to the student by a university staff member that his/her behavior is inappropriate. A verbal warning will be noted in the student’s file for a period of time after which it is expunged from the student’s file.

8. Fines:
Penalty fees payable to the university for violation of certain regulations with the Code of Student Conduct and Academic Responsibility.

9. Restitution:
Payment made for damages or losses to the university, as directed by the adjudicating body.

10. Restriction or Revocation of Privileges:
Restriction or revocation of privileges is the temporary or permanent loss of privileges, including, but not limited to, the use of a particular university facility, visitation privileges, and parking privileges.

11. Termination or Change of Residence Hall Contract/Accommodation:
Termination or change of residence hall contract/accommodation is a disciplinary sanction that terminates or changes the Residence Hall Contract/Accommodation. This should be accompanied by another form of disciplinary action. It is considered permanent unless lifted by the dean of student affairs/associate dean of student affairs/director of residential life or designee.

12. Counseling Intervention:
When extreme behavior indicates that counseling may be beneficial, the student may be referred to counseling.

13. Other Appropriate Action:
Disciplinary action not specifically outlined above, but approved through the dean of student affairs/associate dean of student affairs or designee.

14. Parent/Legal Guardian Notification:
NSU personnel reserve the right to contact or notify a student’s parent(s) or legal guardian(s) of a minor student, under 21 years of age, in writing or by phone, when alcohol or drug violations of university policy occur, for other violations of NSU policy and procedure, and/or when NSU personnel determine a student’s safety and/or welfare is at risk.

F. Appeal Process
An appeal of disciplinary action taken by the Office of the Dean of Student Affairs or its designee must be made in writing to the dean of student affairs within 72 hours of the receipt of the written disposition of the hearing. In appealing a disciplinary decision, the appeal must fall into one of the following categories:
1. the student has new evidence that was not available prior to the original hearing
2. the disciplinary process was not adhered to during the student’s hearing
3. the sanction(s) do not relate appropriately to the violation

A written decision will be provided by the dean of student affairs within a reasonable amount of time from receipt of the appeal request. The decision of the dean of student affairs will be final. For appeals of disciplinary action taken by individual colleges, centers, or schools, please consult the academic section of this handbook related to this area and/or academic dean or designee.
Specific University Policies and Procedures

Admissions Policy

Please refer to the specific admission policies and procedures for each individual program center, college, or school.

In general, students are provisionally admitted to a degree-seeking program based on a review of unofficial transcripts or other specific program admission requirements. However, this admission includes a condition that final and official documents and requirements must be received within 90 calendar days from the start of the term. If these final and official documents and/or requirements are not received by that time, the student will not be allowed to continue class attendance. Financial aid will not be disbursed to a provisional/conditional student until he or she has been fully admitted as a regular student (all admission requirements have been approved by the college/program admission office). Students who have an unpaid balance 30 days from the start of the term will be assessed a $50 fee.

Alcohol Policy

Nova Southeastern University, as an institution of higher education, is dedicated to the well being of all members of the university community—students, faculty members, employees, and administrators. Concerned with the misuse of alcohol and other drugs (both licit and illicit), it is the policy of NSU to endeavor to prevent substance abuse through programs of education and prevention.

NSU recognizes alcoholism and drug abuse as illnesses or treatable disorders, and it is NSU's policy to work with members of the NSU community to provide channels of education and assistance. However, it is the individual's responsibility to seek help. NSU also recognizes that the possession and/or use of certain substances are illegal. NSU is further obligated to comply with all local, state, and federal laws.

The policy governing the use of alcohol by students at Nova Southeastern University is in compliance with the laws of the state of Florida prohibiting the consumption of alcoholic beverages by persons who are minors (under the age of 21). The policy is based on the use of alcohol in moderation and under appropriate circumstances. The university recognizes that students are adults and are expected to obey the law and take personal responsibility for their own conduct. The laws of the state of Florida prohibit the possession or consumption of alcohol by persons less than 21 years of age.

1. The university will not authorize the use of student activity fees or other student funds collected and administered by the university to provide alcoholic beverages for any student event.

2. The sale, delivery, possession, and/or consumption of alcoholic beverages on any property owned and controlled by NSU is strictly prohibited, except as licensed by the state of Florida or otherwise permitted in these regulations. The use of alcoholic beverages on university premises shall be considered a privilege and may be allowed only if consistent with state laws and university regulations, and only when it will not interfere with the decorum and academic atmosphere of the campus.

3. Exception to this prohibition is made for university housing residents of legal drinking age. The possession and use of alcoholic beverages in university housing is governed by the Residential Living Guide.
4. The president, or an appropriate designee, may approve other exceptions to this prohibition, to allow possession or consumption of alcoholic beverages by persons of legal drinking age at designated events and locations on campus.

5. The use of alcoholic beverages off campus by students of legal drinking age is permissible. However, incidents of intoxication and/or misconduct are subject to university disciplinary action. Students are expected to comply with municipal, state, and federal laws pertaining to the possession and consumption of alcoholic beverages. Any violation of these laws may result in disciplinary action including, but not limited to, probation, suspension, or expulsion from the university.

Guidelines for the Use of Alcohol at University Student Events

1. Nova Southeastern University functions, which are student oriented, may serve only beer and wine. All requests for such events must be coordinated through NSU’s Office of the Dean of Student Affairs.

2. Entry fees may be charged, but this fee is only for admission to the event, not for the sale of beer or wine.

3. One-quarter hour before the approved ending time listed on the exemption, ticket sales will stop.

4. Any advertisements for the event (including leaflets, invitations, posters, letters, and all other forms of advertisements) cannot advertise alcohol. These advertisements must display the following information: Beverages will be available. Must have valid state-issued picture identification for verification of age.

5. An adequate amount of food and alternative beverages (such as water, juice, assorted sodas, coffee, and teas) must be available throughout the duration of the event. This food and beverage will be provided at the cost of the organization holding the event. The amount of food and beverages appropriate for the size of the event will be determined by the director of the student union.

6. No organization or individual may purchase beer or wine for an event. All beer and wine must be purchased and served by the Office of the Dean of Student Affairs. No other alcohol is permitted.

7. The director of the student union or designee will be present during an event at which beer and wine are served. If the director is not available, then a university employee will be designated by the Office of the Dean of Student Affairs. The organizational contact of the event must be present during the entire event as a point of contact for the director of the student union or designee.

8. The sponsoring organization is responsible for ensuring that all university policies are strictly obeyed. These guidelines do not override existing university policies, but rather, these guidelines should be used in conjunction with any and all other university policies.

9. Appropriate precautionary measures must be in place to ensure that alcoholic beverages are not served to persons under the legal drinking age. These measures include having a designated individual, as deemed by the Office of the Dean of Student Affairs, screening people entering the event and attaching a bracelet or stamp indicating those of legal drinking age. At any time during the event, the screening individual has the option to decline identification provided by an individual. The entire staff working the event has the right to refuse service to individuals deemed as having enough alcohol before or during the event.
10. Under no circumstances should anyone be coerced to drink alcohol. All drinking games, contests, or events that encourage excessive drinking are prohibited. The sponsoring organization is responsible for ensuring that all NSU policies and procedures are strictly obeyed.

11. It shall be at the discretion of the Office of the Dean of Student Affairs whether to make arrangements and pay for any security needs necessary based on the specifics of the event and the number of estimated attendees.

12. Violations of these guidelines during the event may result in the closing of the event. All individual violations will be referred to the Office of the Dean of Student Affairs for review. The university can take disciplinary actions as a result of violations of these guidelines.

Abuse/Physical Assault
Nova Southeastern University has expectations of the student body to resolve differences in a mature and respectful manner. Physical abuse, verbal abuse, threats, intimidations, coercion, and/or other conduct that threatens or endangers the health, safety, and/or welfare of any other member of the university community on or off campus is prohibited.

Acceptance of Professional Fees
The activities of students in any other profession, position, or vocation are not to be construed as the practice of medicine, optometry, pharmacy, occupational therapy, physical therapy, physician assistance, dentistry, public health, law, psychology, counseling, nursing, audiology, and/or education. It is a violation of the law and contrary to the policy of this university for any unlicensed person to engage in the professional practice of health care, law, psychology, audiology, and/or education. Students who are appropriately licensed in a profession may engage in that professional work to the extent provided by the law. (Students of the College of Osteopathic Medicine are required to comply with the College of Osteopathic Medicine's policy and procedure regarding professional work while enrolled.)

Arson
No student shall commit or aid in the intentional commission of an act that results in a fire being ignited, which causes damage, or is intended to cause damage, to the property of the university or the personal property of any member of the university community.

Bomb Threats
The placement of a bomb threat is an intolerable violation of university policy, which will result in expulsion from the university.

Breaking and Entering
The entering, or attempt to enter, any room, building, motor vehicle, or other form of property without proper authorization or consent is prohibited.
Campus Security Report
Nova Southeastern University, through the Public Safety Department, annually publishes the Campus Safety and Traffic Handbook, which includes security policies, procedures, practices, and statistics for offenses. Information is also available on the NSU public safety Web site at www.nova.edu/cwis/pubsafety.

Cellular Phone Policy
The university recognizes the growing trend regarding student possession of cellular phones with video, camera, or voice recording capabilities. In support of each individual's reasonable expectation of privacy, the copyright and intellectual property laws, the use of these cellular phone features by NSU students must be in conjunction with express consent. Students are expressly forbidden to use camera or voice recordings without the express consent of the subject(s) being photographed or recorded. Any student whose use of their cellular phone violates another's reasonable expectation of privacy or produces any media as a result of the cellular phone capabilities without express consent may be found in violation of this policy. Violations of this policy may lead to disciplinary action that may result in confiscation of the cellular phone and referral to Student Affairs as a violation of the NSU Code of Student Conduct. Students are instructed to refer to their center's or college's individual program policies regarding cellular phone use and possession, because additional restrictions may apply.

Closing Hours
No student is permitted to enter or remain in any university building or facility, including the swimming pool, or in the academic areas of the university, after normal closing hours, unless written approval to do so has been obtained in advance from authorized university personnel.

Complicity
Students associated with, or present during, the commission of an act(s) by another, which constitutes a violation of university policy, may also be charged if the student's behavior constitutes permission, contributes to, or condones the violation.

Computers
The following five sections detail NSU policy related to the use of computers, email, and the Internet.

Acceptable Use of Computing Resources
The following policy is also available at www.nova.edu/common-lib/policies/aucr.policy.html.

This policy provides guidelines for the appropriate and inappropriate use of the computing resources of Nova Southeastern University. It applies to all users of the university's computing resources including students, faculty and staff members, alumni, and guests of the university. Computing resources include all computers, related equipment, software, data, local area networks, and listserves for which the university is responsible as well as networks throughout the world to which the university provides computer access.
The computing resources of Nova Southeastern University are intended to be used for its programs of instruction and research and to conduct the legitimate business of the university. All users must have proper authorization for the use of the university's computing resources. Users are responsible for seeing that these computing resources are used in an effective, ethical, and legal manner. Users must apply standards of normal academic and professional ethics and considerate conduct to their use of the university's computing resources. Users must be aware of the legal and moral responsibility for ethical conduct in the use of computing resources. Users have a responsibility not to abuse the network and resources, and to respect the privacy, copyrights, and intellectual property rights of others.

In addition to the policy contained herein, usage must be in accordance with applicable university policies (see Related policies listed at the end of this section) and applicable state and federal laws. Among the more important laws are the Florida Computer Crimes Act, the Federal Computer Abuse Amendment Act 1994, the Federal Electronic Communications Privacy Act, and the U.S. Copyright Act. Copies of these laws and the NSU copyright policy may be examined in the Office of Academic Affairs.

Policy violations generally fall into five categories that involve the use of computing resources:
1. for purposes other than the university's programs of instruction and research and the legitimate business of the university
2. to harass, threaten, discriminate, stalk, intimidate, or otherwise cause harm or attempt to cause harm to specific individuals or classes of individuals
3. to impede, interfere with, impair, or otherwise cause harm to the activities of others
4. to download, post or install to university computers, or transport across university networks, material that is illegal, proprietary, in violation of license agreements, in violation of copyrights, in violation of university contracts, or otherwise damaging to the institution
5. to recklessly, willfully, negligently, or maliciously interfere with or damage NSU computer or network resources or computer data, files, or other information

Examples (not a comprehensive list) of policy violations related to the above five categories include:
• using computer resources for personal reasons
• using computer resources to invade the privacy of another
• sending email on matters not concerning the legitimate business of the university
• sending an individual or group repeated and unwanted (harassing) email or using email to threaten someone
• accessing, or attempting to access, another individual's data or information without proper authorization (e.g. using another's computing account and password to look at their personal information)
• creating a false email address
• propagating electronic chain mail, pyramid schemes or sending forged or falsified email
• obtaining, possessing, using, or attempting to use someone else's password regardless of how the password was obtained
• copying a graphical image from a Web site without permission
• posting a university site-licensed program to a public bulletin board
• using illegally obtained licensed data/software, or using licensed data/software in violation of their licenses or purchase agreements
• releasing or threatening to release a virus, worm, or other program that damages or otherwise harms a system, network, or data
• preventing others from accessing services
• attempting to tamper with or obstruct the operation of NSU's computer systems or networks
• using or attempting to use NSU's computer systems or networks as a means for the unauthorized access to computer systems, networks, or data outside the university
• viewing, distributing, downloading, posting or transporting child or any pornography via the Web, including sexually explicit material for personal use that is not required for educational purposes
• using university resources for unauthorized purposes (e.g. using personal computers connected to the campus network to set up Web servers for illegal, commercial, or profit-making purposes)
• violating federal copyright, intellectual property, and/or trademark laws or the NSU copyright, intellectual property, and/or policy

Inappropriate conduct and violations of this policy will be addressed by the appropriate procedures and agents (e.g., the Office of the Dean, the Office of the Vice President for Academic Affairs, the Office of Human Resources) depending on the individual's affiliation to the university. In cases where a user violates any of the terms of this policy, the university may, in addition to other remedies, temporarily or permanently deny access to any and all NSU computing resources, and appropriate disciplinary actions may be taken, up to and including dismissal.

Computing Account Security Agreement
Nova Southeastern University (NSU) has adopted the following Computing Account Security Agreement, which outlines your responsibilities for securing and using an official NSU computing account. Use of an NSU computing account requires your acceptance of the policy terms and conditions stated below.

1. You must agree to abide by the NSU Policy on Acceptable Use of Computing Resources, which can be found online at www.nova.edu/common-lib/policies.
2. You must not share your account with other individuals for any reason. Your computer account is to be used only by you.
3. The password to your account must be kept secure. Commit your password to memory. You may change your password at any time. Always choose a password that is difficult to guess. Your password must be eight characters in length and contain a combination of both letters and numbers. It must not be any word that can be found in a dictionary. Choose a password that is meaningful to you but not obvious to others. Examples of acceptable passwords are: 29py94ju, as76df98, 98df7gh6.
4. NSU computer systems will monitor your password on a regular basis. If your password is guessed by the system, you will be notified by electronic mail. If you receive such notification, immediately change your password to prevent anyone from tampering with your account.

5. NSU is not responsible for the loss of any files, documents or electronic mail you may store online. It is your responsibility to make backups of your files.

6. If you do not access your account for a period of six months, it will be deleted from the system.

7. Inappropriate conduct and violations of this agreement will be addressed by the appropriate procedures and agents (e.g., the Office of the Dean, the Office of the Vice President for Academic Affairs, or the Office of Human Resources) depending on the individual's affiliation to the university. In cases where a user violates any of the terms of this agreement, the university may, in addition to other remedies, temporarily or permanently deny access to any and all NSU computing resources, and appropriate disciplinary actions may be taken, up to and including dismissal.

Access to NSU Online Systems
The following policy is also available at www.nova.edu/common-lib/policies/isp.policy.html.

In order to access the university's computing resources, all NSU students must provide their own Internet access service through a suitable Internet service provider.

Electronic Mail Communications
The following policy is also available at www.nova.edu/common-lib/policies/emailcomm.policy.html.

NSU requires students and faculty and staff members to hold and maintain one official university computer account that is used to access major computing resources, including electronic mail. These university-assigned computer accounts correspond directly to NSU email addresses (see below). All official electronic mail communications directed to NSU students and faculty and staff members will be sent exclusively to NSU-assigned computer accounts to ensure timely and accurate delivery information. NSU students may forward their NSU generated email to external locations, but do so at their own risk.

Relationship between NSU computer account and email address:

If your assigned computer account name is janedoe ...

Your email address will be janedoe@nsu.nova.edu

Note: A computer account may also be referred to as an email name or a username.

Web Pages—Use of Material
The following policy is also available at www.nova.edu/common-lib/policies/copyright.html.

You should assume that materials you find on the Web are copyrighted unless a disclaimer or waiver is expressly stated. You may not place any materials owned by others (i.e., copyrighted works) on your Web pages(s) without the expressed permission of the copyright owner (examples: graphic images from other Web pages, articles, video, audio, photographs, software, or images scanned from published works). You may include short quotations of text provided you identify in an obvious way (e.g., in a footnote) the author and the work from which the quotation is taken. If you want to include something from another Web page in one of your Web pages, then link to it rather than copy it. The occurrence of plagiarism on your Web page is subject to the same sanctions as apply to plagiarism in any other media. Images in the NSU graphics repository may be used on Web pages.
without permission. Clip art images provided with licensed software may be used if permitted in the license agreement for such software. You may not place any pictures or videos of people on a Web page without the expressed permission of the people in the picture or video. Every person has the right to privacy, which includes the right to restrict the use of his/her own image. In addition, the picture or video may be protected by copyright.

If you have received formal permission to use material owned by another, place the following notice on the page that contains the copied material: Copyright 2005 by (name of the copyright owner). Used with permission.

Although a copyright notice is not required to assert your rights to your own original material, you may want to include a minimal notice of copyright in a Web page footer when appropriate. When used, the copyright notice should appear as follows:

- Web pages:

Consensual Relations Between Faculty Members and Students
At Nova Southeastern University, romantic and sexual relationships between a faculty member and a student are subject to the prohibition against sexual harassment.

Romantic or sexual relationships between a faculty member and a student then enrolled in the faculty member's class (including supervised student activities for which academic credit is given) may appear to be coercive, and are prohibited. Even when no coercion is present, such relationships create an appearance of impropriety and favoritism, which can impair the academic experience of all students in that class. It is, therefore, improper conduct and prohibited for a faculty member to engage in a romantic or sexual relationship with a student then enrolled in the faculty member's class.

Contracting on Behalf of the University
Unless specifically authorized by the appropriate university authority, students may not contract on behalf of the university. Students who attempt to, or enter into, a contract on behalf of the university without proper authorization, are subject to disciplinary action that will result in a hold being placed on university records and transcripts until restitution is made, as well as such other sanctions as may be appropriate. Any contract entered into on behalf of the university by a student without proper authorization is void.
Disabilities

Nova Southeastern University complies with Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act (ADA) of 1990. No qualified individual with a disability shall be excluded from participation in, be denied the benefits of, or be subjected to discrimination in any activity, service, or program of the university solely by reason of his or her disability. Each qualified individual with a disability who meets the academic and technical standards required to enroll in and participate in Nova Southeastern University's programs shall be provided with equal access to educational programs in the most integrated setting appropriate to that person's needs through reasonable accommodation.

At the postsecondary level, it is the student's responsibility to initiate the process for disability services. The process for obtaining a reasonable accommodation is an interactive one that begins with the student's disclosure of disability and a request for a reasonable accommodation. The student has the responsibility to provide Nova Southeastern University with proper documentation of disability from a qualified physician or clinician who diagnoses disabilities and sets forth the recommended accommodations.

Student requests for accommodation will be considered on an individual basis. Each student with a disability should discuss his or her needs with the disability service representative in his or her academic center, college, or school before the commencement of classes. For the name and contact information of the disability support services representative at your academic center, college, or school, contact the university ADA coordinator, Arlene Giczkowski, director of student disability services, at (954) 262-7189.

Academic Accommodation(s) Process

Requests for accommodation must be made in writing to the disability service representative in the student's academic center, college, or school and must be supported by appropriate documentation of recent medical, psychological, or educational assessment data administered and evaluated by a qualified professional. If the student disagrees with the accommodation(s) proposed by the disability service representative in consultation with the appropriate program director and/or faculty member, he or she may appeal the decision through that center's, college's, or school's appellate process. If the issue cannot be satisfactorily resolved at the center, college, or school level, the student may appeal in writing no later than 10 days after the final decision to the university's Academic Accommodation Appellate Committee, which consists of the university's ADA coordinator and representatives from at least four different academic centers, colleges, and/or schools. The student will be given the opportunity to present his or her appeal in an appearance before the committee. The committee will also review all relevant documents submitted with the written appeal before rendering a decision. The student will be notified in writing of the committee's decision within a reasonable amount of time of the hearing. The decision of the university's Academic Accommodation Appellate Committee is final and binding upon the student without further appeal.

Academic Accommodation Appellate Committee Guidelines

1. Upon receipt of a notice of appeal, the ADA coordinator shall schedule a meeting of the committee at a time and place convenient to the student and to the committee members.
2. The student shall have the opportunity to present relevant documents for review by the committee.
3. The student shall be given the opportunity to personally meet with the committee and to present his or her appeal.
4. Proceedings of the committee shall be kept in strict confidence.
The following are prohibited in all committee meetings:

- any recording of the meeting, except official minutes
- legal counsel
- uninvited guests

In reaching its decision, the committee may consult with recognized experts in the field of disabilities and/or organizations such as the Association of Higher Education and Disability. The student shall be notified in writing of the decision of the committee within a reasonable amount of time of the committee meeting. All decisions of the committee are final and binding on the student without further appeal.

Facility and Grounds Accommodation(s) Process

Students requesting an accommodation involving modification to a facility or the grounds of the university must meet with the ADA coordinator—the director of student disability services—to discuss their specific needs. Requests for accommodation must be made in writing to the ADA coordinator and be supported by the appropriate documentation of recent medical, psychological, or educational assessment data administered and evaluated by a qualified professional. Requests for an accommodation involving modification to a facility or grounds of the university will be considered on an individual basis. When considering the request, the ADA coordinator will consult with the director of the specific facility (e.g., residential life and housing) involved in the request for accommodation and the director of facilities management.

If the student disagrees with the facility or grounds accommodation proposed by the ADA coordinator, he or she may appeal in writing no later than 10 days after the decision to the Facility and Grounds Accommodation Appellate Committee, which consists of the university associate dean of student affairs, vice president of facilities management or his/her designee, and a disability service representative from at least three different academic centers, colleges, and/or schools. The student will be given the opportunity to present his or her appeal in an appearance before the committee. The committee will review all relevant documents submitted with the written appeal before rendering a decision. The student will be notified in writing of the committee’s decision within a reasonable amount of time of the hearing. The decision of the university’s Facility and Grounds Accommodation Appellate Committee is final and binding upon the student without further appeal.

Facility and Grounds Accommodation Appellate Committee Guidelines

1. Upon receipt of a notice of appeal, the associate dean of student affairs shall schedule a meeting of the committee at a time and place convenient to the student and to the committee members.
2. The student shall have the opportunity to present relevant documents for review by the committee.
3. The student shall be given the opportunity to personally meet with the committee and to present his or her appeal.
4. Proceedings of the committee shall be kept in strict confidence.

The following are prohibited in all committee meetings:

- any recording of the meeting, except official minutes
- legal counsel
- uninvited guests

In reaching its decision, the committee may consult with recognized experts in the field of disabilities and/or organizations such as the Association of Higher Education and Disability. The student shall be notified in writing of the decision of the committee within a reasonable amount of time of the committee meeting. All decisions of the committee are final and binding on the student without further appeal.
Discriminatory Conduct

Discriminatory conduct based on such factors as race, color, religion or creed, sex, national origin, disability, age, ancestry, marital status, sexual orientation, pregnancy, unfavorable discharge from the military, veteran status, or political beliefs, including but not limited to, violations under all federal and state laws, rules, regulations, and/or acts including, but not limited to, Title VII, Title VI, Title IX, Title II, Title III, Americans with Disability Act and the Rehab Act are unacceptable and prohibited in the university. In the event a student feels discriminated against by another student, an NSU faculty or staff member, or an employee, the student should contact the appropriate academic center representative or the university Title IX coordinator, Gay Holliday, associate dean of student affairs, at (954) 262-7280. Students may also want to refer to the NSU Grievance Procedures for Nonacademic Disputes.

Drug-Free Schools and Campuses

In order to comply with the Drug-Free Schools and Communities Act (Pub. L. No. 101-226, Title 34 C.F.R., part 86), Nova Southeastern University has adopted the following policy for all workplace, school, campus, and field-based programs.

The unlawful manufacture, distribution, dispensation, possession, or use of illicit drugs and the abuse of alcohol are prohibited in and on property owned or controlled by Nova Southeastern University and as a part of any of its activities (see Controlled Substances Chart in Appendix A).

The term “illicit drugs” refers to all illegal drugs, and to legal drugs obtained or used without a physician’s order. This policy does not prohibit the use of prescribed medication under the direction of a physician. No Nova Southeastern University student or employee is to report to work or school while under the influence of illicit drugs or alcohol. Possession of paraphernalia for illegal drug use, or taking a prescription that does not belong to you, are also prohibited.

There are serious health risks associated with the abuse of drugs and alcohol. If you, a fellow student, teacher, or coworker has a problem with abuse of drugs and/or alcohol, help can be provided at the following locations:

When a student uses or deals in drugs, he or she also risks incarceration and/or fines. The attached federal sentencing guidelines indicate federal penalties for trafficking in drugs. In addition to the federal sanctions, Florida state statutes provide sanctions in regard to the use, possession, and/or sale of illicit drugs and the abuse of alcohol. Punishment varies depending on the amount and type of drugs and/or alcohol involved. Felony convictions range from one year to life imprisonment.
Possession of not more than 20 grams of cannabis is punishable as a misdemeanor of the first degree. Punishment for misdemeanors ranges from less than 60 days to one-year imprisonment.

Under Sec. 893.13, Florida Statutes: It is unlawful for any person to sell, manufacture, deliver, or possess with intent to sell, manufacture, or deliver a controlled substance. Violation of this statute is a felony and is punishable under Chapter 775 of the Florida Statutes.

Under Sec. 893.13 (1) (c), Florida Statutes: It is unlawful for any person to sell, manufacture, deliver, or possess with the intent to sell, manufacture, or deliver a controlled substance in, on, or within 1,000 feet of a public or private elementary, middle, or secondary school. Punishment for a violation of this statute may include a minimum three-year imprisonment.

Under Sec. 316.1936, Florida Statutes: It is unlawful for any person to possess an open container of an alcoholic beverage or consume an alcoholic beverage while operating a vehicle in the state or while a passenger in or on a vehicle being operated in the state. Violation of this law will result in a noncriminal moving traffic violation, punishable as provided in Chapter 318 of the Florida Statutes, with fines and points on a driving record leading to driver's license suspension.

Under Sec. 316.193, Florida Statutes: A person is guilty of driving under the influence (DUI) if such a person is driving or in actual physical control of a vehicle within the state and the person is under the influence of alcoholic beverages or any controlled substance when affected to the extent that his or her normal faculties are impaired or the person has a blood alcohol level of .08 percent or higher. First conviction on such a DUI charge will result in a fine not less than $250 or more than $500 and imprisonment for not more than six months. A second conviction results in a fine of not less than $500 or more than $1,000 and not more than nine months imprisonment. A third conviction will result in not less than a $1,000 fine or more than a $2,500 fine and imprisonment for not more than 12 months.

By applying for a driver's license and accepting and using a driver's license, a person holding the driver's license is deemed to have expressed consent to submit to breath, blood, and urine tests for alcohol, chemical substances, or controlled substances.

Any Nova Southeastern University student determined to have violated this policy will be subject to referral for prosecution by the appropriate authorities. Other sanctions include evaluation/treatment for drug-use disorder, which may include mandatory completion of a drug/alcohol abuse rehabilitation program, and/or other university sanctioning, which may include expulsion.

All Nova Southeastern University students will, as a condition of their enrollment, abide by the terms of this policy.

**Drug Policy—Zero Tolerance**

Any student found in violation of the drug-free schools and campuses policy with regard to the unlawful manufacture, distribution, dispensation, possession, or use of illicit drugs or alcohol will face serious university disciplinary action, which may include expulsion from the university (see Controlled Substances Chart in Appendix A).

**Emergency Situations**

To report an on-campus emergency situation from an on-campus phone, contact the police at 9-911 and public safety at extension 8999. If calling from off campus, dial the police at 911 and public safety at (954) 262-8999.
Failure to Comply

All students and guests of NSU are expected to comply with the directives or reasonable requests of university officials acting in the performance of their duties. This requirement includes reasonable requests for students to meet appointments in administrative offices; participation in administration and/or judicial proceedings; and the compliance by the stated deadline with all the terms and conditions of all disciplinary sanctions. Administrative discretion may be used to place a hold on a student's account (registration, grades, etc.) if the student fails to comply with the directions of a university official.

False Information

Providing false or misleading information to the university or a university official, or to a local, state, or national agency or official is a violation of the Code of Student Conduct and Academic Responsibility subjecting a student to disciplinary action up to and including expulsion or rescission.

Falsification of Records

Falsification of university records is prohibited. University records include, but are not limited to, admission, enrollment, registration, financial aid, student disciplinary, academic, health records, parking decals/hang tags and student employment records.

Inappropriate conduct and violations of this policy will be addressed by the appropriate procedures and agents (e.g., the Office of the Dean, the Office of the Vice President for Academic Affairs, or the Office of Human Resources) depending on the individual's affiliation with the university. In cases where a student violates any of the terms of this policy, the university will take appropriate disciplinary actions, up to and including expulsion.

Fire Safety

Unnecessarily setting off a fire alarm; unnecessarily tampering with fire hoses, extinguishers, exit signs, and alarm equipment; or blocking fire exits and other means of impeding traffic may result in immediate university disciplinary action and criminal prosecution. Failure to evacuate any building on campus during a fire alarm is also prohibited.

Fraud

Any act or statement (written or oral) containing false, incomplete, or misleading information intended to deceive or misrepresent any agency of the university or any person or business is prohibited.

Gambling

Gambling may include, but is not limited to, wagering on or selling pools on any athletic or other event; possessing on one's person, premises (e.g., rooms, residence unit, car), or in a computer account or electronic format, any card, book, or other device for registering bets; knowingly using or permitting the use of one's premises or one's telephone or other electronic communication device for illegal gambling; knowingly receiving or delivering a letter, package, or parcel or electronic or telephonic communication related to illegal gambling; or playing or engaging in any game, at any place, by any device whatever for money or other thing of value. Students found in violation of the prohibition against gambling may be subject to disciplinary action up to and including dismissal.
**Grievance Procedures for Nonacademic Disputes**

This process should be followed for all nonacademic grievances of policies/procedures that are not governed by a specific academic center, program, college, or school. Academic grievances should be referred to the student's academic center. The purpose of these grievance procedures is to promote the orderly resolution of problems arising out of a student complaint concerning a policy, procedure, or administrative action of Nova Southeastern University. Grievances can often be adversarial, unpleasant, and unsatisfying, so we recommend that students discuss problems before resorting to the formal grievance steps. When formal grievance steps are perceived as necessary, students have a right to a fair process and hearing without retribution.

1. First, the student should attempt to resolve an issue in dispute at the level at which the dispute occurred. This attempt must be in writing (i.e., email, regular mail, or fax). The student may wish to use certified mail to verify receipt of the correspondence. In the correspondence, the student must present a rationale for his or her position based on factual information.

2. The student will receive a reply, in writing, which addresses the complaint.

3. If the reply is not acceptable, the student is encouraged to submit the complaint in writing to the associate dean of student affairs. The associate dean of student affairs will attempt to resolve the dispute.

4. If the associate dean is unable to resolve the dispute, he or she will notify the student and the dean of student affairs in writing.

5. The student may then appeal in writing to the dean of student affairs.

6. The dean will investigate and review the findings, and will notify the student in writing of his or her decision.

7. The dean's decision is final and binding and cannot be appealed.

**Guests**

Students are welcome to bring guests to the campus, but must assume responsibility for the conduct of their guests and must accompany them at all times. If a guest is asked to leave a specific area of campus, it is the responsibility of the student host to cooperate with the university official making the request. The university reserves the right to exclude all guests from any area on campus in times of impending or actual crises or emergencies, such as hurricanes, campus disruptions, or bomb threats, and to exclude any guest(s) from any area of the campus for any reason the university deems appropriate.

**Health Policies**

**Communicable Diseases Guidelines**

It is the intent of the university to protect students from communicable diseases that pose reasonable risk of harm to members of the university community. It is also the intent of the university to protect the rights of those infected with a communicable disease. Students who do become infected with a communicable disease must report the contacting of the disease to their program dean and the associate dean of student affairs and are subject to the guidelines listed below. The university will be flexible in its response to incidents of communicable diseases, evaluating each occurrence in light of this policy and current available medical information.

- NSU will make available to the university community detailed information concerning the transmissibility of communicable diseases and precautions that can be taken to prevent the spread of various communicable diseases.
Infected students can continue to study and work as long as they are able to continue to perform regular responsibilities satisfactorily, and as long as the best available medical evidence indicates that their continual status does not present a health or safety threat to themselves or others.

An infected student returning to school after a leave of absence for reasons related to a communicable disease must provide a statement from the treating physician indicating current medical status. Students should submit their statement to their program dean or appropriate designee based on the policies of their respective college, school, or center, and the associate dean of students.

Within reason, the university will make accommodations to the infected person, whenever possible, to ensure continuity in the classroom.

No infected student may be dismissed from the university solely on the basis of a diagnosis of an infection of a contagious disease. A decision to dismiss or discharge will only be made after reasonable accommodation has been attempted, and an examination of facts demonstrates that the infected person can no longer perform essential requirements of the position or program, or poses a reasonable threat to the health and safety of others.

In the event that a student has a concern about the potential for the spread of a communicable disease within the university community, those concerns should be brought to the Office of the Dean of Student Affairs for review consistent with the current available information on the spread of the particular communicable disease. After review and evaluation of the concerns, if there appears to be a reasonable likelihood of the spread of the disease within the university community by an infected person, the Office of the Dean of Student Affairs will, after notification of the issues presented to the university president, contact the Centers for Disease Control and Prevention and/or Broward Health Department for recommendations of appropriate action consistent with state law.

Immunization Requirements

Health Professions Division (HPD) students: See center specific policies.

All residential (residing in campus housing) students must satisfy the following requirements, if they were born after January 1, 1958. The required documentation of vaccinations shall include the following:

1. Meningococcal meningitis
2. Hepatitis B: You must show proof of one of the following:
   - immunization with three doses of hepatitis B vaccine
   - blood test showing the presence of hepatitis B surface antibody
3. Measles (rubella): You must show proof of two of the following:
   - immunization with two doses of measles vaccine, the first given on or after the first birthday, the second given at least 30 days after the first, and BOTH in 1958 or later
   - blood test showing the presence of the measles antibody
   - a written, dated statement signed by a physician on his/her stationery stating the date you had the disease
4. Rubella (German measles): Having had the rubella disease is NOT acceptable proof—you must show proof of one of the following:
   - one dose of rubella vaccine on or after the first birthday, and in 1969 or later
   - blood test showing the presence of the rubella antibody
5. MMR Combined Proof of Immunization
   • the MMR combined (measles, mumps, and rubella). This may be given instead of individual immunizations.
   • One dose of the MMR vaccine on or after the first birthday, the second dose must be at least 30 days after the first, and both must be in 1968 or later

Exemptions or waivers may be obtained at the university's discretion if the individual is 18 years of age or older, or the individual's parent, if the individual is a minor, declines the vaccinations by signing a separate waiver provided by the institution for each of these vaccines, acknowledging receipt and review of the information provided. Exemptions will not necessarily be accepted by the student's program center. Other students may be subject to the immunization requirements in order to participate in clinical or practicum studies. Students are advised to consult with their program to determine whether the refusal will affect their ability to continue their studies.

Immunization requirements are based on Florida state health regulations. Valid exemptions from providing immunity:
   • Medical exemptions—Must produce a letter from a doctor, signed on his/her stationery, stating the reason for exemption and whether it is a temporary or permanent exemption
   • Religious exemptions—On church stationery, signed by a minister, priest, rabbi, or head of church

Acceptable forms of documentation—The following documents are acceptable proof of immunity of measles and rubella. Forms must include specific dates, and the dates must satisfy the requirements stated previously.
   • HRS (Department of Health and Rehabilitative Services)
   • Childhood immunization records
   • School immunization records
   • Military service records
   • Document indicating blood tests

Health Insurance
Nova Southeastern University requires all undergraduate day students and residential on-campus students to have some form of health insurance. Federal visa regulations also require international J-1 students and their J-2 dependents to maintain adequate health insurance throughout their stay in the United States.

If you are not currently insured, or your plan does not provide adequate coverage in South Florida, you are required to enroll in the Nova Southeastern University Student Health Insurance Plan. If you currently maintain comparable coverage that is greater or equal to that of NSU's policy, you must show proof of this coverage to the student health manager.

All other registered students enrolled at Nova Southeastern University taking credit hours are eligible to enroll in the student health insurance plan on a voluntary basis.

Should you have any questions regarding the student health insurance plan, please feel free to contact the student health manager at (954) 262-4055.
Hurricane Procedures

A hurricane watch is a governmental agency announcement issued for an area when there is a threat of hurricane conditions, generally to strike within 36 hours.

A hurricane warning is an announcement issued for an area when hurricane conditions are expected to strike within 24 hours.

When a hurricane warning is received, all protective preparations should be made, with the expectation that the hurricane will strike.

Nova Southeastern University provides a 24-hour "Hurricane Hotline" for this type of emergency. The hotline number is (954) 262-7300.

Local hurricane shelter information can be obtained through county governmental information telephone numbers. For Broward County shelter information, contact Broward County Emergency Preparedness at (954) 357-8250.

Hurricane Watch

In the event of a hurricane watch, the university president will confer with members of NSU administrative staff in preparation for hurricane protection activity.

Members of the university community may begin plans for evacuating the campus and preparing facilities and equipment for hurricane protection.

Hurricane Warning

If a hurricane warning is issued, the university president will decide if the university will be evacuated.

If the president orders the closing of the university, the appropriate directives will be relayed by the vice presidents to their areas of responsibility.

NSU Office of Public Affairs will contact major news organizations for immediate broadcast notification.

Closing Preparation for Residence Halls

- Pull all furniture away from windows. Expect water damage and flooding.
Place loose articles and electronic items away from windows and onto closet shelves and in dresser drawers; lock doors.

- Those students who reside in rooms that are equipped with bathtubs are requested to clean the tub and fill it halfway with water. Fill several small containers with clean, fresh water for drinking purposes.

- All windows must be closed tightly. If window blinds are provided, the blinds should be down and closed.

- Do not tape window glass.

- Students should provide their own flashlights and radios, with extra batteries.

- Candles are not allowed. Do not use candles because they are a fire hazard.

- Residents should provide themselves with an adequate supply of nonperishable foods and water to last two or three days.
Safety Procedures
- Follow instructions of public safety officers and emergency personnel.
- Residence hall students: follow the instructions of residential life staff.
- Stay indoors until advised to exit.
- Do not open windows or doors to see what is happening outside.
- Beware of the eye of the storm. The eye is the center of the hurricane, which may bring a temporary period when the air may be calmed. Do not leave your safety or shelter until advised by public safety or the local officials. Residential students will be notified by residential life staff.
- When the “all-clear” is given, exit your location with extreme care.
- Beware of electrical wires, broken glass, and falling or fallen objects.
- Do not enter structures, vehicles, or areas that are damaged; many people are killed after a storm by electrocution.
- For NSU opening information, call the NSU Hurricane Hotline at (954) 262-7300.
- Enter NSU property only after permitted, and follow safety instructions.

Broadcast Information
An email message regarding the university closure will be instituted within the NSU email system. The NSU telephone central switchboard will also be available for direct information.

Reopening Information
University staff members and students should tune into radio and television stations for a status report as to when the university will reopen.

Keep a portable radio and plenty of spare radio batteries.

Reopening Confirmation
For reopening information, please call the NSU Hurricane Hotline at (954) 262-7300. NOVALERT is part of NSU’s public safety program that includes safety, security, protection, and service. For other nonemergency information, services, or reporting, call the public safety office at (954) 262-8999. For additional information visit their Web site at www.nova.edu/cwuis/pubsafety.

Identification Cards
The SharkCard is the official Nova Southeastern University identification card. All students and faculty and staff members affiliated with the university are required to carry the SharkCard at all times while on campus and to present their identification cards when requested by authorized university personnel. The SharkCard features a digitized photo, biometrics, SmartChip, and magnetic stripe.
The SharkCard is Nova Southeastern University’s single-card program that combines a multitude of features and uses, including the following:

- identification purposes
- library privileges
- building access
- vending machine usage
- pay-for-print
- copier usage
- meal plans
- laundry machine usage

This high-tech card has two embedded antennas that will allow access to various areas around campus, from parking garages to computer labs.

The SmartChip, located on the front of the card, has the capability to store prepaid values in increments of $1, $5, $10, or $20, directly on the card. You are able to add these increments at the NSU Card Office as well as Cash to Chip machines that are available in various locations throughout campus and on all floors of the Alvin Sherman Library, Research, and Information Technology Center.

The NSU Card Office is located in the University Center, Room 1202, and the HPD Card Office located in the Terry Building, room 1134. Please visit our Web site, www.nova.edu/nsucard for more information.

**Interference with University Investigations and Disciplinary Proceedings**

Interference with university investigations, administrative procedures, or disciplinary proceedings, or judicial proceedings such as those conducted by the Department of Public Safety, Office of the Dean of Student Affairs, Department of Residential Life, or any other university office authorized to conduct investigations or disciplinary proceedings is prohibited. This includes, but is not limited to, the use of force, threat of force, coercion, or promise of reward to any person or property of persons involved in university investigations or disciplinary proceedings. No person may, without authorization, examine, take possession of, alter, or destroy university investigations or destroy university records or evidence. Interference with university investigations, disciplinary proceedings, or records may result in disciplinary action.

In an effort to foster and provide an environment free from bias or prejudice for the parties involved, publication (verbal or written communication(s)) regarding any university investigatory, administrative, disciplinary, or judicial proceeding is prohibited, if the publication is deemed by the appropriate official overseeing the proceeding to compromise the impartiality and integrity of the proceeding.

Communication related to the proceeding will be limited to identified individuals using administrative discretion on a need-to-know basis.

**Jurisdiction of University Policies and Procedures**

Students must adhere to NSU policies and procedures on the main campus; at any other NSU site; or while participating in any university-sponsored program, event, or activity.
Lake Swimming
Swimming in any lake, canal, and/or body of water on the Nova Southeastern University campus is strictly prohibited and any violators of this policy will be subject to disciplinary action.

Life-Threatening Behavior
Nova Southeastern University recognizes that certain life-threatening behavior (e.g., suicide threats, gestures, or attempts; eating disorders; substance abuse; threats, gestures, or attempts to harm others) is a sign of personal distress. The university is committed to helping students alleviate whatever stress factors are precipitating life-threatening behavior by providing support and/or referral through use of appropriate resources. However, since it is critically important to maintain civility and respect for all members of the university community, it is recognized that action must be taken when such behavior is considered by the university to be disruptive to and unacceptable in the academic and social/living environment.

Littering/Projecting Objects
Students may not throw, discard, place, or deposit litter or project objects from university buildings or on university grounds except in receptacles provided for such purposes.

Misuse of Telephones
NSU students who misuse telephone lines or university accounts will be subject to disciplinary action and restitution.

Noise
The university noise policy is based on the belief that all students have a responsibility to respect the rights, health, security, and safety of other university and community members. Excessive noise that disturbs the campus environment, unless approved by the Office of the Dean of Student Affairs or designee for a special event, is not allowed. Students are held responsible for the actions of their guests.

Off-Campus Violations
The university reserves the right to take disciplinary action for violations of the Code of Student Conduct and Academic Responsibility and university policies and procedures, even when they occur off campus.

Parent/Legal Guardian Notification
University personnel may use administrative discretion in parental or legal guardian notification in writing and/or by phone of a student under 21 years of age when alcohol or drug violations of the university occur or when a student's welfare is at issue.

Parking and Traffic Policies
- In order to park a motor vehicle on campus in any university parking area, the vehicle must be registered with the university, and a parking permit must be properly displayed.
• All administrators, faculty members, staff members, students, and visitors must register vehicles to be driven or parked on campus.
• All administrators, faculty members, staff members, students, and visitors are responsible for any violations of these regulations in which their vehicle is involved.
• Motorcycles, motor scooters, and mopeds are subject to the regulations governing automobiles.
• The Public Safety Department is authorized to designate any spaces as temporary reserved parking.
• Abandoned vehicles are subject to towing at the owner's expense, unless the owner notifies the Public Safety Department in writing at the time the vehicle becomes disabled. The executive director of public safety will determine whether a disabled vehicle is allowed to remain on campus.
• Vehicle repairs that create a nuisance are not permitted on campus. Any property damage caused by the making of any repairs is the responsibility of the person making such repairs.
• Trailers or mobile campers are allowed to be parked on campus only with written permission from the executive director of public safety.
• The maximum speed on any NSU driveway or roadway excluding those owned and managed by the town of Davie, Broward County, or the state of Florida is 15 miles per hour or less.
• All vehicle operators must obey public safety and police direction and instructions regarding operating and parking motor vehicles.
• Nova Southeastern University assumes no liability for damages to any vehicle parked or driven on campus.

For additional information, please visit the public safety Web site at www.nova.edu/cwis/pubsafety.

Pets
No pets or animals, other than fish, are permitted on campus, including all residence halls, with the exception of service animals.

Privacy of Records (FERPA)

Several laws provide for significant safeguards for the protection of the privacy rights of students with respect to educational records and/or personally identifiable information. The applicable laws provide guidance regarding a student's right of privacy with respect to their educational records. Personally identifiable records or reports of a student and any personal information contained therein are to be maintained in a confidential manner that is consistent with university policy and procedure.

The Family Educational Rights and Privacy Act of 1974 (FERPA) protects the privacy of student education records and places certain limitations on the disclosure of personally identifiable information maintained by the university with respect to students and limits access to educational records, including the right to access, the right to inspect, the right to obtain copies, the right to seek correction of such records through informal and formal internal procedures, and the right to place a statement in such educational records explaining any information that he or she believes to be inaccurate or misleading.
The university has adopted a policy with respect to its educational records consistent with the requirements of FERPA and the regulations promulgated under the act.

NSU maintains a system of records that includes application forms, admission test scores, and transcripts of students' previous academic records and performance while in residence. These records are available for review by current students upon written request to the Office of the University Registrar. However, the registrar will not release transcripts of students' academic record until all accounts, both academic and nonacademic, have been paid.

The law limits access by and disclosure to a third party. Such access is given only upon consent of the student or if required by law, except for the following information, which may be released as directory information: (a) student's name, (b) address, (c) dates of attendance, (d) degree, honors, and awards received, (e) telephone numbers, (f) enrollment status, (g) major field of study, (h) year in school, (i) participation in sports, (j) anticipated graduation date, and (k) NSU email address. Requests for such information must be submitted in writing to the university. The university reserves the right to refuse to provide the above information if the reason for the request is not considered sufficient.

Any student or parent not wishing to have information disclosed must complete a Request to Prevent Disclosure of Directory Information form and submit it to the Office of the University Registrar before September 1 of the relevant school year.

A person does not have the right of access to educational records until he or she has been admitted to, and has actually begun attending Nova Southeastern University. There is no prohibition from disclosing such information to the parents of students who are listed on their parents' federal income tax forms.

Parents or eligible students will be provided a hearing by the university if they wish to challenge the content of the record. If they are still not satisfied, the parents or eligible students may add explanatory or rebuttal matter to the record.

If the students or parents are denied access to a hearing or if the records are alleged to have been illegally disclosed to a third party, the students or parents may file a complaint with the Family Policy Compliance Office (FPCO) charged with administering FERPA.

Procedure to Inspect Educational Records

Students may inspect and review their educational records upon request to the appropriate record custodian. Transcripts submitted to the university from prior schools become the property of NSU and can be reviewed, but copies cannot be released. Students should submit to the record custodian or an appropriate university staff member a written request that identifies as precisely as possible the record or records he or she wishes to inspect. The record custodian or an appropriate university staff person will make the needed arrangements for access as promptly as possible and notify the student of the time and place where the records may be inspected. Access must be given 45 days or fewer from the receipt of the request. When a record contains information about more than one student, the student may inspect and review only the record that relates to him or herself.

Right of University to Refuse Access

The university or division reserves the right to refuse to permit a student to inspect the following records:

- financial records of the student's parents, or any information contained therein
- letters and statements of recommendations concerning admission or employment for which the student has waived his or her right of access
- records connected with an application to attend university or component unit of the university if that application was denied
- those records that are excluded from FERPA definition of educational records.
Refusal to Provide Copies
The university reserves the right to deny transcripts or copies of records not required to be made available by the FERPA in either of the following situations:

• the student has an unpaid financial obligation to the university
• there is an unresolved disciplinary action against the student

Health Care Privacy (HIPAA) Statement
The Health Insurance Portability and Accountability Act of 1996 (HIPAA) requires health care providers to abide by the regulations for privacy and confidentiality of protected health information (PHI). The HIPAA privacy rule covers all individually identifiable health information at Nova Southeastern University health care centers whether the information is electronic, paper, or spoken.

Because NSU operates health care centers, it is responsible for enacting privacy policies and procedures. The various NSU colleges, schools, and educational programs have enacted policies for their health care centers. NSU health care center staff members, students, and faculty members are responsible for following the policies that have been implemented by the applicable NSU health care center.

In addition, the HIPAA privacy rule also requires that NSU provides education for health care center staff members, students, and faculty members. As such, all applicable NSU colleges, schools, and educational programs shall train their students rotating at NSU health care centers and other health care facilities in compliance with the requirements of NSU's HIPAA privacy policies and procedures, patient privacy and confidentiality practices, privacy laws, and the federal HIPAA privacy regulations.

NSU students and faculty members may also be subject to the HIPAA privacy policies and procedures enacted by the various health care facilities in which they train. It is the responsibility of the student and faculty member to familiarize himself or herself with these policies upon entering each facility.

Any questions concerning the policies can be directed to the privacy contact of your NSU health care center or the NSU privacy officer.

Public Laws
Students are responsible for compliance with all public laws. Any act that could constitute a violation of public laws will establish cause for legal and/or disciplinary action by the university.

Sexual Misconduct and Harassment
The following three sections relate to NSU policy and definitions of sexual misconduct and sexual harassment.

Sexual Misconduct Policy
NSU, in compliance with the spirit of various federal and state laws (e.g., Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Title VII of the Civil Rights Act of 1964, and other similar state and federal statutes or regulations), adopts the policy and fosters an environment where no individual may threaten the health, safety, and welfare of a member of the university community; or any person on university property; or at a university-sponsored or -supervised activity, through the commission of a sexual assault, engaging in sexual harassment, discrimination, battery, and/or misconduct, including acquaintance rape.
Definition: NSU acknowledges acquaintance rape in its definition of sexual assault. Acquaintance rape is defined as forced, manipulated, or coerced sexual intercourse by a friend or acquaintance. It is an act of violence, aggression, and power, in which the victim, under protest or without consent, is forced to experience a sexual act through verbal coercion, threats, physical restraint, and/or physical violence.

Consideration and rights to be afforded to all campus community members regarding the type of sexual assault:

a. the right to have all sexual assaults against them treated with seriousness; and the right, as victims, to be treated with dignity
b. the right to have sexual assaults committed against them investigated and adjudicated by the duly constituted criminal and civil authorities of the governmental entity in which the crimes occurred; and the right to the full and prompt cooperation and assistance of campus personnel in notifying the proper authorities
c. the right to be free from pressure that would suggest that the victims: (i) not report crimes committed against them to civil and criminal authorities or to the campus public safety and disciplinary official; or (ii) report crimes as lesser offenses than the victims perceive them to be
d. the right to be free from suggestions that sexual assault victims not report, or underreport, crimes because (i) victims are somehow responsible for the commission of crimes against them; (ii) victims were contributorily negligent or assumed the risk of being assaulted; or (iii) by reporting crimes, they would incur unwanted personal publicity
e. the right to the full and prompt, reasonable cooperation from campus personnel in responding to the incident
f. the right to have access to counseling services established by the university or other victim-service entities
g. after campus sexual assaults have been reported, the victims of such crimes shall have the right to require that campus personnel take the necessary steps or actions reasonably feasible to prevent unwanted contact with, or proximity to, alleged assailants
h. the right to be informed of disciplinary proceedings, as well as the outcome of such proceedings
i. the same right to assistance, or ability to have others present, that is afforded to the accused during any campus disciplinary proceedings

Disciplinary Action: In addition to any criminal or civil actions that may be pending or in process, the university reserves the right to pursue separate disciplinary action against any individual who violates any portion of this policy.

Education and Information: The university, through the departments of the Office of the Dean of Student Affairs, residential life, recreation and wellness, and public safety, provides educational and informational programs and materials regarding awareness of rape, acquaintance rape, and other sex offenses. This information is provided through scheduled and on-demand programs.

Nova Southeastern University students are encouraged to report to the police (9-911 on campus and 911 off campus), public safety (extension 8999 on campus and (954) 262-8999 off campus), and a university administrator all occurrences of sexual assault, either violent assault or acquaintance (date) rape. Professional staff members in the Office of the Dean of Student Affairs, residential life, student counseling, and public safety are among those who are trained and willing to assist students who are victims of sexual assault.
If the victim then reports the crime to an administrator, the following procedure will prevail.

- **Third-Party Reports:** When there is a report of sexual assault, the person receiving the report whether a student, faculty member, or staff member is encouraged, in turn, to report the incident to a student life and/or residential life administrator. If the person reporting that assault is a third party (not the victim), the administrator will do the following:
  a. advise the reporter to counsel the victim to seek medical assistance
  b. advise the reporter to encourage the victim to talk with a counselor from the Rape Center in Broward County, a staff counselor at the University Counseling Center, a student affairs and/or residential life administrator, the director of public safety, or some other university official
  c. protect the confidentiality of the victim (if name is known)

- **Victim Reports:** If a student who is a victim of sexual assault reports the matter to a university administrator or any other university employee, the administrator and/or employee will encourage the victim to seek immediate medical attention and assist the victim in appropriate methods and avenues to receive medical care. In reporting a sexual assault, the victim controls the process. The administrator and/or employee will encourage the victim to authorize notification of the University Public Safety Office (PSO) of the occurrence of the crime, and then to cooperate with PSO and student life and/or residential life and housing in reporting the matter to the rape victim advocate in the state attorney's office and to local police. The victim will be assured of university support including reasonable confidentiality, full cooperation with any police investigation, and counseling through the University Counseling Center and the Rape Crisis Center. If the victim authorizes the notification of PSO, the administrator and/or employee will inform the Office of the Dean of Student Affairs, which will assist as liaison with PSO.

**Harassment Statement**
Harassment is defined as any conduct (words or acts), whether intentional or unintentional or a product of the disregard for the safety, rights, or welfare of others, which causes physical, verbal, or emotional harm; or conduct which intimidates, degrades, demeans, threatens, hazes, or otherwise interferes with another person's rights to comfort and right to be free of a hostile environment. This includes, but is not limited to, loud or aggressive behavior; behavior that disrupts the orderly functioning of the university; disturbs the peace and/or comfort of person(s) on the campus of the university; creates an intimidating, hostile, or offensive environment. It also includes any conduct (words or acts) in which the university can determine a threat exists to the educational process or to the health or safety of a member of the NSU community.

**Sexual Harassment Policy**
It is the intent of Nova Southeastern University to protect all employees and students from sexual harassment. Sexual harassment is a violation of Title VII of the Civil Rights Act of 1964. Sexual harassment undermines the integrity of the employment and academic environment, debilitates morale, and interferes with the effectiveness of employees and students. In accordance with the Equal Employment Opportunity Commission's promulgated guidelines, unwelcome sexual advances, unwanted requests for favors of a sexual nature, and any other unwanted verbal or physical conduct of a sexual nature are considered sexual harassment if:

- explicit or implicit submission to sexual overtones is made a term or condition of employment or academic program status
- employment or academic program status decisions are made on the basis of whether submission to or rejection of sexual overtones occurred
• a sexually intimidating, hostile, or offensive atmosphere unreasonably interferes with an individual's work or academic program status performance

At Nova Southeastern University, sexual harassment of or by employees or students includes:

1. unwelcome or unwanted sexual advances. This includes unwelcome physical contact or sexual advances considered unacceptable by another individual.

2. requests or demands for sexual favors. This includes subtle or blatant pressures or requests for any type of sexual favor, accompanied by an implied or stated promise of preferential treatment or negative consequence concerning one's employment or academic program status.

3. verbal abuse that is sex-oriented or considered unacceptable by another individual, as well as sexually derogatory comments. This includes commenting about an individual's body or appearance when such comments go beyond mere courtesy, telling jokes that are clearly unwanted and considered offensive by others, or other tasteless sexually-oriented comments, innuendoes, or actions that offend others.

4. engaging in any type of sexually oriented conduct that would unreasonably interfere with another's work or academic program status performance. This includes extending unwanted sexual attention to someone that reduces personal productivity or time available to work at assigned tasks.

5. creating a work or academic program status environment that is intimidating, hostile, or offensive because of unwelcome or unwanted sexually oriented conversations, suggestions, requests, demands, physical contacts, or attentions.

Nova Southeastern University will not tolerate sexual harassment. Sexual harassment is an insidious practice. It demeans individuals being treated in such a manner, and creates unacceptable stress for the entire organization. Persons harassing others will be dealt with swiftly and vigorously.

Normal, non-coercive interaction that is acceptable to both parties is not considered to be sexual harassment.

All allegations of sexual harassment of or by an employee, client, or vendor will be promptly and thoroughly investigated by the Office of Human Resources and should be reported promptly to the Director of Human Resources.

At Nova Southeastern University, sexual harassment by employees of students is defined as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when

1. submission to such conduct is made to appear to be a term or condition of enrollment, attendance, or participation in a class

2. submission to or rejection of such conduct affects academic decisions

3. such conduct has the purpose or effect of unreasonably interfering with a student's academic performance, or creating an intimidating, hostile, or offensive academic environment

4. unwelcome physical contact, including but not limited to patting, pinching, or touching

5. offensive or demeaning sexual remarks, jokes, or gestures

Students aggrieved by a violation of this policy may file a grievance under their center's grievance procedure, or may report the conduct to the dean of the center, any other faculty member or the director of human resources. All reports of sexual harassment will be thoroughly investigated by the Office of Human Resources.
Any individual who violates any portion of this policy will be subject to disciplinary action, up to and including discharge.

At Nova Southeastern University, romantic and sexual relationships between a faculty member and a student are subject to the prohibition against sexual harassment.

Romantic or sexual relationships between a faculty member and a student then enrolled in the faculty member's class (including supervised student activities for which academic credit is given) may appear to be coercive, and are prohibited. Even when no coercion is present, such relationships create an appearance of impropriety and favoritism, which can impair the academic experience of all students in that class. It is, therefore, improper conduct and prohibited for a faculty member to engage in a romantic or sexual relationship with a student then enrolled in the faculty member's class.

**Smoking Policy**

The university has adopted a "no smoking" policy in accordance with the Florida Clean Indoor Air Act, and evidence that indicates that passive smoking, i.e., involuntary inhalation of pollutants in the air produced by the smoking of others, is potentially harmful to nonsmokers in the closed environment of our buildings.

Accordingly, it is determined that there is no smoking in any Nova Southeastern University classroom/administrative facility.

Although smoking is permitted outside buildings, smoking should be done away from public entrances and exits so that those entering, leaving, and occupying the building will not be exposed to secondhand smoke. This policy does not apply to living quarters (residence halls), which are subject to a separate smoking policy.

**Solicitation and Posting Policy**

All on-campus sales and solicitations must be operated or sponsored by a university-recognized student organization and must receive the proper authorization. The Office of Residential Life and Housing must approve sales and solicitations in the residence halls. The Office of the Dean of Student Affairs must approve sales and solicitations in all other areas on campus.

The Office of the Dean of Student Affairs must approve all posters, flyers, and solicitations on campus. Solicitation includes the distribution of flyers, posters, and announcements. The Office of the Dean approves and posts flyers on designated campus bulletin boards (four in the Parker Building and one in the Rosenthal Student Center) and other areas on campus except in the residence halls (for the posting policy in the halls, contact the Office of Residence Life and Housing). Approved and stamped flyers are posted for two weeks, after which they are discarded. The event must be scheduled at least a week in advance in order for the flyer to be posted.

The following flyers are acceptable:

- looking for a roommate
- selling a car, book, furniture, etc.
- events or information associated with NSU clubs and organizations
- events or information associated with NSU administrative offices or academic programs
- academic services and programs associated with NSU
The following flyers are not acceptable:

- publicity making any reference to drugs or alcohol, containing discriminatory language, or containing inappropriate photos, graphics, or language
- outside vendor or company promotions
- outside vendor health insurance information

Approval of all information to be posted is at the final discretion of the Office of the Dean of Student Affairs. Flyers posted without the approval and stamp of the Office of the Dean of Student Affairs will be removed from the posting area. All posters should be removed from the posting area by the sponsoring organization after the event has ended. Flyers (maximum of five per event) will be approved in the Office of the Dean of Student Affairs, Room 100, in the Rosenthal Student Center.

Academic centers, colleges, and schools may have their own specific solicitation and posting policies that are not governed by the Office of the Dean of Student Affairs. See center, college, or school for their specific policies and procedures.

**Stalking**

Any individual who willfully, knowingly, maliciously, or repeatedly follows; harasses; attempts to contact or communicate (written, verbal or electronic); and makes a credible threat placing the individual in reasonable fear of death or bodily harm may be in violation of NSU's stalking policy. Such conduct is prohibited. Stalking causes substantial emotional distress in individuals and serves no legitimate purpose. Course of conduct means a pattern of conduct composed of a series of acts over a period of time, however short, evidencing a continuity of purpose.

**Student Publications**

Nova Southeastern University, as publisher, bears the legal responsibility for the contents of student publications. In the delegation of editorial responsibility to students, the university provides sufficient editorial freedom for the student publications to maintain their integrity of purpose as vehicles of free inquiry and free expression in the Nova Southeastern University academic community.

The delegated editorial freedom of student editors and managers is subject to corollary responsibilities to be governed by the canons of responsible journalism, such as the avoidance of libel; indecent, undocumented allegations; attacks on personal integrity; and the techniques of harassment and innuendo.

As safeguards for the delegated editorial freedom of student publications, the following provisions are made:

- the student press shall be free of censorship and advance approval of copy, and its editors and managers shall be free to develop their own editorial policies and news coverage
- editors and managers of student publications shall be protected from arbitrary suspension and removal because of student, faculty, administrative, or public disapproval of editorial policy or content. Only for proper and stated causes shall editors and managers be subject to removal, and then by orderly and prescribed procedures
- all university published and financed student publications shall explicitly state on the editorial page that the opinions therein expressed are not necessarily those of Nova Southeastern University or of the student body.
Theft or Unauthorized Possession

Students involved in the taking, sale, or possession of property without the consent of its owner or without proper remuneration may be subject to university disciplinary action and a fine, as well as arrest and prosecution by legal authorities.

Title IX Compliance Policy

Title IX of the Educational Amendments of 1972, 20 USC Sections 1681 et seq., prohibits discrimination on the basis of sex in schools, whether in academics or athletics. In furtherance of Title IX, Nova Southeastern University has adopted a Title IX Compliance Policy. It is the university's policy that no student enrolled at NSU shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subject to discrimination under any educational program or activity receiving federal financial assistance.

The Title IX coordinator at NSU is Gay Holliday, associate dean of student affairs, who can be reached at (954) 262-7280. Students are entitled to file a grievance or complaint with the Office of the Title IX Coordinator if they perceive they have been a victim of discrimination on the basis of sex.

Travel

Students are responsible for adherence to the university code of conduct and all university policies and procedures while attending or participating in university-sponsored programs, activities, and/or events off of the main campus or at any NSU sites.

The travel office provides basic travel services for students, faculty members, and staff members. Please visit the travel office Web site for a current listing of NSU discounts with airline, car rental companies, and hotels at www.nova.edu/cwis/bsv/travel.

Trespass Policy

Nova Southeastern University reserves the right to prohibit trespass onto its property. University employees whose duties include building or property supervision or the general safety and protection of persons or property may issue a trespass warning. A trespass warning may be issued to students or nonstudents and may apply to an individual's vehicle, as well. The revocation of a person's privilege to be on the lands, within the buildings, or on the premises of the university may be restricted to time and place by the agent of the university issuing the trespass warning.

Unauthorized Entry

Any student who enters, attempts to enter, or remains in any room, building, motor vehicle, trailer, or machinery without proper authorization may be subject to university disciplinary action, as well as arrest and prosecution by legal authorities.

Unauthorized Possession of University Property

Students in possession of property owned or controlled by Nova Southeastern University without authorization for such property will be subject to university disciplinary action and/or restitution. In addition, students may be referred to legal authorities for prosecution.
Use of University Vehicles

Nova Southeastern University policy mandates that all personnel, staff, and students who either are required to or wish to use an NSU van must first successfully complete the Van Driver Training course provided by NSU Public Safety. The Public Safety Department provides as its van driver training course the most current version available, Coaching the Van Driver II, which is offered by FLI Learning Systems, Inc.

Prior to contacting Public Safety, a supervisor must first contact the director of risk management at (954) 262-5271 to determine a person's eligibility to drive an NSU van. After receiving approval, an appointment can then be made with Jim Ewing, Public Safety-Safety Compliance, at (954) 262-8082, or at jewing@nsu.nova.edu. The van training program is available most weekdays, during daytime hours, instead of just once a month during the evening.

Upon satisfactorily passing the Van Driver II training, the person will receive a certificate of completion as well as an identification card, which is used to sign out an NSU van from the Physical Plant.

Vandalism or Destruction of University Property

Defacing, littering, or damaging property of the university is prohibited.

Weapons

Weapons are prohibited on campus. A weapon includes

- any item designed to inflict a wound or cause injury to another person
- any item used to harass, threaten, intimidate, assault, or commit battery
- any item the university deems dangerous

Firearms and ammunition are strictly prohibited from the campus under all circumstances.

Worthless Checks

1. Students who make and/or deliver checks to Nova Southeastern University or any of its affiliates that are not honored by a bank for proper cause shall be subject to a charge for administrative costs, restitution, and disciplinary action.

2. Students who make and/or deliver worthless checks in payment of tuition and fees shall be subject to cancellation of their registration and denial of admission to classes until full restitution is made.

3. In addition, students who make and/or deliver worthless checks to the university or any of its agents may be subject to criminal prosecution by legal authorities.
Alumni Association
About 86,000 men and women, residing in all 50 states and in 63 foreign countries, are Nova Southeastern University graduates. Increasingly, these individuals are to be found in the top echelons of business, industry, medicine, government, and education. The NSU Alumni Association gives alumni opportunities to build relationships, receive special benefits, and extend a hand to recent NSU graduates. For more information on alumni programs, call (954) 262-2118 or 800-541-6682, ext. 2118.

Assistantships
A limited number of graduate assistantships are available within the Department of Student Affairs. Contact the Office of the Dean of Student Affairs at (954) 262-7280 for more information. Assistantship preference is given to students enrolled in the master’s degree program in college student affairs offered by the Graduate School of Humanities and Social Sciences.

ATM
There are several automated teller machines (ATM) on Nova Southeastern University’s main campus. They are located in the University Center; the Terry Building of the Health Professions Division; the Alvin Sherman Library, Research, and Information Technology Center; and the Carl DeSantis Building. The ATMs are operated by SunTrust Bank, which may charge a fee for their use, in addition to charges by your financial institution.

Bookstore
The NSU Bookstore is located in University Park Plaza (behind the Bank of America) and is open Monday through Friday, 8:30 a.m. to 6:15 p.m.; and Saturday, 10:00 a.m. to 1:30 p.m. Call for information regarding extended hours at the beginning of the semester. The bookstore carries the required and recommended textbooks for classes. The bookstore also carries school supplies and a wide variety of school spirit merchandise. Customers may special-order any book in print at no additional cost. Students at off-campus locations may order textbooks via the Web, phone, or fax. The course number and section must be indicated when books are ordered. Books are shipped via UPS, usually within 24 hours.

Campus Shuttle

To accommodate NSU students, a fleet of six shuttle buses has been added to service the permanent buildings on our 300-acre main campus. A fixed-route transit circulator system consisting of one two-directional route will be running on the NSU campus weekdays from 7:00 a.m. to 11:00 p.m. Although the buses will have a designated path to follow around the university, there are no set bus stops on campus. Rather, those wishing for a lift are encouraged to wave and ride as the buses make their respective rounds or wait for the buses in front of university buildings.

If you have any questions or need information about our shuttle routes, please contact facilities management at extension 8940.

Career Development

Career Development is available to assist students and alumni in all aspects of career decision making and planning and in the job-search process. The purpose is to support Nova Southeastern University undergraduate students, graduate students, and alumni in the implementation of successful career plans. Through consulting and career-related resources, the center strives to educate students and alumni by teaching them how to

• develop a career life plan, from choosing a major to conducting a job search
• explore career and/or graduate/professional school opportunities
• secure employment

Career Development encourages personal responsibility on the part of students and alumni in planning a career and exploring opportunities as they relate to educational and personal development throughout the college years and into the future. For further information, please contact Career Development at (954) 262-7201.

Volunteerism and Civic Engagement

The mission of the Office of Volunteerism and Civic Engagement is to provide students the opportunity to develop leadership potential and a sense of belonging and civic responsibility through involvement in campus and community life. The office is located in the Rosenthal Student Center. Contact the office by phone: (954) 262-7297 or email: volunteer@nsu.nova.edu.

Benefits of volunteering:

• gain work experience
• have your efforts added to the cocurricular transcript
• build self-esteem and self-confidence
• develop new skills
• improve existing skills
• meet new people
• make important networking contacts
• increase your GPA
• develop leadership skills
• develop critical thinking
• develop conflict resolution skills
NSU offers more than 50 different services to the community. Students are encouraged to get involved in the following services:

Computing Facilities/Campus and Student Educational Centers

The Office of Information Technologies' Technology Facilities unit maintains 42 MicroLabs: 25 on campus and 17 located among the Student Educational Centers and sites in Miami, West Palm Beach, Orlando, Tampa, and Jacksonville, Florida; Las Vegas, Nevada; Kingston, Jamaica; and Nassau, Bahamas. The MicroLabs are staffed with full- and part-time personnel who assist students and faculty and staff members in the use of emerging technologies.

In addition to courses and workshops, the MicroLab maintains an open lab schedule available to all students at every MicroLab. Tutorials, where students can receive help with particular software applications, are held every Friday from 4:00-5:00 p.m. at the Alvin Sherman Library, Research, and Information Technology Center MicroLabs.

NSU's MicroLabs contain a wide variety of computer equipment for student use. The systems provide students with more than enough computing power to complete assignments. Every MicroLab is connected to the university's online computer network, providing access to the Campus Wide Information System (CWIS), the Electronic Library, and the World Wide Web.

The MicroLab also provides students and faculty and staff members with access to equipment such as scanners, printers, zip drives, CD-ROM burners, digital cameras, and other new technologies. MicroLabs are also equipped with pay-for-print stations that are accessed via student identification cards.

For further information, please contact the MicroLab at (954) 262-4533 or visit the Web site at http://microweb.nova.edu.

Libraries

The Alvin Sherman Library, Research, and Information Technology Center, which is a joint-use facility with the Broward County Board of County Commissioners, opened in October 2001. This library has five floors, 325,000 square feet, a 3,800-square-foot atrium lobby, 1,200 user seats (1,000 with Internet access), 100 reference computer workstations, space for 1.4 million volumes (books, journals, and periodicals), and a centralized circulation area. It is the largest library building in Florida. A multistory parking garage with more than 1,500 spaces is near the library.

The university library system is composed of the Alvin Sherman Library, East Campus Branch Library, Health Professions Division Library, Law Library, North Miami Beach Branch Library, Oceanographic Library, and four school libraries on the main campus. Agreements have been signed with academic libraries throughout the world to provide library support for NSU programs offered in specific geographical areas. The catalogs of all NSU libraries are accessible via computers to local and distance education students and faculty members, wherever they may be located. Online databases complement the paper-based holdings and provide full-text resources. Interlibrary loan arrangements through networked organizations such as the Online Computer Library Center (OCLC), the Southeast Florida Library Information Network (SEFLIN), the Consortium of Southeastern Law Libraries (COSELL), and the National Library of Medicine (NLM) provide broad access to a wide range of materials.

To augment the libraries' print materials, the Office of Media Services has an extensive collection of more than 1,200 items of nonprint materials (principally audiovisual materials), and a video production studio to support classroom instruction. In addition, the center provides technical assistance for distance learning delivered by teleconferencing. The university's microcomputer laboratory resources include a growing inventory of instructional software for use by students and faculty members.

For further information on the campus libraries, please visit the library's Web site at www.nova.edu/library.

Miami Dolphins Training Facility

The Miami Dolphins Training Facility is located on NSU's main campus. During the summer months, the Miami Dolphins football practice and the Junior Training Camp are open to the public. The Pro Shop at the training facility is open year-round to the public. For further information, please call (954) 452-7000.

Nova Singers of Nova Southeastern University

More than 125 men and women voluntarily perform unpaid choral engagements throughout the year. These musical ambassadors for the university give their time and talent to bring classical choral music to all of South Florida. For further information, please call (954) 262-2107.

NSU Athletics

Nova Southeastern University recognizes, values, and supports intercollegiate athletics as an integral part of the educational mission of the university. Central to the program's mandate and in accord with the stated goals of the university, the Department of Intercollegiate Athletics commits itself to fostering leadership, lifelong learning, and service to the community among its student-athletes.
The Department of Athletics at NSU is widely regarded as one of the most successful intercollegiate athletics programs in the southeast United States. The NSU Department of Athletics offers 15 intercollegiate athletic programs (nine women's sports and six men's sports).

Men: Baseball, basketball, cross country, golf, soccer, and outdoor track

Women: Basketball, cross country, golf, rowing, soccer, softball, tennis, outdoor track, and volleyball

The NSU Sharks are in their fourth year as a member of the National Collegiate Athletic Association (NCAA) Division II and the Sunshine State Conference. The NCAA includes more than 1,200 other institutions, conferences, organizations, and individuals. The Sunshine State Conference is one of the most respected conferences in the country. Dubbed the “Conference of National Champions,” SSC teams have won a total of 64 national championships since the conference's inception in 1975.

Athletics Web Site
The NSU Sports Information Department maintains, creates, and manages all editorial, statistical, and biographical content for the official NSU Athletics Web site. The NSU Athletics Web site can be accessed at http://nsuathletics.nova.edu. The NSU Athletics Web site also provides cutting edge multimedia features such as live audio broadcasts of select NSU athletic events and functions, as well as live statistical information during select home games. A complete audio broadcast schedule as well as archived broadcasts of past events can be viewed on the NSU Athletics Web site through the following link: http://nsuathletics.nova.edu/statistics/liveaudio.cfm.

NSU Student Counseling
Student Counseling offers individual, couples, and group counseling, as well as psychiatric services, in our offices in the Parker Building (suite 150). If you are an NSU student, you may see a counselor as many as 10 times per year at no charge; if you see our psychiatrist, we will either bill your insurance or we will charge you a reasonable fee. If you need some help getting a handle on something that is troubling you—

• an emotion that is getting you down
• thoughts that won't leave you alone
• a substance or habit that is getting the better of you
• an exam or assignment that is shutting you down
• relationship or sexual difficulties
• sleep disturbance and/or concentration problems

—then call (954) 262-7050 to schedule an appointment, or drop by during our walk-in hours, Tuesdays from 12:30–2:30 p.m. and Wednesdays from 4:00–6:00 p.m. Our staff members are sensitive to and respectful of everyone's ethnic and cultural background, religious beliefs, and sexual orientation. Our office hours are Monday, Thursday, and Friday, 9:00 a.m.–5:00 p.m., and Tuesday and Wednesday, 9:00 a.m.–5:00 p.m. Our main number also serves as a 24-hour crisis line, where an operator will connect you to an on-call crisis counselor. You can find more information on our Web site: www.nova.edu/studentcounseling.

Off-Campus Housing
For those students who are interested in obtaining housing off-campus, the Office of Residential Life and Housing can assist you as well. This service will make your off-campus housing search a fun and pleasant experience. In addition, our off-campus housing coordinator can assist you with finding a place to live near any of NSU's campuses. Please feel free to contact the Office of Residential Life and Housing at (954) 262-7052 or visit the off-campus housing Web site at www.nova.edu/reslife/offcampus/index.html for more information about Off-Campus Housing Options.
Office of International Students (OIS)

The Office of International Students is enthusiastically committed to providing essential services to assist international students and visiting scholars at NSU achieve their academic goals. OIS serves as a resource to the university community and provides services and counseling expertise aimed at guiding individual students and scholars through the complexities of U.S. government visa regulations. The OIS acts as a liaison with federal agencies such as the USCIS, USIA, U.S. Department of State, and foreign governmental agencies.

More than 700 international students and scholars from more than 90 countries have selected NSU as their academic destination. Our office provides a wide variety of support services in the areas of
- F-1 and J-1 visa counseling
- transfer assistance
- reinstatement
- travel documentation
- on- and off-campus employment
- practical training
- extension of stay
- Social Security
- taxes
- health insurance
- cross-cultural activities
- international student orientation

The OIS is committed to welcoming international students, scholars, and their families while facilitating their transition to life at Nova Southeastern University. For further information, contact OIS at (954) 262-7240 or visit our Web site at www.nova.edu/cwis/registrar/isss.

Pay-for-Print

NSU provides students with laser printing capabilities in the libraries, computer laboratories, and student educational centers. NSU Card print release stations, located adjacent to each of the university printers located in the public and student areas, control the process. Each registered NSU full-time and part-time student receives a credit for 500 print-copies per academic year (July 1 through June 30) on their NSU Card. Once the credit allocation has been used, the student is charged 10 cents per print-copy. Unused credits cannot be carried over to the following year. This credit applies only to printing and is not for use with NSU copiers. The pay-for-print credits feed directly from the NSU Banner Administrative system. The public does not receive any print or copy credits. Cash stations are available for the public and for NSU students to add value to their NSU Cards.

Public Safety

The Public Safety Department provides protection and service on campus 24 hours a day. Public Safety should be called to report all emergencies, crimes, or suspicious situations. Public Safety also provides assistance in jump-starting vehicle batteries, giving vehicle owners access in case of lockouts and, when appropriate, giving NSU community members entry into locked buildings or offices. The NOVALERT emergency number is (954) 262-8999 (ext. 8999 from on-campus phones). The West Palm Beach Security Office number is (954) 262-5626.
• The Public Safety emergency telephone system is advertised throughout the university community. Emergency telephones are located at strategic locations on campus to provide communication with Public Safety at any time, especially in an emergency. These are **blue light telephones**.

• The Public Safety staff works in conjunction with all emergency and care-giving services, including: the police, fire department, emergency services, and other university or community service units.

• To help boost crime prevention on campus, the PSD staff performs several informational instructions each month to students and staff regarding safety and security.

Public Safety officers are highly trained in life safety and security. Each is certified in first aid and CPR. Each officer is oriented through an intense 120-hour training program. Regular refresher training is given to staff in patrol, reporting, investigation and in relating to the campus community. The Public Safety department is certified in Homeland Security Training in partnership with the Department of Homeland Security.

The Public Safety Department administers both safety and security for all university campuses and sites. The elements of the department include administration, safety, field operations, locksmithing, parking control, physical security, and governmental compliance and liaison.

The Public Safety Department provides uniformed Public Safety supervisor and officer presence, patrol and inspection for the main campus, east campus, and the North Miami Beach campus. Public Safety also has a partnership with Contract Security Companies to provide uniform security officers for a number of campuses and sites.

For more information, please visit their Web site at [www.nova.edu/cwis/pubsafety](http://www.nova.edu/cwis/pubsafety).

**Public Safety University Locksmith**

As part of the Nova Southeastern University Public Safety Department, the university locksmith is responsible for planning, organizing, and administering physical security systems for all NSU managed properties. This departmental activity includes conducting the mechanical and electronic hardware security system needs analysis of existing facilities, physical security retrofits, and new NSU facilities construction projects.

The locksmith receives emergency and non-emergency communications from other departments, serving as an activator for resource allocation of in-house services and vendors associated with physical security systems.

Specific professional services include high security lock hardware; master key systems; security doors; mechanical and electronic exit devices; mechanical and electronic keyless access control hardware; safes, vaults and cash protection devices; command operated and emergency electronic door hardware; intrusion and fire protection devices; CCTV systems; and fleet motor and electric vehicles. The locksmith Web site is [www.nova.edu/cwis/pubsafety/lksmith.html](http://www.nova.edu/cwis/pubsafety/lksmith.html).

**Recreation**

The Office of Campus Recreation provides formal and informal recreation programs to the students and faculty and staff members of NSU. A comprehensive recreation program provides intramural sports, special events, aerobic and fitness programs, recreation instruction, martial arts, and much more. Offerings currently include volleyball, football, basketball, soccer, softball, golf, scuba diving, swimming instruction, golf classes, tennis instruction, martial arts, step aerobic classes, aeroboxing/kickboxing classes, body sculpting, Pilates, and yoga classes.

The Office of Campus Recreation is located in the University Center along with the RecPlex. The RecPlex is a 100,000-square-foot indoor and outdoor recreation and fitness facility.

Residential Life and Housing
Nova Southeastern University requires all Farquhar College of Arts and Sciences Professional and Liberal Studies (day) undergraduate students with 0–48 credit hours to live on campus, unless one or both of the following criteria applies:

1. You are married.
2. You reside with your immediate family (mother, father, or legal guardian) within the tricounty area (Broward, Miami-Dade, and Palm Beach).

If you are over the age of 25 or married you have the option to move into the graduate apartments or live off campus.

NSU offers a residential living program that is designed to meet a wide array of student needs. Students who live on campus have numerous opportunities to participate in a variety of programs and activities that maximize intellectual growth and personal development. The following types of facilities and amenities are offered:

Leo Goodwin Sr. Residence Hall
Leo Goodwin Sr. Residence Hall was opened in the 1992–1993 academic year. This state-of-the-art residence hall facility will house 330 students during the 2007-2008 academic year. The Leo Goodwin Sr. Residence Hall is the primary freshman undergraduate facility; each room is built for two students and features a private bathroom, large closet space, and high ceilings. Each room is furnished with two beds, two desks, two desk chairs, two dressers, and a built-in storage/counter facility. The building houses a classroom, computer lab, study lounges on each floor, laundry facilities, a kitchen, a large TV lounge, and the Office of Residential Life and Housing.

All students living in Leo Goodwin Sr. Residence Hall, regardless of credit hours, must purchase a mandatory declining balance plan. The minimum amount a resident can apply to their Shark Card is $1,200 per semester. If residents choose to apply additional funds to their cards, they are able to do so at any time by going to the NSU Campus Card Office in the University Center. If a balance exists on a resident's declining balance plan at the end of the fall semester, the funds will roll over to the winter semester. Once the winter semester has ended, the remaining balance will no longer be available to the resident.

The Commons
The Commons, open fall of 2007, is the newest residence hall. This state-of-the-art living/learning community includes 501 student beds, classroom and meeting space, 16 community living rooms, 16 study rooms, and plenty of indoor and outdoor common space. The Commons is unique and dynamic for the inclusion of incorporating communities within a community. The 16 community living rooms will have comfortable furnishings that will create unique spaces for students and groups to conduct study sessions or group meetings, or to congregate with friends.

Ten of the 16 communities will be reserved for returning and incoming residents. The other six communities will be based upon themes and academic initiatives. Students who choose to live in these in these six communities must meet or choose from the following criteria for each community.

1. Sorority-Themed Community (The Sisterhood)
2. World-Themed Community (Global Village)
3. Leadership-Themed Community (LEAD)
4. Quiet-Themed Community
5. Business and Entrepreneurship Living and Learning Community (Executive Suites)
6. Wellness-Themed Community (The Well)

All undergraduate students living in The Commons, regardless of credit hours, must purchase a mandatory declining balance plan. The minimum amount a resident can apply to their SharkCard is $1,200 per semester. If residents choose to apply additional funds to their cards, they are able to do so at any time. If a balance exists on a resident's declining balance plan at the end of the fall semester, the funds will roll over to the winter semester. Once the winter semester has ended, the remaining balance will no longer be available to the resident.

Founders, Farquhar, and Vettel Halls
These residence hall facilities will house approximately 50 upper-division undergraduate residents each during the 2007-2008 academic year. The oldest of NSU's residence halls, each building has recently undergone major renovations, which included new doors, tile, paint, kitchens, and appliances. Each apartment is furnished and features single, double, and triple options; kitchen with a full refrigerator and stove; a private bathroom; and a living room.

Cultural Living Center
The Cultural Living Center (CLC) was built in 1984 and will house approximately 135 graduate students in the 2007-2008 academic year. Its unique balcony structure makes it a popular choice for returning graduate students. Each apartment is furnished and features one or two bedrooms, a kitchen with full refrigerator and stove, a private bathroom, and a living room.

For more information, please contact the office of Residential Life and Housing at (954) 262-7052 or visit the Web site at www.nova.edu/reslife/index.html.

Off-Campus Housing
For those students who are interested in obtaining housing off-campus, the Office of Residential Life and Housing can assist you as well. This service will make your off-campus housing search a fun and pleasant experience. In addition, our off-campus housing coordinator can assist you with finding a place to live near any of NSU's campuses. Please feel free to contact the Office of Residential Life and Housing at (954) 262-7052 or visit the off-campus housing Web site at www.nova.edu/reslife/offcampus/index.html for more information about off-campus housing options.

Student Financial Services and Registration
Student Financial Services and Registration incorporates the Office of the University Registrar, the Office of the University Bursar, the Office of Student Financial Assistance, and the One-Stop Shop. These offices are located in the Horvitz Administration Building on the main campus.

WebSTAR and students' NSU email accounts are the official means of communication for the Office of Student Financial Services and Registration. Students may access WebSTAR at http://webstar.nova.edu with their NSU Personal Identification Number (PIN). Advantages of using WebSTAR include accessing student status, financial aid status (including awards and required/missing documents), transcripts, and grades; making WebCheck or credit card payments; reviewing billing and payment information and information regarding obligations; and permitting students to change addresses.
Office of the University Registrar

The Office of the University Registrar provides a variety of diverse services to the university community. Working closely with the academic units, this office strives to be customer oriented and responsive to a variety of student and university needs. Services include, but are not limited to, course registration, transcript processing, data entry, and general university information. The office provides information on commencement exercises, degree conferral, and diploma application.

In addition to the various services the Office of the University Registrar provides, the office also includes the Office of International Student and Scholars, which provides assistance to international students, visiting professors, and United States Veterans. More information is available on the International Student Web site at www.nova.edu/cwis/Registrar/iss/.  

For further information, please access the registrar’s Web site at www.nova.edu/cwis/Registrar or call 800-541-NOVA (6628), extension 7400.

University Bursar

The Office of the University Bursar is responsible for collecting tuition and fees, residence hall charges, and meal plans charged to students’ accounts. Refunds resulting from student loans, scholarships, and grants are handled by loan disbursing. Refunds are not issued until loan proceeds are received by NSU and a credit balance is created. It is the policy of NSU that payment is due within 30 days from the start of the term. If payment is not made within 30 days, the student's account will be assessed a $50 late payment fee and a hold will be placed on the account, preventing any additional registrations, grades, and transcripts. Payment must be made in cash, check, or credit card. The term “check” includes money orders, traveler's checks, cashier's checks, loan checks, personal checks, international checks (in U.S. funds only), and certified checks. NSU accepts MasterCard, VISA, and American Express. Please contact the bursar's office at 800-806-3680 for other payment arrangements, such as wiring funds from abroad. Credit card and Webcheck payments via the Web are available from the student’s secure WebSTAR account.

Office of Student Financial Assistance

The Office of Student Financial Assistance assists students in obtaining funds necessary to pursue their educational objectives. Financial assistance includes grants, loans, student employment, and scholarships. In order to be considered for federal and most state aid, students must complete the Free Application for Federal Student Aid (FAFSA), meet specific eligibility criteria, and be enrolled or accepted for enrollment as a regular student (i.e., all admissions requirements/documents have been satisfied) working toward a degree or certificate in an eligible program. For more detailed information regarding the financial aid process, contacts, policies and procedures, and other pertinent information, students should visit the NSU financial aid Web site at www.nova.edu/cwis/finaid.

The earlier students apply, the more chance they will receive funds in a timely manner, if eligible. The preferred method for applying for financial aid is online through FAFSA on the Web at www.fafsa.ed.gov, which saves processing time and reduces the chance of errors due to edit checks. Students should include their email addresses on the FAFSA in order to receive information via email, including their Student Aid Report (SAR) and their financial aid history.

Office of Student Financial Assistance staff members are available to assist students in the completion of the FAFSA and to answer questions concerning the financial aid process. For further information, please call 800-806-3680.

Student Employment
Nova Southeastern University participates in several types of student employment programs: the federally funded Federal Work-Study Program (FWS), the America Reads and America Counts Programs (also funded by FWS), the institutionally funded Nova Southeastern University Student Employment Program (NSUSE), and the Job Location and Development Program (JLD).

The objectives of the student employment programs are
• to offer jobs to students who need to earn funds, to help pay for their educational expenses
• to provide work experience that will enhance the student's educational and/or occupational goals
• to provide services that would otherwise not exist for Nova Southeastern University or for other participating public or private, nonprofit organizations

Questions concerning the student employment programs should be directed to the coordinator of student employment at 800-806-3680, Monday through Friday between 8:30 a.m. and 5:00 p.m. The Student Employment Office is in the Office of Student Financial Assistance, located in the Horvitz Administration Building. Further student employment information is available on the NSU Financial Aid Web site at www.nova.edu/cwis/finaid/stuemployment.html.

NSU's student employment programs are administered without regard to race, color, religion, national origin, sex, disability, age, or political beliefs.

Veterans Benefits
The Veterans Benefits office is located in the Office of Student Financial Assistance. Department of Veterans Affairs (DVA) Educational Benefits are designated to provide eligible individuals with an opportunity for educational and career growth. For more information, please contact the veterans benefits specialist at 800-806-3680, Monday through Friday between the hours of 8:30 a.m. and 5:00 p.m., or visit the veterans benefits Web site at www.nova.edu/cwis/finaid/veterans. See the Veterans Affairs listing in this handbook.

One-Stop Shop
The One-Stop Shop staff is cross-trained to assist students, parents, and the general public with student financial assistance and inquiries to the university bursar and registrar. Other services include providing official academic transcripts and NSU parking decals (a valid registration is required). The office is located in the Horvitz Administration Building at the main campus. Operating hours are Monday through Thursday from 8:30 a.m. to 7:00 p.m., Friday from 8:30 a.m. to 6:00 p.m., and Saturday from 9:00 a.m. to noon.

Student Medical Centers
The Health Professions Division Health Care Centers serve an important function and are an integral part of the HPD training programs. They provide a vital community function by bringing health care service to areas whose medical needs traditionally have gone unmet.

Sanford L. Ziff Health Care Center
The Ziff Health Care Center is a state-of-the-art primary care facility with full-service, radiologic-diagnostic capabilities. Contained at the health care center are family medicine, pediatrics, X ray, occupational therapy, pharmacy, physical therapy, rehabilitation, nephrology, hypertension, sports medicine, an optometric center, optical dispensary, OB-GYN, dermatology, and general internal medicine. Complete dental services are available next door at the clinics operated by
the NSU College of Dental Medicine. Ambulatory medical, optometric, and dental care is made available during regular business hours for the university community. When a student or a family member needs care, they may make an appointment with the University Health Service. For those unable to make appointments in advance, hours will be posted. For urgent situations, contact the University Health Service at (954) 262-4100. Most insurance policies are accepted by the health facility for medical services.

Consultation with specialists, when needed, will be arranged by the University Health Service, and such specialty care will be the student's financial responsibility. Direct visits to specialties without referral by the University Health Service are strongly discouraged.

**Campus Pharmacy**

Located adjacent to the Ziff Health Care Center is the pharmacy where prescriptions, over-the-counter remedies, herbal, and homeopathic remedies are available. The pharmacy Wellness Center addresses diabetes, high blood pressure, and other diseases.

Hours are as follows:

- Monday–Friday, 9:00 a.m.–6:00 p.m.
- Saturday, 9:00 a.m.–1:00 p.m.

For additional information, contact (954) 262-4550.

**University Center**

The University Center is a 366,000-square-foot facility that serves as the central gathering place for students, faculty and staff members, friends, family, and alumni of NSU. Within its walls include 100,000 square feet of indoor and outdoor recreational space, including a fitness center with strength and cardiovascular training equipment, two basketball courts, three racquetball courts, a rock-climbing wall, three multipurpose rooms, men's and women's locker rooms, and a swimming pool.

The University Center Arena is home to intercollegiate athletics and the NSU Sharks. The arena can seat over 5,000 people and also serves as an entertainment venue with concerts, performances, speakers, family shows, and more. The arena has three basketball courts, as well as team locker rooms, concession areas, and a "hall of fame" room.

The center also houses the Student Union/Flight Deck. This area is designed as a general hangout space for students where they can grab a bite to eat, get a drink, shoot some pool, and play darts. The Student Union Board (S.U.B.) also offers a programming schedule of events including comedians, bands, and more.

**Veterans Affairs**

The Office of Student Financial Services and Registration oversees the process of veterans' benefits. Eligible veterans and their dependents should contact

Nova Southeastern University
Office of Student Financial Services and Registration
Attn: Veterans Benefits
3301 College Avenue
Fort Lauderdale, Florida 33314-7796

For further information, please call (954) 262-7236; toll free 800-806-3680, ext. 7236. If you have any questions concerning eligibility, you may contact the Department of Veterans Affairs (VA) at 888-442-4551 or visit their Web site at www.va.gov.
Standards of Progress
A student receiving veterans benefits must maintain satisfactory progress. Students will be considered to be making satisfactory progress as long as they meet the academic standards set by their school for retention in their degree programs.

A student who, at the end of any evaluation period, has not attained and maintained satisfactory progress will be certified, in a probationary status, for only one additional evaluation period. Should this student not attain and maintain satisfactory progress by the end of the probationary period (one evaluation period), the student's VA educational benefits will be terminated for unsatisfactory progress.

A student whose VA educational benefits have been terminated for unsatisfactory progress may petition the school to be recertified after one evaluation period has elapsed. The school may recertify the student for VA educational benefits only if there is a reasonable likelihood that the student will be able to attain and maintain satisfactory progress for the remainder of the program. To initiate the petition process, students should contact the Office of Student Financial Assistance VA Benefits representative at 800-986-3380.

For VA payment of benefits purposes, an Incomplete (I) designation for a course must be converted to a credit grade counting toward graduation, or a failing grade, by the end of one calendar year unless permission for a delay is granted by the academic dean for that program. A no grade (NG) designation for a course must be converted to a credit grade counting toward graduation, or a failing grade, by the end of one regular semester unless permission for a delay is granted by the academic dean for that program.

Grade/Progress Reports
Each VA student will be provided a grade/progress report at the end of every evaluation period (e.g. term, semester). A copy of each report will be placed in the student's permanent file maintained by the school. The university periodically furnishes each student with a working transcript that shows current status of grades and earned semester hours for all courses completed and/or attempted, plus grades for courses in which the student is currently enrolled.

Wireless Networking—NSU WINGS
NSU's wireless networking project, NSU WINGS, provides mobile network access for the students of the university. The wireless network is available at all NSU campuses and student educational centers. For information and instructions on registering for NSU WINGS, please visit www.wireless.nova.edu.

Women's Resource Institute (WRI)
The Women's Resource Institute is a program for all people. The WRI provides information and referral services for problems that may be interfering with employee/student well-being, including domestic violence, substance abuse, career changes, financial crisis, or other issues. The WRI is located in House Four on the northwest corner of SW 75th Avenue and SW 36th Street on the main campus. The WRI can be reached at (954) 262-8451.
Health Professions Division

Building Hours
The executive and administrative offices of the Health Professions Division are open from 8:30 a.m. to 5:00 p.m., Monday through Friday. The library maintains its own hours (see Library section).

Charges and Payments
Tuition charges are automatically calculated when students register for classes. Students are expected to pay in full at the time of registration, or have completed the necessary paperwork for financial aid and have been awarded. Students may pay for tuition using credit cards: MasterCard, VISA, or American Express. Credit card payments may now be made online.

Late Payment Fee
Students with any balance unpaid by the 30th day of the semester will be assessed a $50 late payment fee and a hold will be placed on their account. In addition, no further registrations will be accepted until the balance is paid in full.
Late Registration

Students who have completed one full year at the university and who cannot meet their financial obligations by the 30th day of class are considered late registrants. Students who register after the late registration date established by their college will be charged a late fee or penalty established by the university or the division.

The following will apply:

- recipients of Armed Forces scholarships shall be allowed up to three months' grace period without penalty
- when confirmation of guaranteed loans has been received, but checks are delayed, credit will be extended for three months

Consequences for Nonpayment

The student's failure to meet financial obligations in accordance with university policy at the end of 70 days will result in an automatic letter of notification being sent to the student informing him/her that failure to resolve his/her financial obligation within 10 days will result in administrative withdrawal from class. The university bursar shall

- identify those students who have still failed to meet their financial obligation at the end of each 30-day period
- notify those students of their failure to pay
- forward to the program office the names of all students in delinquent status for the program office to take appropriate administrative action

Those students who fail to meet financial obligations shall not receive any academic credit for the coursework taken.

Tuition Refund Policy—Voluntary Withdrawals

Students who wish to withdraw must submit a written request for voluntary withdrawal to the dean, who will evaluate the student's request. After completing the required withdrawal form(s) and obtaining the dean's approval, an eligible student may receive partial refund of the tuition, according to the following formula:

- First three class days ....................... 70 percent
- Fourth or fifth class day ................. 60 percent
- Sixth or seventh class day .............. 40 percent
- Eighth, ninth or tenth class day .... 20 percent
- After the tenth class day ............... 0 percent

No refunds will be made thereafter. (Students with questions should consult the program office.)

Students will not be given refunds for portions of tuition paid by financial aid funds. Instead, the respective financial aid programs will be credited in accordance with federal regulations, which establish the following requirements for recipients of Title IV student assistance funds (guaranteed student loans and auxiliary loan program).

The regulation requires that if the student has received a financial aid overage to assist with related, but indirect educational costs, e.g., living expenses, books, supplies, transportation, and/or personal expenses, this must be prorated for the period the student attended the institution. The student must
then refund the difference (between the actual overage and prorated amount) to the institution for restoration to the appropriate Title IV account.

Failure to comply with these requirements could jeopardize future receipt of the Title IV student assistance funds at any institution of higher education the student may attend.

A refund due the student will be mailed to the student's permanent home address or deposited directly into his or her checking account as soon as the dean of the respective college has approved the withdrawal. The tuition refund policy is subject to change at the discretion of the university's board of trustees.

**Student Financial Aid**

The Office of Student Financial Assistance assists qualified students to obtain the funds necessary to pursue their educational objectives. In order to be eligible for student financial aid, students must complete the U.S. Department of Education's Free Application for Federal Student Aid (FAFSA), and meet federal general eligibility criteria. A need analysis is performed, utilizing information from the FAFSA to determine the student's Expected Family Contribution (EFC), or the amount the student and the student's family can contribute toward the student's educational expenses. Financial need is defined as the difference between the institution's Cost of Attendance (COA) and the EFC. The university's cost of attendance includes tuition and fees, books and supplies, room and board, transportation, and personal expenses.

The fastest way to apply for the FAFSA is online through FAFSA on the Web at [www.fafsa.ed.gov](http://www.fafsa.ed.gov). By applying electronically, financial aid information is forwarded to the Office of Student Financial Assistance within 72 hours, expediting the awarding process, and reducing errors due to built-in edits. Students should request a Department of Education Personal Identification Number (PIN) online through [www.pin.ed.gov](http://www.pin.ed.gov). By using the PIN, students eliminate the need to send a signature page.

Undergraduate students may be eligible for grants, student employment, loans, and scholarships. Graduate/professional students may be eligible for loans in the form of both the Federal Subsidized and Unsubsidized Stafford Loans, Federal Graduate Plus Loans, and private/alternative loans, as well as student employment (FWS) and scholarships. In order to successfully complete the financial aid process, students should apply early, provide all necessary documents and requests to the Office of Student Financial Assistance in a timely manner, register for the minimum number of credits required per term (half time in a degree-seeking program), and meet required deadlines.

For more information regarding the financial aid process, contacts, and other pertinent information, students may visit the NSU Financial Aid Web site at [www.nova.edu/cwis/finaid](http://www.nova.edu/cwis/finaid). Students will be notified of missing information, their financial status, award notifications, and other financial aid related information via their NSU email addresses.

Short-Term Preloans
The Office of Student Financial Assistance at HPD administers preloans for students who encounter emergency situations prior to receipt of financial aid refunds. Students must be enrolled for the term, have a completed financial aid file, and must be receiving financial aid with sufficient funds to cover total charges due the university, the loan amount, and the processing fee charged. When approved, disbursement is made electronically through direct deposit within one week of receipt of the student’s application.

Return of Title IV Funds
Effective July 1, 2000, the Department of Education established new requirements with regard to return of Title IV aid received by students who withdraw from all their courses during a term for which a federal financial aid payment has been received. Students receiving Title IV funds, whether used to pay institutional charges or disbursed directly to the student, may be obligated to repay a portion of unearned funds if they withdraw from classes before 60 percent of the term. A repayment may be required when cash has been disbursed or could have been disbursed from Title IV aid (other than Federal Work-Study) in excess of the amount of aid the student earned during the term. Students will be permitted to keep 50 percent of their obligated Title IV grant aid.

It is important that students notify the Office of Student Financial Services and Registration and the Office of the Dean if they intend to withdraw. Students will be notified within 30 days of determination of withdrawal with regard to the amount of Title IV aid to be repaid. If the student did not officially withdraw, the university will use either the midpoint or last academically related activity as confirmed by an NSU employee. The student will have a maximum of 45 days to respond.

When a student owes a refund, the order of repayment is as follows: Unsubsidized Federal Stafford Loan, Subsidized Federal Stafford Loan, Federal Perkins Loan, Federal Graduate Plus Loan, Federal Pell Grant, FSEOG, and other Title IV aid. An exit interview is required for any student who has received a loan.

More information regarding this policy is available on the NSU Financial Aid Web site at www.nova.edu/cwis/finaid.

Note: Dismissal will result in termination of veterans’ benefits where applicable.

Health Professions Division Library
The HPD Library is located on the first floor at the north end of the Terry Building Complex in the Library/Lab Building. The print collection consists of more than 70,000 volumes, with 1,400 active journal subscriptions and more than 4,000 CD-ROMs, videocassettes, DVDs, and audiotapes. In addition, the Electronic Library is accessible 24/7 from any computer with an Internet connection. It provides access to 50 medical/health databases, including Medline, CINAHL, UpToDate, MD Consult, Micromedex, and Clinical Pharmacology. More than 300 medical textbooks are available full-text online along with more than 21,000 full-text electronic journals. Interlibrary loan and document delivery services provide access to journal articles and books not available locally. Professional reference assistance is available during most operating hours. Students have access and borrowing privileges to print collections at any NSU library and may access more than 200 electronic databases via the HPD library home page (www.nova.edu/hpdlibrary).

In addition, there are 48 individual/small group study rooms in the library and Assembly II Building. Rooms can be checked out for up to three hours. All rooms are equipped with white boards and the
library study rooms have video players. A small teaching lab is available for group instruction and two 50-station computer labs are open when the library is open. Both buildings have full wireless connectivity. Laptop computers and DVD players are available for checkout.

Hours of operation for the library, study center, and adjoining computer labs are:
Monday–Thursday, 7:30 a.m. to midnight
Friday, 7:30 a.m. to 9:00 p.m.
Saturday, 10:00 a.m. to 10:00 p.m.
Sunday, 10:00 a.m. to midnight

During exam periods, the library is open until 1:00 a.m. each night.

For further assistance, please call (954) 262-3106.

See Libraries section of the Student Handbook for information about NSU’s Alvin Sherman Library, Research, and Information Technology Center.

Lost and Found

Items found on school property are turned over to campus security for disposition and storage. Please contact the NSU Public Safety Department to find the location for claiming such items and reporting lost items.

Mailbox and Message Center

Mailboxes for intracampus memos and notices can be found in the student lounge area of the library/lab building. Students who are assigned a mailbox are responsible for checking their mailboxes daily. Official communications delivered to the student mailbox are assumed to be seen within 24 hours. Postgraduate Pharm.D.; Ph.D. physical therapy; Ph.D. occupational therapy; Dr.OT occupational therapy; and bachelor, master, and doctor of health science students do not have mailboxes.

Microcomputer Laboratories

The Office of Information Technologies maintains two separate computer laboratories at the Health Professions Division. One of these laboratories is located in the HPD Library to the right of the front desk. It contains two networked laser printers, a color scanner, and 40 desktop computers equipped with Windows XP, and Microsoft Office (Word, PowerPoint, Excel, and Access). The second computer lab is located on the first floor of the Assembly II Building. It has 50 desktop computers and is equipped with the same software packages. In addition, other software programs for use in specific courses are also installed on the systems. Online connectivity from all desktop systems provides access to the Campus Wide Information System (CWIS), the Electronic Library, the Internet, and the World Wide Web (WWW). Computer-assisted instruction programs are also available. The HPD laboratories operate under the auspices of the university Office of Information Technologies User Services.
Computer Lab hours:

In both locations, full-time technicians and student employees are available to provide technical support.

Student Lounge/Student Area

Students who wish to relax may use the student lounge on the second floor of the HPD Library/Laboratory Building during their free hours. Vending machines, pay telephones, pool table, and other games are provided for student use. Additional student lounges are available at the West Palm Beach and Orlando student educational centers. A student area is available at the Naples location as well.

Students have always shown responsibility for general cleanliness and preventing damage to the area. The administration expects this precedent to continue in the future.
HPD POLICIES AND PROCEDURES

Acceptance of Professional Fees
The activities of students are not to be construed as the practice of medicine, optometry, pharmacy, occupational therapy, physical therapy, physician assistance, vascular sonography, nursing, dentistry, or public health. It is a violation of the law and contrary to the policy of this university for any unlicensed person to attempt to engage in the professional practice of health care.

Students who are appropriately licensed in a profession may engage in that professional work to the extent provided by law.

AIDS Policy
The university has adopted the following AIDS policy: Nova Southeastern University Health Professions Division recognizes its responsibilities for the health and welfare of its students and faculty and staff members, as well as its responsibilities to patients suffering from AIDS or harboring the human immunodeficiency virus (HIV). While the division does not subscribe to compulsory HIV testing either as a screening device or in individual cases, some rotation sites require this test and students must comply. As an institution of medical learning, the division provides each student/faculty/staff person knowledge to understand the AIDS problem, including AIDS testing, treatment, and counseling by community services. The division provides an annual seminar to all students, faculty members, and staff members. The division recommends universal precautions in all laboratory and clinical settings. The division reserves the right to alter this policy as new information on AIDS becomes available.

Students should consult their physician for HIV testing or treatment immediately following exposure.

Attendance Policy
At Nova Southeastern University’s Health Professions Division, attendance at all scheduled instructional periods is mandatory. Students are required to follow their college section for specific center or program policies.

Failure to consider any additional requirement is noted in the evaluation of a student’s academic performance and professional attitude and may result in a failing grade for the course. Students shall report to the individual college’s Office of Student Affairs, in writing, the reason for all absences within 24 hours of each occurrence.

Students whose reasons are unacceptable will be subject to disciplinary action. In the event of an emergency absence, requests for an excused absence must be made to the individual college’s Office of Student Affairs for a decision. All students are instructed to consult their specific program handbook with regard to additional or supplemental attendance policies.

1. Excused absences
   A. Illness: The division must be notified as soon as possible, or at the latest, on return to school, of all absences due to illness. For unusual or prolonged illness, the appropriate Office of Student Affairs must be notified as soon as possible. These absences will be evaluated on an individual basis.
B. Special circumstances: Unusual circumstances resulting in absences (e.g., death in the immediate family) must be cleared with the appropriate Office of Student Affairs on an individual basis, preferably before the student is absent from class.

2. Unexcused absences
Absences not falling into the first category are unexcused absences. The administration realizes that special circumstances may arise on rare occasions leading to an unexcused absence. However, unexcused absences are neither a right nor an entitlement of the student.

Unexcused absences or absences may result in a written reprimand from the dean with a copy to be placed in the student's permanent file, plus a loss of 10 percentage points in the course or failure in the course.

Each laboratory, assignment, or examination missed must be made up at the discretion and convenience of the instructor.

If, in the judgment of the dean, a pattern of absences appears to surface, action may be taken, up to and including failure in the courses involved or dismissal from school.

3. Clinical rotations
Attendance while on clinical rotations follows different procedures and they are noted in the policy and procedures Clinical Rotation Handbook or Clerkship/Externship Manual distributed prior to going on rotations.

4. Promptness
Promptness is another trait a proper health care practitioner must display. Additionally, tardiness in class disturbs both the lecturer and other members of the class and is thus markedly inconsiderate and rude.

Classes begin at various times within each college. Any student not seated in his or her assigned seat by the time class begins may be marked absent. Students will await the instructor's arrival until at least 20 minutes after the specified starting time, unless notified otherwise by an authorized person. Class schedules are issued from time to time as an aid to faculty members and students, but the administration reserves the right to make changes, assign Saturday hours, or deviate from published schedules without notice.

5. Religious holidays
Absences for major religious and ethnic holidays may be excused at the discretion of the administration. Students are required to obtain approval for their absences one week prior to the holiday.

Background Checks
Students are required to authorize the NSU Health Professions Division to obtain background check(s) as per adopted policy of April 22, 2005. Students may also be required by the Health Professions Division to obtain a background check or authorize, where appropriate, clinical training facilities to conduct the check and to permit the results provided by the consumer reporting agency to the NSU Health Professions Division and/or to the clinical training facilities. If the background check(s) reveal information of concern, which the NSU Health Professions Division may deem unfavorable, the NSU Health Professions Division will provide the accepted applicant or enrolled student a copy of the report and the document entitled “A Summary of Your Rights Under the Fair Credit Reporting Act,” and
request the individual to provide a detailed written explanation of the information contained in this report along with appropriate documentation (e.g., police reports). This information must be returned to the NSU Health Professions Division within 10 business days of the date the communication is sent or another date specified by the NSU Health Professions Division in its communication with the student.

Offers of admission will not be considered final until the completion of the background check(s), with results deemed favorable by the NSU Health Professions Division, and, where appropriate, by the clinical training facilities, or if information received indicates that the student has provided false or misleading statements, has omitted required information, or in any way is unable to meet the requirements for completion of the program, then the admission may be denied or rescinded, the student may be disciplined or dismissed, or his or her enrollment terminated.

Following the initial background check(s), students will be asked annually to provide a certification relating to any convictions, guilty pleas, or no contest pleas to any criminal offense, other than traffic violations.

Certificate of Physical Examination

Students must have a certificate of physical examination completed by their physician. Forms will be distributed by the Division Office of Admissions and Student Services to each matriculant as part of the admissions package.

Students may request that the University Health Service perform these examinations after matriculation. The University Health Service will make appointments in as timely a manner as possible, and the appointments, once made, become an obligation of the student, and must be kept.

These certificates (whether done privately or by the university), will be placed in the student’s files in the college office.

Core Performance Standards for Admission and Progress

The Nova Southeastern University Health Professions Division is pledged to the admission and matriculation of qualified students and wishes to acknowledge awareness of laws which prohibit discrimination against anyone on the basis of race, color, national origin, religion, sex or qualified disability.

Regarding those students with verifiable disabilities, the university will not discriminate against such individuals who are otherwise qualified, but will expect applicants and students to meet certain minimal technical standards (core performance standards) as set forth herein with or without reasonable accommodation. In adopting these standards, the university believes it must keep in mind the ultimate safety of the patients whom its graduates will eventually serve. The standards reflect what the university believes are reasonable expectations required of health professions students and personnel in performing common functions.

The holders of health care degrees must have the knowledge and skills to function in a broad variety of clinical situations and to render a wide spectrum of patient care. In order to carry out the activities described below, candidates for Health Professions Division degrees must be able to integrate consistently, quickly, and accurately all information received, and they must have the ability to learn, integrate, analyze, and synthesize data.

Candidates for degrees offered by the Health Professions Division must have, with or without reasonable accommodation, multiple abilities and skills including intellectual, conceptual, integrative,
and quantitative abilities; interpersonal communication; mobility and strength; motor skills; hearing, visual, tactile, behavioral, and social attributes. Candidates for admission and progression must be able to perform these abilities and skills in a reasonably independent manner.

**Intellectual, Conceptual, Integrative, and Qualitative Abilities**
These abilities include measurement, calculation, reasoning, analysis, and synthesis. Problem solving—a critical skill—requires all of these intellectual abilities. Candidates and students must have critical thinking ability sufficient for good clinical judgment. This is necessary to identify cause-effect relationships in clinical situations and to develop plans of care. In addition, candidates and students should be able to comprehend three-dimensional relationships and to understand the spatial relationships of structures. An individual is expected to be able to perform multiple tasks in a diverse, dynamic, highly competitive, and challenging learning environment. All individuals are expected to meet their program requirements on a satisfactory level as determined by HPD administration or the applicable college/program administration. Osteopathic medical students must be able to perform multiple tasks in a diverse, dynamic, highly competitive, and challenging environment. They must be able to think quickly and accurately in an organized manner, despite environmental distractions.

**Interpersonal Communication**
Candidates and students should be able to interact with and observe patients in order to elicit information, examine patients, describe changes in mood, activity, and posture, and perceive nonverbal communications. They must be able to communicate effectively and sensitively with patients. Communication includes not only speech but also reading and writing. They must also be able to communicate effectively and efficiently in all written forms with all members of the health care team. They must have interpersonal abilities sufficient to interact with individuals, families, and groups from a variety of social, emotional, cultural, and intellectual backgrounds.

**Motor Skills**
Candidates and students should have sufficient motor function to execute movements reasonably required to provide general care and emergency treatment to patients. Examples of emergency treatment reasonably required to some health care professionals are cardiopulmonary resuscitation, administration of intravenous medication, the application of pressure to stop bleeding, the opening of obstructed airways, and the ability to calibrate and use various pieces of equipment. Such actions require coordination of both gross and fine muscular movements, equilibrium and functional use of the senses of touch and vision. Physical therapy and occupational therapy students must be able to position patients for treatment, as well as teaching the teaching the functions involving gross and fine movements. Pharmacy candidates and students must have sufficient motor skills to weigh chemical and pharmaceutical (including intravenous) solutions, prepare prescriptions, and carry out sterile procedures.

**Strength and Mobility**
Candidates and students must have sufficient mobility to attend to emergency codes and to perform such maneuvers as CPR when required. They must have the physical ability to move sufficiently from room to room and to maneuver in small places. Osteopathic medical students must have the ability to position patients for the administration and delivery of osteopathic manipulative treatment in a variety of settings and to position and move patients when required.

Pharmacy students must be able to move about within a pharmacy setting and a patient's room.

Physical therapy and occupational therapy students must be able to administer treatment in a variety of settings and positions and move patients when required.
Hearing
Candidates and students should have sufficient auditory ability to monitor and assess health needs. They must be able to hear information given by the patient in answer to inquiries; to hear cries for help; to hear features in an examination, such as the auscultatory sounds; and to be able to monitor equipment.

Visual
Candidates and students must have visual ability sufficient for observation and assessment necessary in patient care. It must be consistent in many cases with being able to assess asymmetry, range of motion, and tissue texture changes. Osteopathic Medicine, Optometry, and Physician Assistant students must have sufficient visual ability to use ophthalmologic instruments. It is necessary to have adequate visual capabilities for proper evaluation and treatment integration. Candidates and students must be able to observe the patient and the patient's responses including body language and features of the examination and treatment. Pharmacy students must be able to interpret prescriptions and medical orders, as well as to inspect medicine for deterioration or expiration.

Tactile
Candidates and students must have sufficient tactile ability for physical assessment. They must be able to perform palpation, functions of physical examination, and/or those related to therapeutic intervention. Pharmacy students must be able to measure and compound, sometimes transferring from container to container and to carry out sterile procedures. Dental students must be able to deliver appropriate treatment using high technology equipment such as dental drills and surgical instruments.

Behavioral and Social Attributes
Candidates and students must possess the emotional health required for full use of their intellectual abilities; the exercise of good judgment; the prompt completion of all responsibilities attendant to the diagnosis and care of patients; and the development of mature, sensitive, and effective relationship with patients. Candidates and students must be able to physically tolerate taxing workloads, to adapt to changing environments, to display flexibility, and to learn to function in the face of uncertainties inherent in the clinical problems of many patients. Compassion, integrity, concern for others, interpersonal skills, interest, and motivation are all personal qualities that will be assessed during the admissions and education process.

Sensory
Osteopathic students and physician assistants are required to have an enhanced ability to use their sensory skills. These enhanced tactile and proprioceptive sensory skills are essential for appropriate osteopathic evaluation and treatment of patients.

Dress Code
Students in the Health Professions Division must maintain a neat and clean appearance befitting students attending professional school. Therefore, attire should convey a professional appearance whenever the student is on the division campus and in classes or laboratory or on an experiential rotation or program. The following constitute acceptable attire:

1. Students must wear their white consultation jackets with their names and appropriate college designation embroidered over or on the left breast pocket. A white jacket is to be worn daily over the prescribed attire.
2. Shirt, tie, slacks, socks, and regular shoes for men, and for women it should be professional business dress, which includes slacks, pants, or skirt with blouse, or dress and appropriate shoes.
3. Matching scrub sets, socks, and shoes.
4. In addition to the above attire, students must wear their white clinical jackets.
5. Identification badges will be issued at the Health Professions Division Badge Room, in the Horvitz Administration Building, or from the Office of Student Affairs for distance program students, and must be worn at all times when the student is on campus or clinical rotation. Please note that on campus, ID badges are necessary for proper use of auditoriums, library and recreational facilities, offices, laboratories, and certain restricted parking areas.

Students may not wear the following:
- shorts
- cut-offs
- mini-skirts (higher than mid-thigh)
- jeans
- see-through clothing or halter-tops
- beach/flip-flop sandals or thong footwear
- T-shirts (as the outer shirt)
- jogging or exercise clothing
- hats or caps, unless of a religious nature

These guidelines apply on campus from 8:00 a.m.-5:00 p.m., Monday through Friday, and while on duty on rotations.

Students inappropriately dressed or groomed may be requested to leave the campus. In this circumstance, an unexcused absence will be recorded until the student returns properly attired. Questionable or disputed cases of dress or grooming shall be presented to the dean, whose decision shall be final. Repeated violations will be considered improper professional behavior and may result in disciplinary action. When a class requires special dress (such as the wearing of scrub suits in anatomy laboratory), it will be the only exception to the dress code allowed during that time.

The dress code is to be observed at all times including midterms and examination periods. Students are expected to consult their specific program handbook for compliance with any program-specific supplemental dress code policies.

**Food in the Lecture Halls**
Food, beverages, and tobacco are not permitted in the lecture halls, laboratories, or university clinics. Smoking is not permitted inside any division building.

**Identification Badges**
Students must wear identification badges at all times while on campus. ID badges are not transferable. ID badges are issued at the Health Professions Division Badge Room, in the Horvitz Administration Building, or from the Office of Student Affairs for distance program students. These badges are given to the students at no charge except for replacement.

**Identification Requirements and Fieldwork Prerequisites**
An affiliated clinical/fieldwork teaching facility may also require a student to pass a state of Florida Department of Health screening before rotation. Other requirements, which may be held by the affiliated facility include, but are not limited to, fingerprinting, criminal background check, urinalysis for drugs and alcohol, and proof of immunization. If a student does not meet all requirements held by
the affiliated facility before the first day of the scheduled placement, the student’s placement will be canceled, or if the placement has begun, the student will be asked to leave.

**Immunization Requirements**

Students must have completed the mandatory immunization form.

The following immunization procedures are required of students at the Health Professions Division:

**Basic Immunizations:** Every student is required to have had an immunization for the following diseases before matriculating at Nova Southeastern University: diphtheria-pertussis-tetanus (or diphtheria-tetanus), varicella (chicken pox), and measles-mumps-rubella. A written memorandum of the immunization given and the date, signed by a physician, must be filed with the Office of Admissions on the day of registration at the latest. These basic immunizations are the financial responsibility of the student.

**Hepatitis B Vaccine:** Since every student at the Health Professions Division potentially can be exposed to this deadly virus, and since many rotation sites require it of personnel, we will administer and require hepatitis B vaccination for every entering student during the first year, with a follow-up blood test showing the presence of hepatitis B antibody. The cost of this vaccination will be supported through the student activities fee.

**Tuberculosis:** Because of the resurgence of tuberculosis and the possible exposure of students to TB, the Health Professions Division will require and provide a yearly tuberculosis test for every student. The student activities fee, too, will support this.

**Arrangements:** The University Health Service will schedule appointments for students for tuberculosis testing and for hepatitis B vaccination. Because both of these require preparation, any student who does not keep a scheduled vaccination appointment will be required to pay for the immunization personally.

The university is not required to provide alternate sites for clinical practicum or rotations should immunization be a requirement for placement. Therefore, the student may be delayed in meeting the graduation requirements of their program.

**Email**

Email notices to students from faculty and staff members or other students must be sent via a university assigned email address. It should be noted that forwarding of emails containing patient health information is prohibited by federal compliance regulations.

**Notices, Messages, and Posters**

After approval from Student Affairs, students may post notices on the bulletin boards located in the student lounge and other locations. Other boards are provided for university or division business only. Students are prohibited from posting, altering, or removing notices or messages from these boards. No notices, announcements, posters, or any other papers may be posted anywhere, including doors, windows, and elevators, except on bulletin boards provided for that purpose.

**Parking Lot**

You are encouraged to use the parking areas designated for our students. You must obtain a parking decal from the security office. Please keep in mind that the parking spaces adjacent to or in front of our building(s) are for administrators, visitors, and patients only. Parking in spaces other than those appropriated may result in a ticket violation. Remember to lock your car everyday and park within the specified areas. Do not leave valuables in your vehicle.
Courtesy and common sense in parking will avoid accidents, personal injuries, damage to your vehicle and to the vehicles of other students and employees. If you should damage another car while parking or leaving, immediately report the incident, along with the license numbers of both vehicles and any other pertinent information you may have, to the NSU Public Safety Department.

The Health Professions Division and NSU do not assume any liability for any loss or damages you may sustain while parked in the parking garage. Use of NSU parking facilities are always at your own risk.

Photographs and Recordings
No one may take photographs in classrooms or laboratories without prior permission of the instructor and student(s) within those facilities. Absolutely no photographs may be taken in the anatomy laboratories. Students wishing to record lectures must obtain permission from the instructor. Consent forms may be obtained from your academic center's office.

Return of University Property
Any Health Professions Division or university property issued to you must be returned at the time of your dismissal or graduation, or whenever it is requested by administration, the department in control of the item, or the program. You are responsible to pay for any lost or damaged items. The value of any property issued and not returned may be charged to your financial account, and you may be required to deal with the bursar's office for this purpose. Also, diplomas will be withheld for any outstanding financial obligation.

Security Checks
The university, the Health Professions Division, Public Safety Department/Davie Police, or community police departments may exercise the right to inspect all packages and parcels entering and leaving our premises to ensure the safety and physical integrity of the building and the premises. Please cooperate with security in providing this service and important function.

Social Events and Extracurricular Activities
All extracurricular activities by division-recognized organizations, on campus and off campus, must be approved in advance by the Division Office of Student Affairs. A student or group of students may not officially represent the division or the university, on or off campus, at any time without prior authorization in written form. All events sponsored by student body groups must receive prior approval from the Division Office of Student Affairs and faculty advisers affiliated with the group. Requests for permission for speakers, student meetings, and other activities on campus should be made on forms provided by the Division Office of Student Affairs at least two weeks in advance. The Division Office of Student Affairs must approve activities before the coordinator of educational support can assign a room, and no meeting announcements may be made until approval is made. A specific room will be assigned for the function. No announcements can be posted unless the Division Office of Student Affairs gives authorization. Forms and additional information are obtainable from the Division Office of Student Affairs.

Student Employment
Due to the intensity of all academic programs, outside employment during regular school terms is strongly discouraged.
Student Insurance Requirement

It is required that each Health Professions Division Student (except those in online educational programs and R.N. to B.S.N. Nursing Programs) carry adequate personal medical and hospitalization insurance. It is strongly suggested that students and their families avail themselves of the insurance plan obtainable through the university. Information about the policy can be obtained through the Health Professions Division Admissions and Student Services Office, or by accessing the Web site at www.nova.edu/smc. Click on the link for Health Insurance. Please note that students will see a charge for health insurance appear on their student account as part of the academic registration process.

For those students who already have health insurance coverage and do not need the NSU-endorsed insurance plan, this charge will be removed from their account once proof of coverage has been submitted by completing the online waiver. To complete the waiver form, go to www.nova.edu/smc and click on Student Health Insurance. Then click on the waiver form link. The online waiver is the only process by which insurance charges will be removed and coverage will be cancelled. Students who fail to complete the waiver form and provide proof of health insurance by the stated deadline will not be eligible to have charges removed and will continue to be enrolled in the insurance plan endorsed by NSU.

Telephone Calls

A student will not be called from class for a telephone call except in cases of extreme emergency. Other urgent messages may be left with the telephone operator. Outgoing calls made by students should be made from pay phones located outside the library or at various other locations throughout the campus. Use of the division office phones is not permitted under any circumstances.

Visitors

Unescorted visitors in our facilities are not allowed. Visitors are not permitted in classrooms or laboratories on HPD property without prior permission from the college or department. No visitors are permitted in a restricted area at any time. If you are expecting visitors, you must request permission from the college or department coordinator and obtain permission from the instructor(s) giving the lecture that the visitor will be attending. No permission will be granted the day of visitation. Ask your visitors to sign in with the college or department receptionist and/or department coordinator when they arrive. Student escorts are permissible after sign-in.

Visits to Other Institutions

Students in the Health Professions Division may not visit, in an official or presumably official capacity as a professional school student, any health-related institution (hospital, pharmacy, practitioner's office, clinic, etc.) or any health school without express permission of the dean. Visits to relatives or friends who are hospitalized are permitted, provided they are within visiting hours and all hospital rules are observed.

Mission Statement

The College of Dental Medicine’s mission is to educate and train students to ensure their competency to practice the art and science of the dental profession. This requires graduates to be biologically knowledgeable, technically skilled, compassionate, and sensitive to the needs of all patients and the community.

The College of Dental Medicine fosters excellence in dental education through innovative teaching, research, scholarship, and community service.

Reservation of Power

The student handbook is not intended to be a contract or part of a contractual agreement between Nova Southeastern University and the student. The College of Dental Medicine Student Handbook is available online at www.nova.edu/cwis/studentaffairs/forms/studenthandbook.pdf. Changes in the content of the student handbook may be made at anytime, by the university, division, or college administration. Adequate notice of anticipated changes will be given to the student, whenever possible. This student handbook supersedes all previous handbooks, documents, and directives where they may be in conflict. The student handbook is the governing document for all program-related information. Please become familiar with the policies and procedures listed within. Failure to read this handbook does not excuse students from the rules, policies, and procedures contained in it. Students are expected to be familiar and comply with all the policies and procedures contained within the student handbook, including any revisions or modifications.

Nova Southeastern University reserves the right to amend, modify, add to, or delete its rules, policies, and procedures without notice, affecting its institutional relationship with students as deemed necessary by the administration. Any such amendment, modification, addition, or deletion shall not be considered a violation of the relationship between the university and the student. Such right includes modification to academic requirements, curriculum, tuition, and/or fees when in judgment of the administration such changes are required in the exercise of its educational responsibility.

POSTDOCTORAL DENTAL EDUCATION

The College of Dental Medicine currently sponsors the following postdoctoral dental education programs:

- Advanced Education in General Dentistry—includes optional second-year track in Special Needs Dentistry
- Endodontics
- Oral and Maxillofacial Surgery
- Orthodontics and Dentofacial Orthopedics
- Pediatric Dentistry
- Periodontology
- Prosthodontics

STUDENT AFFAIRS

A. Token Identification Numbers (Token IDs)

In order to fully comply with the Family Educational Rights and Privacy Act of 1974, all exams, assignments, and course grades posted for College of Dental Medicine (CDM) students will be designated by the student’s assigned token identification number (token ID). A student's token ID is known only by the student, the Health Professions Division (HPD) Testing Center, and the college's Office of Academic Affairs. All students are under an obligation to ensure the confidentiality of their token IDs.

Students who forget their token IDs must go to the Office of Academic Affairs and present a photo ID to obtain their number. Additionally, students who believe that the confidentiality of their token ID has been breached may request that they be assigned a new token ID.

B. Special Counseling Arrangements

In cooperation with the Health Professions Division, Nova Southeastern University’s (NSU) Student Counseling Services provides students with psychological counseling. Students who need assistance should call (954) 262-7050.

The center's hours are

8:30 a.m. to 9:00 p.m., Monday through Thursday
8:30 a.m. to 5:00 p.m., Friday

Crisis counseling is available 24 hours a day.

C. Student Career Counseling

In addition to counseling students regarding opportunities in practice and postdoctoral education (e.g., fellowships and residency programs), the College of Dental Medicine also provides information
for students on alternative careers in dental medicine. The Office of Student Affairs assists students in identifying opportunities for careers in

- teaching and research
- military service
- federal, state, and local government
- underserved areas of dental care
- National Health Service Corps

In addition, community dentists on the faculty offer individualized career counseling and information on other careers in dental medicine, such as hospital, clinic, and private practice; group and solo practice; and careers in public health.

Students who need career counseling should call the College of Dental Medicine's Office of Student Affairs at (954) 262-1796.

D. Health Insurance

Prior to matriculation and through graduation, all students are required to obtain and maintain health insurance that allows the student to be treated locally. At the start of each academic year, students must sign an affidavit confirming that their health insurance is current and will be maintained. A student may be prevented from continuing his or her studies for lack of health insurance.

E. Technology Resources for Students

WebSTAR

Web site: http://webstar.nova.edu

WebSTAR help desk: pinhelp@nsu.nova.edu or (954) 262-4850/(800) 541-6682, ext. 4850

Once students are admitted to the College of Dental Medicine, the Office of Information Technology (OIT) assigns and mails all students a personal identification number (PIN). Students' PINs provide access to the WebSTAR system.

WebSTAR is designed to assist students with online registration, general financial aid information with links to recommended loan agency sites, class schedule information, course catalogs, and course listings. WebSTAR also provides personal information where students can change their addresses, phone numbers, emergency contact information, and view or print their unofficial transcripts and degree information.

WebMail2

Web site: http://mail2.nova.edu

WebMail2 help desk: help@nsu.nova.edu or (954) 262-4357/(800) 541-6682, ext. 4357

All NSU-CDM students are required to establish an NSU email account. In order to create their email accounts, students should go to: www.nova.edu.
1. Click on current student bar at the top left hand side of the page.

2. Scroll down to the Technology section.

3. Click on “request an email account.”

4. Click on NSU email account request form and follow the instructions.

Students’ email accounts will be used by course instructors for communicating with students, for important information regarding students’ schedules, for dissemination of information from class officers, for notices from the dean and administrative departments, and for any additional informative notices.

WebCT
Web site: www.nova.edu/webct

WebCT help desk: help@nsu.nova.edu or (954) 262-4357/(800) 541-6682, ext. 4357

WebCT is an online learning tool used at Nova Southeastern University. Students must access any online courses on their schedule through this site.

To access WebCT, students must enter the same username and password assigned to them for their email accounts.

Course Evaluations
Web site: http://www.nova.edu/online_evaluations

NSU-CDM administers online course evaluations at the conclusion of each academic term. Several weeks before the term ends, students will be notified via email of the link to the online course evaluation Web site. All evaluations submitted by students are anonymous.

F. Student Responsibility to Obtain Information

Each student enrolled in the College of Dental Medicine is individually responsible for knowledge of the current academic regulations; the general and specific requirements; and the operational policies as contained in this Student Handbook, HPD Catalog, and other official documents or announcements of HPD and the college.

Official college communications may be sent via email. All students are required to maintain and access their NSU email account on a daily basis to read any communications that have been forwarded.

G. Disabilities and Academic Accommodations

See section on Disabilities in this Student Handbook under Specific University Policies and Procedures and Nondiscrimination Statement in Student Rights and Responsibilities section.

H. Nondiscrimination Policy

See section on Discriminatory Conduct in this Student Handbook under Specific University Policies and Procedures and Nondiscrimination Statement in Student Rights and Responsibilities section.
I. Sexual Harassment Policy
See section on Sexual Harassment Policy in this Student Handbook under Specific University Policies and Procedures.

J. Tuition Payment
Late tuition payments or failure to make arrangements to pay tuition will result in the student being removed from class and/or clinic.

K. Extracurricular Student Activities
Postdoctoral students may participate in a variety of organizations, which are listed below:

1. National Dental Organizations
Postdoctoral students in advanced specialty education programs are required to be a member of their respective specialty dental organizations.

2. Dental Fraternities
The following international dental fraternities have active chapters at the College of Dental Medicine: Alpha Omega, Delta Sigma Delta, and Psi Omega. All of these fraternities were established to uphold the highest standards of professionalism, foster service and scholarship, and serve as a social activity center for their members.

3. Advanced Dental Education Student Council (ADESC)
The ADESC is recognized by the HPD and college administration as the governmental assembly of the postdoctoral student body. It serves to collect and express postdoctoral student opinion, and also serves as the conduit for all interaction between the postdoctoral students, faculty members, and administrators. The council consists of one student representative from each postdoctoral program.
A. General Information

1. Faculty Access
Faculty members will be available by posted office hours, email, and/or appointment.

2. Academic Records
All documentation placed in the student's permanent records will be maintained in the College of Dental Medicine's Office of Academic Affairs. In addition, a student's official academic record is maintained in the university's Office of the Registrar. Any students requesting a copy of their official record must contact the registrar.

3. Course and Instructor Evaluations
Each student has a responsibility to his or her professional development to provide constructive evaluation for each course and instructor in the curriculum. This responsibility will be met by participation in course evaluations that are routinely administered by the College of Dental Medicine. The college expects each student to sincerely accept this responsibility and obligation in a constructive manner so that optimal feedback can be provided. This input will facilitate student welfare by promoting changes that will improve the educational effectiveness of the curriculum, as well as assist faculty members by providing constructive input to help them improve their teaching strategies.

Any student who does not complete required course evaluation/instructor evaluation forms for a course in which he or she is enrolled will receive an incomplete (I) grade for that course. The grade for the course will be changed upon the completion of the required evaluation form(s). The policy regarding incomplete (I) coursework applies to this grade (see section on Incomplete Coursework in this Student Handbook).

4. Library Skills Policy
All students must be able to identify and locate materials in the library as needed or required by course instructors. Students must be familiar with the leading dental journals and be able to research specific topics related to dental medicine by using standard bibliographies and indexes.

The College of Dental Medicine, in cooperation with the Health Professions Division's library staff, includes courses in the academic program that provide students with information on conducting online electronic searches in health care databases and other related topics.

5. Withdrawal from the College of Dental Medicine
Withdrawal is a voluntary resignation by the student, in writing to the dean via certified mail, under which he or she surrenders all rights and privileges as a student in the College of Dental Medicine. Additionally, a student who does not register and/or attend classes/clinic for 15 consecutive business days (excluding official school holidays and weekends) without written notification to the dean regarding the reason for the absence, as well as his or her intention to continue studies, shall be considered withdrawn from the college.

To return to school after withdrawal, the student must apply for admission through the Health Professions Division's Office of Admissions.
6. Withdrawal from a Course
Withdrawal by students from an individual course or courses is not permitted, except under special circumstances such as leave of absence (see section on Leave of Absence below). Final approval of a student's request to withdraw from a course(s) is at the dean's discretion.
Withdrawal from a course or courses must be distinguished from a withdrawal from the College of Dental Medicine (see section on Withdrawal from the College of Dental Medicine preceding this section).

7. Leave of Absence
A leave of absence is defined as an extended period of time away from College of Dental Medicine activities that may become necessary due to prolonged illness or personal matters of significant gravity.

Leave of absence records and the date of each determination shall be placed in the student's permanent record.

There are two types of leaves of absence:

a. Administrative Leave of Absence
An administrative leave of absence is a mandatory leave of absence imposed by the dean. During the leave, the dean will provide the student with the opportunity to rectify the situation that precipitated the necessity for the leave. This might require that the student seek rehabilitation or treatment for a problem that has led to the mandatory leave of absence.

In order to be considered for reinstatement to the program after the administrative leave of absence, the student must write a letter addressed to the dean and
- submit a written request for reinstatement
- demonstrate to the dean's satisfaction that a reasonable likelihood exists that the need for an additional administrative leave of absence will not recur

b. Voluntary Leave of Absence
A voluntary leave of absence is a request by a student to temporarily withdraw from classes and/or clinic for personal, financial, or medical reasons. A voluntary leave of absence must be requested in writing to the postdoctoral program director, who will review the request and submit a recommendation to the dean. The dean will then determine whether or not the leave of absence will be granted. It is important to note that a voluntary leave of absence is rarely granted at the postdoctoral level due to the smaller postdoctoral facilities and the need for continuity of the programs.

A voluntary leave of absence may not exceed one year, either cumulatively or within a single leave during the student's matriculation. If the student does not return within one year, he or she will automatically be considered to have voluntarily withdrawn from the college. The specific time frame of a voluntary leave of absence is always dependent on the ability of the student to return to classes and/or clinic in order to keep the coursework on the appropriate continuum. A student cannot return to the college in the middle of a course or semester, but must return during a well-defined starting point such as the start of a semester. While on a leave of absence, a student is not eligible to make up incomplete class work or remediate any failed courses.

If a voluntary leave of absence is granted and the student is in good academic standing, the student may reenter the program at the end of the leave without any need for readmission. However, the student must still meet any new requirement(s) that may become effective during
the leave of absence. It is important to note that any leave of absence based on medical reasons is excluded from this provision regarding meeting any new requirements.

If a student is granted a voluntary leave of absence while current coursework is still in progress, he or she will be withdrawn from those courses. In all such cases, a designation of W for withdrawal will be entered on the student's transcript for each course in progress. In such cases of withdrawal from courses, students will be required to successfully complete all of these courses when they return from their leave of absence and before they will be permitted to progress into the next academic year.

If a voluntary leave of absence is approved by the dean and the student is currently not in good academic standing, is under review for a disciplinary action, or has a disciplinary action imposed upon him or her, then the student may not be reinstated to the college without a review by the Advanced Dental Education Committee (ADEC). Upon completion of its review, the ADEC will make a recommendation to the dean regarding whether or not to reinstate the student. If the student is denied reinstatement, his or her status will be changed to either a withdrawal from the college or a dismissal. If appropriate, students may be reinstated with a disciplinary action imposed upon them at the beginning of their reinstatement for a stated period of time.

Before they will be allowed to return to the college, students granted a voluntary leave of absence for a medical reason must have a licensed physician certify in writing that their physical and/or mental health is sufficient to permit them to continue with their dental education.

Students granted a voluntary leave of absence for financial reasons must, before their return to the college, prove to the financial departments of the university that they have the financial capability to advance in their education.

All actions regarding a student's administrative or voluntary leave of absence are at the dean's discretion. The decision of the dean is final.

B. Academic Standing

Every postdoctoral student's academic performance is reviewed each semester by the postdoctoral program director, and a transcript is compiled for all students by the Office of the Registrar. A copy of this transcript is available to the student, the Office of Academic Affairs, the Advanced Dental Education Committee, the Office of Student Financial Aid, and to other individuals or institutions when authorized by the student or the dean.

The student's official transcript includes

- grades earned (including any remediated failing grades)
- deficiencies (e.g., incompletes, failures, and probationary status)
- semester grade point average (GPA) and cumulative GPA
- withdrawal and/or leaves of absence

Students are considered to be in good academic standing when they have successfully completed all required coursework to date. This implies that all incomplete coursework has been satisfactorily completed, and that the student is not currently under an academic or behavioral disciplinary sanction such as probation, suspension, or dismissal. All postdoctoral students failing a course will be placed on academic probation until the ADEC recommends to the dean that these students be removed from probation. A student who is not in good academic standing may be prohibited from
participating in extracurricular or other student activities, holding office in any Nova Southeastern University organization, or being elected to any honorary or other school organizations.

Under certain circumstances and after consultation with the dean, the academic dean may grant students special student status. For a further description and an example of circumstances when this status may be assigned to students, see the section on Course Failures, Remediation and Reexamination in this Student Handbook.

It is the responsibility of the postdoctoral program directors to inform their students in writing regarding changes in their academic standing.

C. Academic Promotion

Promotion is defined as progression from one academic year to the next. To make satisfactory academic progress, a student must successfully complete all courses required in the preceding academic year in order to move on to the next academic year in the program.

First-year (PG1) postdoctoral courses are considered prerequisites for second-year (PG2) courses, as are PG2 courses prerequisites for third-year (PG3) courses, and PG3 courses for fourth-year (PG4) courses, when applicable. Similarly, classroom and laboratory courses are considered to be prerequisites for clinical assignments. As such, no student with an incomplete, withdrawal, or failure in a prerequisite course will be permitted to proceed with clinical assignments without written approval from the associate dean of academic affairs.

The postdoctoral program directors will consider each postdoctoral student's academic performance and annually recommend to the dean all students who are eligible for promotion into the next academic year, as well as those qualified to receive their certificates.

1. Student Grades and Performance Evaluation

At the completion of each course, the course director will have the responsibility for submitting grades to the college's Office of Academic Affairs.

Grading of all didactic and laboratory courses is based on the following scale:

PH (Pass with honors)
P (Pass)
F (Fail)

Grading of all clinical courses in based on the following scale:

P (Pass)
F (Fail)

Each department has established criteria describing levels of clinical competence within each dental discipline and determined the number/types/quality of clinical experiences necessary for students to complete their clinical requirements. Each department has also established criteria to achieve particular grade levels. This information is available to students from each of the college's departments.

2. Examination Policies and Procedures

a. All tests, quizzes, and examinations are hereafter referred to as exams.

b. All exams must be proctored by the course director or faculty designee.
c. It is given and understood that during examinations
   • academic dishonesty will not be tolerated
   • appearance of cheating will be treated as cheating
   • students may only work during the designated examination time

This shall be enforced even in circumstances where the examination proctor has not specifically
announced this policy.

d. Faculty members and other designated proctors will monitor exams at all times. Any student
having the appearance of engaging in an act of academic dishonesty will
   • have his or her paper removed
   • receive a 0 for that particular exam
   • be referred to the associate dean of academic affairs

e. Exam challenges by students to examination questions or evaluation of graded work are only
allowed at the discretion of the course director.

f. Remediation Reexaminations: See section on Course Failures, Remediation, and
Reexamination in this Student Handbook.

3. Incomplete Coursework
When a student fails to complete all the requirements of a course or clinical rotation, the student
shall receive a grade of incomplete (I). An I does not imply that a student has produced inadequate
work, but reflects the student's inability to complete required work. An I will be changed to a passing
grade upon the student's satisfactory completion of the course requirements.

A change from an I to a passing grade must occur within the time frame specified by the course
director, but not later than the beginning of the fall semester of the next academic year or at an
earlier time as designated in writing by the course director. An I grade that is not remediated within
this time frame will be converted to a failing grade of 50.

4. Course Failures, Remediation and Reexamination
Postdoctoral students who fail a course or courses (i.e., earn a grade less than 70 or an F) will be
provided with one opportunity for reexamination following a period of remediation. This remediation
may include a review of course materials assigned by the course director, assigned readings, tutoring
sessions arranged by the student, or other types of review sessions conducted by the course director
or a designee. The course director is responsible for writing to students who have failed a course
and informing them of the procedures that will be used for remediation of the particular academic
deficiency and subsequent reexamination to provide these students with an opportunity to pass
the course.

Successful remediation of all failed courses must occur prior to the end of the subsequent semester.
If knowledge and/or materials related to the failed course are prerequisite or key to clinic or a subse-
quent course, the student's clinical activities or registration in that course may be delayed until
remediation is complete. This delayed start may in turn affect the student's clinical or course grade.
If a postdoctoral student does not successfully remediate all course failures prior to the end of the
subsequent semester (i.e., if the student fails a course remediation or does not complete remediation
of a failed course), the ADEC will review the student's academic record and will recommend to the
dean that one of the following actions be taken:
• The student will be granted special student status, whereby the student may go on to the next academic year without being promoted with his or her class and take all courses offered during that year. The student will remain on special student status until he or she repeats and passes the failed course(s). At that time, the student will be promoted to the next academic year and remain on academic probation until the ADEC recommends to the dean that he or she be removed from probation.

• The student will be dismissed from the College of Dental Medicine.

It is important to note that, unlike the predoctoral program, there is no option for recommending that a postdoctoral student with an academic deficiency or deficiencies repeat the previous academic year in its entirety.

Students repeating a failed course may not be permitted to remediate and take a reexamination if they fail the course again, and may be dismissed from the college.

Students who fail a total of two or more classroom/laboratory/clinical courses during the entire term of their postdoctoral program may be dismissed, regardless of whether or not they have successfully remediated any of these course failures.

The ADEC and the dean will always consider the student's entire postdoctoral College of Dental Medicine academic record when determining how the aforementioned policies apply to an individual student's academic standing. Exceptions to any of these policies may be made at the discretion of the dean.

5. Make-up Examinations

Make-up examinations are generally not offered at the postdoctoral level, except under extreme circumstances and at the discretion of the course director. If a student does not take an examination at its scheduled time, the student may ask the course director for the opportunity to take a make-up examination. If this request is not granted, a score of zero will be recorded. If it is granted, the student will be required to take a make-up examination during the following 30-day period. Failure to take a scheduled make-up exam will result in a grade of zero for that missed exam. For didactic courses, make-up examinations may include short answer, essay, or multiple-choice formats at the instructor's discretion and will be treated the same as any other examination in terms of grading. For clinical courses, make-up examinations will consist of an appropriate clinical test format selected by the course director and will be treated the same as any other examination in terms of grading. The date, time, and location of all make-up examinations will be determined by the course director.

6. Transcript Notations

Designations that may appear on a student's official transcript include the following:

70 E Failed course remediated by reexamination
70 R Repeated course to remediate a prior course failure
80 E Failed course remediated by reexamination
80 R Repeated course to remediate a prior course failure
P Pass
F Fail
PH Pass with Honors
RP Pass Remediated
PR Progress
NPR  No Progress
I  Incomplete
W  Withdrawal Without Penalty
AU  Audit

Grades below 70, F (Failure), or I (Incomplete) require special action, as noted previously in this Student Handbook. In order to graduate, students must pass all courses.

Failing grades will be included in calculating the GPA for that semester and the cumulative GPA. If a course is failed and subsequently passed after remediation and reexamination, a grade of 70 or 80 (the highest possible grades on reexamination) or P will be recorded with the notation E next to the grade on the transcript, indicating that the course was passed after successful remediation. The reexamination grade of 70 or 80 will be used to calculate all subsequent GPAs.

If a course is failed and the remediation is also failed, the highest failed course grade will be recorded on the transcript. A student who fails a course and the course remediation will, at least, be required to repeat the course during the next academic year. If he or she passes the repeated course, the grade earned by the student in that course will be recorded on the transcript and used to calculate all subsequent GPAs. The original failing grade in the course will still be included on the transcript but will not be utilized in calculating the student's GPA and class ranking.

D. Academic Deficiencies (Didactic/Laboratory/Clinical Courses)

1. In cases of academic deficiencies, the postdoctoral program director shall notify students of their grades and remedial requirements through written communication. Students who have satisfactorily remediated all deficiencies will be recommended for promotion with their class to the next academic year in the postdoctoral program.

2. Postdoctoral students who have remaining deficiencies following unsatisfactory remediation may not be promoted with their class and may be requested, in writing, to meet before the ADEC (see section on Advanced Dental Education Committee Meeting Protocols and Process: Academic Deficiencies in this Student Handbook).

E. Advanced Dental Education Committee (ADEC)

1. Purpose and Responsibilities
The purpose of the Advanced Dental Education Committee is to ensure that students satisfy the academic and behavioral requirements for certificates in an advanced dental education program as follows:

- develop, implement, evaluate, revise, and monitor the postdoctoral didactic and clinical curricula and the CORE biomedical science didactic program
- monitor all postdoctoral academic activities
- review the progress of all postdoctoral students referred with academic deficiencies (see section on Advanced Dental Education Committee Meeting Protocols and Process: Academic Deficiencies in this Student Handbook).
- address problems related to alleged student violations of the College of Dental Medicine's Code of Behavioral Conduct or any regulation, policy, behavioral code, or academic code of the college and/or Nova Southeastern University; specifically, the ADEC addresses issues regarding any postdoctoral student's professionalism, ethics, and behavior.
• review the reinstatement of postdoctoral students on voluntary leave-of-absence status who are not in good academic standing
• recommend appropriate actions to the dean (see section on Academic, Behavioral, and Disciplinary Actions in this Student Handbook)

Postdoctoral program directors must provide ADEC with three-month progress reports for committee discussion and action on any students who have received academic or behavioral sanctions.

In postdoctoral dental education, the program directors fulfill several of the responsibilities that the Student Progress Committee oversees in predoctoral dental education. The oversight obligations of the program directors are to

• verify that postdoctoral students have fulfilled all academic requirements and review the eligibility of students for promotion to the succeeding academic year
• evaluate student personal academic records to determine eligibility for continuation in the program or appropriate remedial action
• verify that postdoctoral students have maintained the standard of ethical, moral, personal, and professional conduct required for the continued postdoctoral study of dental medicine
• recommend candidates to the dean who qualify to receive their postdoctoral certificates

2. ADEC Membership
The ADEC membership shall include each postdoctoral program director and an ADEC chair appointed by the dean from the College of Dental Medicine's faculty. All members of ADEC will be voting members.

3. Advanced Dental Education Committee Meeting Protocols and Process: Academic Deficiencies
The ADEC reviews the academic progress of all postdoctoral students. Students who have ongoing and/or remaining deficiencies may be requested, in writing, to meet with the ADEC to discuss their academic performance. This will provide them with the opportunity to advise the ADEC of any circumstances they feel are relevant to their academic deficiencies that should be considered by the committee in making its recommendation to the dean. The student(s) shall receive at least three business days (excluding official school holidays and weekends) written notice of the time and place of the meeting. In any matter related to a student's referral to the ADEC, the ADEC will operate on a good faith basis and attempt to maintain the confidentiality of the matter on a "need to know" basis. The following protocol will be followed when the ADEC meets with postdoctoral students to discuss their academic deficiencies:

• The ADEC will review with the student the reason(s) for the meeting, may attempt to gain from the student a more in-depth understanding of the basis for the student's academic difficulties, and may determine and recommend an appropriate action to the dean (see section on Academic, Behavioral, and Disciplinary Actions in this Student Handbook).

• The dean will review the ADEC's recommendation. The dean shall have the authority to uphold the decision of the ADEC, reverse the decision, refer the case back to the committee for reconsideration, or uphold the decision and change the action imposed. The student shall then be notified of the dean's decision through written communication. The decision of the dean is final, except in cases of repeat of coursework and/or clinical work, extension of program length, suspension, academic dismissal decisions, or behavioral violations. In such cases, the student may appeal to the Nova Southeastern University College of Dental Medicine Appeals Board (see section on Appeals Board in this Student Handbook).
• All participants in these proceedings are cautioned to maintain the highest degree of confidentiality and integrity (consistent with the university's policy, practice, and procedure) throughout the committee's investigatory and deliberatory sessions, as well as after the conclusion of the proceeding. Violators may be subject to disciplinary action.

Procedures related to alleged Code of Behavioral Conduct violations by students are described in the section on Policies and Procedures for Alleged Code of Behavioral Conduct Violations in this Student Handbook.

F. Graduation Requirements
To receive an advanced dental education program certificate from the College of Dental Medicine, every postdoctoral student must fulfill the following requirements:
• be of good moral character
• have demonstrated the ethical, personal, and professional qualities deemed necessary for the successful and continued postdoctoral study and practice of dental medicine
• have satisfactorily passed all required didactic and clinical courses
• have satisfactorily completed all clinical requirements
• have completed all postdoctoral coursework in the College of Dental Medicine in no more than one year beyond the stated program length
• have satisfactorily completed all assigned curriculum requirements for the advanced dental education certificate with a numerical average of 70 percent or higher, or a P or higher, in every course
• have satisfactorily met all financial and library obligations
• have complied with any other university or Health Professions Division graduation requirements

Certificates are not awarded solely upon the completion of any prescribed number of courses or upon passing a prescribed number of examinations but, in addition, when the faculty believes that the student has attained sufficient maturity of thought and proficiency. Matriculation and enrollment do not guarantee the issuance of a certificate without satisfactorily meeting the aforementioned program requirements.
POSTDOCTORAL CLINICAL EDUCATION

Although postdoctoral students enrolled at Nova Southeastern University College of Dental Medicine may or may not be licensed dentists, they are not permitted to provide clinical care in the college or in extramural clinics unless a clinical faculty member is present in the dental clinic and immediately available for consultation, supervision, and active teaching when students are treating patients. The attending dentist is responsible for the dental care of the patient and for countersigning all orders, progress notes, and chart notations written by the student. A student may not administer therapy or medication, unless under the direct supervision of a clinical faculty member.

To be eligible for clinical assignments, students must have successfully completed and passed all preparatory courses, including but not limited to certification in Basic Life Support and instruction in Occupational Safety and Health Administration (OSHA) requirements for bloodborne disease precautions, infectious waste disposal, and standard precautions. Furthermore, students must have health insurance and receive all required immunizations and related testing. Documentation of this information must be on file with the college's Office of Student Affairs prior to entering clinical training.

A. Responsibilities and Duties

Students in clinical training will be responsible at all times to their postdoctoral program directors and the director of clinics. In addition, all postdoctoral students will be expected to comply with the general rules and dental ethics established by the American Dental Association and Nova Southeastern University College of Dental Medicine. A professional demeanor is essential at all times. Students should communicate any problems or difficulties related to their clinical training to their program directors and/or the director of clinics.

Although postdoctoral students are assigned patients to treat, it is the students' responsibility to ensure that these patient assignments will be sufficient for them to complete their clinical requirements.

Students must refer to the NSU-CDM Clinic Manual for the college's specific clinical policies and protocols. It is important to note that clinic policies and protocols are subject to change at the direction of the executive associate dean for clinical affairs, the assistant dean for advanced education programs, and the department chairs, where applicable.

B. Title

Postdoctoral students will use the title doctor when working with patients.
A. Code of Behavioral Conduct Policies

The College of Dental Medicine's Code of Behavioral Conduct does not replace or take precedence over the Nova Southeastern University Code of Student Conduct. Students are required to know and adhere to both the college’s and the university’s codes.

Nova Southeastern University College of Dental Medicine has established the following Code of Behavioral Conduct, which shall apply to all postdoctoral students enrolled in the college.

- Students enrolled at Nova Southeastern University College of Dental Medicine are expected to adhere to behavior consistent with the high standards of the dental profession. Compliance with institutional rules and regulations as well as city, state, and federal laws is expected.
- Students shall act honorably, ethically, and in a professional manner. Dishonesty, unethical actions, or other inappropriate conduct will not be tolerated. Such inappropriate conduct disruptive to the academic or operational functioning of the college includes, but is not limited to, conduct unbecoming a postdoctoral dental student and/or conduct that violates the rules promulgated by the Florida State Board of Dentistry. It is not possible to enumerate all forms of inappropriate behavior that would raise serious questions concerning a student's ability to continue in the academic program or to practice after graduation.

Any student, faculty member, or staff member who knowingly or directly observes academic dishonesty is obligated to report this observation. Failure to report any such observation or refusal to participate in an investigative proceeding may constitute a violation of the Code of Behavioral Conduct.

The following are the general rules and policies that shall apply to all students:

1. Academic Dishonesty

The college holds its students to the highest standards of intellectual integrity.

Therefore, the attempt of any student to pass any examination by improper means, submit work that the student has not authored (including plagiarized work), or aid and abet any other student in any dishonest academic act, or having direct knowledge of such without reporting it, may subject the offending student to a meeting before the Advanced Dental Education Committee (ADEC) and subsequent dismissal from the college.

Students shall be afforded the opportunity for an internal and private (i.e., no nonuniversity participants) meeting with the ADEC in matters relevant to academic dishonesty.

Any referral for academic dishonesty by a student will be investigated.

- If a referral for academic dishonesty by a student is substantiated, a record of the violation will be maintained in the Office of Academic Affairs.
- If no other substantiated allegations regarding academic dishonesty are made during a student's career, the record of the violation will be expunged when the student graduates and will not become part of his or her permanent record after graduation.
- If a second substantiated allegation occurs, a record documenting the two incidents of academic dishonesty will be placed in the student's permanent record.
- It is also important to note that any substantiated allegation of academic dishonesty may result in the student's dismissal from the College of Dental Medicine, pursuant to the procedures and Code of Behavioral Conduct as stated in this Student Handbook.
2. Plagiarism Policy
Work that is submitted for credit must be the original work of the student. Any assignment that is not the original work of the student is considered to be plagiarized and in violation of the academic and/or behavioral codes set forth herein.

Plagiarism occurs when another person's work, words, or ideas are represented as one's own without the use of proper citation (e.g., copied from another source—such as an author, another student, a faculty member, a researcher, etc.—without properly acknowledging the actual writer/author), or when another person's work is copied or otherwise duplicated for academic credit. Plagiarism also occurs when knowingly giving or allowing one's own work to be copied or otherwise duplicated by another for academic credit, or when resubmitting one's own work for academic credit (i.e., work that has previously been submitted for academic credit).

Course assignments and any other work submitted in partial fulfillment of course requirements may be randomly checked for plagiarism.

3. Postdoctoral Student Attendance Policies
College of Dental Medicine policy, approved by the dean and faculty, states that 100 percent attendance is required in class, laboratory sessions, and clinical sessions. Specific attendance policies in the postdoctoral programs may be included in the program's student manual. An approved absence must be signed by the program director and the department chair prior to such absence.

4. Time Commitments, Extracurricular Dental Practice (“Moonlighting”), and Referrals to Outside Practices
Postdoctoral students have a commitment first and foremost to their scholastic program. This may involve additional attendance required during evenings and/or weekends. An approved faculty member must supervise all postdoctoral student care within the school, regardless of hour. Postdoctoral students must request that faculty stay in attendance until dental procedures are completed. Patients who need to be seen after hours must be seen with a faculty member in attendance. Under these circumstances, the program director or his/her designee must be called in to supervise the student. Patient instructions, final photos, and dismissal may be done after faculty leave the clinic floor once procedures are completed.

Practicing dentistry outside of the college is a privilege. Permission to practice general dentistry outside the school while enrolled in a postdoctoral program is only at the discretion of the program director. Students on academic probation are generally not eligible to practice outside the college. Postdoctoral students with a valid Florida dental license may ask permission from their program director to practice during the program's off hours. Permission may be granted in writing by the program director and may be revoked at any time. Postdoctoral students may only practice general dentistry and may not practice in a specialty practice or otherwise in a manner in which they may be perceived as representing themselves as a specialist.

Referrals of patients from a specialty program to a practice outside the college must be obtained through the program director. Under no circumstances may postdoctoral students refer patients to themselves outside the school.

5. Classroom Behavior
Talking during lecture to those nearby is disturbing to others who desire to hear the lecture. The use of computers, telephones, or other electronic equipment for noneducational purposes during lectures is considered unprofessional conduct and is disruptive to the learning environment. The instructor may dismiss anyone from any class who is involved in disruptive behavior.
As a courtesy to instructors, pagers must also be silenced. Unprofessional behavior may have negative consequences on the course grade.

6. Dress Code
Students must maintain a neat, clean appearance befitting students attending professional school. Therefore, attire should convey a professional appearance whenever the student is on the main campus, or at any off-campus educational site for any school-related activity.

The dress code is to be maintained at all times in the administration building, classrooms, laboratories, and all areas involved in providing patient care. Those failing to comply may be dismissed from the campus, resulting in an unexcused absence for the day.

Questionable or disputed cases of dress or grooming shall be presented to the assistant dean for admissions and student affairs, whose decision shall be final. Repeated violations will be considered improper professional behavior and may result in disciplinary action.

For all students, a white clinic jacket and university-issued identification badge must be worn at all times, in addition to the acceptable professional attire noted below.

For all postdoctoral students:
Each postdoctoral student is assigned the same color matched scrub set by the dean of the College of Dental Medicine. Students are required to wear their designated scrub sets whenever they are on campus for educational purposes (i.e., when they attend didactic courses, laboratory courses, and/or clinic), or at any off-campus educational site for any CDM-, HPD-, or university-related activity. In addition, students must wear white clinic jackets whenever they are not in the laboratory or clinic.

Approved footwear includes closed-toe shoes or sneakers that are clean and in good condition. For certain special events, students may be permitted to dress in appropriate business attire.

Students may not wear the following:
- shorts or cutoffs
- miniskirts (higher than mid-thigh)
- jeans
- see-through clothing or halter tops
- sandals or flip-flops
- T-shirts (as the outer shirt)
- jogging or exercise clothing
- hats, caps, or head coverings, unless of a religious nature
- garments with any offensive, obscene, or unprofessional statements or gestures

7. Failure to Report a Violation
Every member of the College of Dental Medicine community (i.e., students, administrators, faculty members, employees) has the duty to report a postdoctoral student violation of the Code of Behavioral Conduct to the Advanced Dental Education Committee whenever it is felt that a substantial breach of the code has occurred. Failure to report a violation of the code is itself a violation. All members of the college community have an affirmative duty to participate in the inquiry or investigative complaint process.

8. Food and Beverage
Food and drink are not permitted in auditoriums, laboratories, clinics, or in the library.
9. Illegal, Inappropriate, and Unprofessional Behavior
No student shall display disorderly conduct; public intoxication; or lewd, indecent, or obscene behavior on the campus or at any college-sponsored or supervised function/event.

No student shall consume or possess alcoholic beverages in any form on HPD-controlled property.

No student shall intentionally or recklessly endanger or threaten the mental health, physical health, or well-being of any other member of the college community or any visitor to the campus.

B. Policies and Procedures for Alleged Code of Behavioral Conduct Violations

1. General Information
Any member of the College of Dental Medicine community may file a written complaint with the associate dean of academic affairs regarding alleged specific student violations of the Code of Behavioral Conduct.

During the period of time of any disciplinary action, except dismissal, students may be directed to comply with the specific requirements intended to rehabilitate or monitor them. These requirements may include counseling, auditing one or more courses, an extension of the program length up to an additional year beyond the standard dental curriculum, medical treatment, preparing scheduled reports, or any other requirement intended to rehabilitate the student and/or to ensure that the student is able to continue with his or her education without further monitoring.

Failure of the student to comply with the designated requirements may lead to dismissal of the student. Due to varying circumstances, it is impossible to dictate the exact consequences of a particular disciplinary situation. Therefore, the administration of the College of Dental Medicine has the discretion to impose specific requirements that it deems appropriate under the circumstances.

Records of suspension, dismissal, or leave of absence, and the date of each determination, shall be placed in the student's permanent records.

As stated previously, the Advanced Dental Education Committee (ADEC) shall have nonexclusive authority to evaluate all alleged postdoctoral student violations of misconduct, whether academic, moral, professional, or ethical. Exceptions to this authority include, but are not limited to, the following:

- Nothing shall limit the right of Nova Southeastern University College of Dental Medicine to immediately remove a student from the college whose conduct disrupts the operation of, or is detrimental to, the college or who has been accused of a violent act or threat or any act that constitutes a violation of state, local, or federal criminal law subject to further proceedings consistent with these rules. A student who has been removed from the college shall not return until given permission to do so by the dean.

- Nothing shall prevent the dean from taking action deemed necessary, including removing a matter from the ADEC's consideration whenever, in the dean's judgment, such action may prevent harm to the health, safety, and welfare of any individual, to school property, or to the integrity of the educational process.

- Nothing shall limit the right of the college or any of its representatives or students to file a report with any law enforcement or civil agency.
2. Advanced Dental Education Committee Meeting Protocols and Process:
Alleged Code of Behavioral Conduct Violations
Proceedings to determine whether a postdoctoral student has violated the College of Dental Medicine's Code of Behavioral Conduct or any regulation, policy, behavioral code, or academic code of the college and/or Nova Southeastern University shall conform to the following protocols and process:

- When informed of an alleged violation by the associate dean of academic affairs, the chair of the ADEC will call a meeting of the committee and notify the charged student(s) and his/her postdoctoral program director. The student(s) shall receive at least three business days (excluding official school holidays and weekends) written notice of the time, place, and subject of the meeting. Legal representation or any other form of representation is prohibited during the hearing. In any matter related to student violation of the Code of Behavioral Conduct, communications will be limited to individuals on a “need to know” basis. The College of Dental Medicine will make a good faith effort to maintain the confidentiality of the matter.

- If necessary, the student(s) will provide the chair with a list of any witnesses he or she may have, in writing, no later than two business days before the meeting date. The student(s) will be responsible for ensuring the presence of his or her witness(es).

- Any witness(es) will be called in individually to be questioned and to provide any statements. Witness(es) may be asked to remain outside the meeting room for later recall. The student(s) will not be present during the questioning of any witness(es), but will be informed in detail as to what the witness(es) say and given an opportunity to respond to the specific statements made by the witness(es).

- The student(s) will be given the opportunity to present his or her statements to the committee. The student(s) will only be present during his or her statements and to respond to any questions from the committee.

- The chair will dismiss the student(s) and any witness(es) and close the meeting for discussion.

- At the conclusion of the discussion, the committee shall make a recommendation to the dean. The various disciplinary actions that may be recommended by the committee are reprimand, censure, restitution, probation with special conditions and requirements designated by the ADEC, repeat of coursework and/or clinical work, extension of program length, suspension, and dismissal.

The dean shall review the committee's recommendation and the student shall then be notified of the dean's decision via certified mail (return receipt requested), or this notification will be hand-delivered to the student with documentation of receipt. The decision of the dean is final, except in cases of repeat of coursework and/or clinical work, extension of program length, suspension, academic dismissal decisions, or behavioral violations. In such cases, the student may appeal to the Nova Southeastern University College of Dental Medicine Appeals Board (see section on Appeals Board in this Student Handbook).

All participants in these proceedings are to make a good faith effort to maintain proper decorum and confidentiality throughout the committee's investigatory and deliberatory sessions as well as after the conclusion of the proceeding. Violators may be subject to disciplinary action.

Any substantiated disciplinary records will be maintained in the student's permanent file.
ACADEMIC, BEHAVIORAL, AND DISCIPLINARY ACTIONS

The following language is intended to be illustrative, but not all-inclusive.

A. Disciplinary Actions

1. Reprimand
A reprimand is an oral or written notification to the student that continuation of repetitive wrongful conduct may result in more severe disciplinary penalties. Whether the reprimand is oral or written, it is recommended that the student sign a document in which the reprimand is explained and a copy of the document be given to the student as well as placed in the student’s file.

2. Censure
A censure is a written reprimand for a violation of specific rules with the warning that any other violation(s) of the Code of Behavioral Conduct, within a stated period of time, may be cause for more severe disciplinary penalties.

3. Restitution
Restitution is payment of a specific sum of money to an injured party and/or performance of specified rehabilitative services within a stated period of time.

4. Probation
Probation is defined as a trial period during which a student has the opportunity to demonstrate that he or she can academically redeem failing grades or can effectively cease behavioral misconduct. Probation can be for the remainder of a current term or may be for the remainder of the time the student is enrolled at Nova Southeastern University College of Dental Medicine. Probation may have special requirements that the student must comply with.

When a student is placed on probation, he or she will be notified by the associate dean of academic affairs, and documentation will be placed in the student’s file. Additionally, a notation regarding this probationary status may be included on the student’s official academic transcript. While on probation, a student’s participation in extracurricular or other student activities may be restricted by the dean if he feels that such participation could adversely impact the student’s academic progress. A student on probation may also be prohibited from holding office in any Nova Southeastern University organizations, clubs, fraternities, or sororities. Students may also be prohibited from being elected to any honorary or other school organizations. Participation in any restricted activities by a student on probation is a violation of the probationary period.

Students must comply with the following guidelines, in addition to any special requirements of the probationary period, when placed on probation for academic and/or behavioral disciplinary reasons:

a. During probation for academic reasons, the student cannot incur any additional failures. However, during the probationary period, the student is permitted to remediate prior failing grades. Any additional failures while on probation may result in actions being taken up to and including the student’s dismissal.

b. During probation for behavioral reasons, the student must demonstrate appropriate behavioral, professional, and personal good conduct as defined in the conditions of his or her probation. Additionally, the student is required to refrain from any further violation of the Code of Behavioral Conduct and may be required to perform community service or comply with any other requirements intended to rehabilitate the student.
If, while on probation, the student violates the terms of his or her probation, actions may be taken up to and including dismissal from the College of Dental Medicine.

The ADEC may make a recommendation to the dean to place a student on probation with special requirements when

- a student has received a failing grade in a classroom/laboratory/clinical course, regardless of whether or not he or she has successfully remediated it
- a student has not remediated failures in a timely manner, is repeating a course, or is otherwise not making satisfactory progress toward meeting graduation requirements
- it is believed that a student has failed to achieve sufficient maturity of thought or professionalism
- a student is responsible for a violation of local, state, or federal laws, rules, or ethical codes including codes that govern the dental profession, its members, or NSU

Once the student has corrected all academic and/or behavioral deficiencies and complied with all of the special requirements, the ADEC may recommend to the dean to remove the student from probation.

5. Repeat of Coursework and/or Clinical Work
As stated previously in the section on Course Failures, Remediation, and Reexamination in this Student Handbook, it is important to note that, unlike the predoctoral program, there is no option for the ADEC to recommend that a postdoctoral student with an academic deficiency or deficiencies repeat the previous academic year in its entirety.

Successful remediation of all failed didactic, laboratory, and clinical courses must occur prior to the end of the subsequent semester. If a postdoctoral student does not successfully remediate all course failures within this time frame (i.e., if the student fails a course remediation or does not complete remediation of a failed course), the ADEC will review the student's academic record and may recommend to the dean that the following action be taken:

- The student may be granted special student status, whereby the student may go on to the next academic year without being promoted with his or her class and take all courses offered during that year. The student will remain on special student status until he or she repeats and passes the failed course(s). At that time, the student will be promoted to the next academic year and remain on academic probation until the ADEC recommends to the dean that he or she be removed from probation.
- Dismiss the student.

6. Extension of Program Length
The ADEC may make a recommendation to the dean to require a postdoctoral student to extend the length of his or her program beyond the program length requirement due to unresolved academic or behavioral deficiencies. For instance, the ADEC may recommend extending the length of a student's academic program for three months beyond graduation to remediate any deficiencies in fulfilling his or her graduation requirements.

If the student does not remediate any such deficiencies within the extended time frame, the ADEC will review the student's academic record and may recommend to the dean that one of the following actions be taken:

- The student will remain on special student status until he or she corrects the academic or behavioral deficiencies, at which time the student will be recommended for graduation.
- Any disciplinary action may be recommended to the dean by the ADEC, up to and including dismissal.
7. Suspension
   a. Clinical Suspension
   The program director and/or department chair reserve the right to impose suspension of a student's clinical duties for up to one week. Such a suspension will result in an equal number of days added to the student's program length in order for the student to receive the certificate of program completion.

   At their discretion, the program director and/or department chair will assign alternative duties to the student during the clinical suspension period.

   b. Academic Suspension
   Academic suspension bars a student from attending school for a defined period of time if, in the opinion of the dean, the student has not attained a satisfactory academic level or has deviated significantly from the academic standards and/or standards of behavior established by the College of Dental Medicine. A suspended student will be removed from the academic enrollment with revocation of all other privileges and activities, including the privilege of entering the campus for a specified period of time. A student who chooses to appeal a suspension must do so, to the chair of the Appeals Board, within five business days (excluding official school holidays and weekends) from the date of suspension. While appealing a suspension, a student may continue to attend classes and take all examinations in the usual manner.

   Suspension is included in the calculation of the time limit for completing all postdoctoral graduation requirements (i.e., no more than one year beyond the stated program length).

8. Dismissal
   Dismissal is the permanent termination of a student's academic enrollment. As with all disciplinary actions, the dean is responsible for imposing this recommendation. A postdoctoral student who chooses to appeal a dismissal must do so, to the chair of the Appeals Board, within five business days (excluding official school holidays and weekends) from the date of dismissal. While appealing a dismissal, a student may continue to attend classes and take all examinations in the usual manner.

   The reasons for which a postdoctoral student may be dismissed from the College of Dental Medicine (CDM) include, but are not limited to

   - failure of a total of two or more classroom/laboratory/clinical courses during the entire term of a student's postdoctoral program, regardless of whether or not the student has successfully remediated any of these course failures
   - if a student does not successfully remediate all course failures prior to the end of the subsequent semester (i.e., if the student fails a course remediation or does not complete remediation of a failed course)
   - if a student repeats a failed course and fails the course again
   - if a student fails one or more courses while on probation or otherwise violates the terms of a probationary period
   - if a student exceeds the time limit for completing all graduation requirements (i.e., no more than one year beyond the stated program length), exclusive of any approved leave of absence in good standing
   - if, in the opinion of the dean, circumstances of a legal, moral, behavioral, ethical, or academic nature warrant such action
   - if the dean determines there are factors that would interfere with or prevent the student from practicing the highest quality of dental medicine
B. Admission Policy for Students Who Have Previously Withdrawn or Been Dismissed

If a student is dismissed or withdraws from the College of Dental Medicine, he or she may not reapply for admission to the program less than 12 calendar months after the date of dismissal or withdrawal. While generally he or she may only apply as a first-year postdoctoral student, admission with credit for previous passing coursework and/or a special curriculum may be considered at the discretion of the program director. In order to be considered for admission, the candidate must provide adequate evidence that the conditions and/or factors that caused the prior dismissal or withdrawal have changed significantly, so that there is reasonable expectation that the applicant can perform satisfactorily if admitted.

Any applicant applying for admission must do so through the admissions office of the Health Professions Division and must follow the same procedure as any other candidate for admission. Admission will be solely at the discretion of the dean, as are all admissions. The student's prior academic record will remain part of his or her overall academic record and will be recorded on the permanent transcript. If admitted, none of the student's prior grades will be used in calculating his or her new grade point average.

GRIEVANCES AND APPEALS

A. Appeals Policy for Grading Disputes

Matters regarding grading disputes shall include concerns related to the processes by which grades are determined. No appeals for grades shall be allowed, other than the calculation or miscalculation thereof or allegations of federally/state protected discrimination. In all appeals regarding a grading dispute, the decision of the dean is final.

1. Classroom (Didactic) and/or Laboratory Grade

A postdoctoral student seeking to appeal a decision regarding a classroom (didactic) and/or laboratory grade should seek solutions through the following administrative channels by entering at the appropriate level and proceeding in the order stated:

   a. course director
   b. postdoctoral program director
   c. associate dean of academic affairs
   d. CDM dean (final level of appeal)

A student seeking to resolve a classroom (didactic) and/or laboratory grade problem or complaint through the administrative channels cited above must initiate such action in writing within five business days (excluding official school holidays and weekends) from the date that the grade was recorded at the registrar's office. Review of a student grade problem or complaint at each administrative level will be carried out as expediently as possible. If the student is not satisfied with the decision, he or she may appeal to the next administrative level.

If the student chooses to continue the appeal, this must be done in writing within five business days (excluding official school holidays and weekends) of the date the decision was rendered. No administrative grade changes will be accepted 30 days after the grade was recorded.
2. Clinical Course/Rotation Grade
A postdoctoral student seeking to appeal a decision regarding a clinical course/rotation grade should seek solutions through the following administrative channels, entering at the appropriate level and proceeding in the order stated.
   a. clinical course director
   b. postdoctoral program director
   c. associate dean of academic affairs
   d. CDM dean (final level of appeal)

A student seeking to resolve a clinical course/rotation grade problem or complaint through the administrative channels cited above must initiate such action in writing within five business days (excluding official school holidays and weekends) from the date that the grade was recorded at the registrar's office. Review of a student grade problem or complaint at each administrative level will be carried out as expeditiously as possible. If a student is not satisfied with the decision, he or she may appeal to the next administrative level.

If the student chooses to continue the appeal, this must be done in writing within five business days (excluding official school holidays and weekends) of the date the decision was rendered. No administrative grade changes will be accepted 30 days after the grade was recorded.

B. Grievance(s) Not Related to Grades
All postdoctoral students have the right to file a grievance, as set forth in the following policies. The grievance procedure applies as follows:
1. The student will present the grievance to the assistant dean for admissions and student affairs, who will meet with the student to hear the grievance.
2. If a satisfactory solution cannot be achieved, the student will be advised to prepare a written, signed request, setting forth the grievance and requesting a hearing with the ADEC.
3. Copies of appropriate and relevant documentation must be appended to this request, which will include a statement to redress the student's grievance.
4. The student will submit the request to the assistant dean for admissions and student affairs, who will present it to the chairperson of the ADEC.
5. The chairperson of the ADEC shall convene a meeting of the committee after receipt of the written request.
6. The student will be notified in writing at least five business days (excluding official school holidays and weekends) in advance of the date, time, and place of the meeting.
7. The meeting shall be internal, private, and closed to nonuniversity persons. Nonuniversity personnel are not available for consultation during these meetings. Legal representation or any other form of representation is prohibited during the hearing. At the meeting of the ADEC, the student will be afforded a full and fair opportunity to present the grievance and to respond to relevant questions posed by members of the committee.
8. The committee will, after deliberation, make a recommendation to the dean.
9. Following receipt of the committee's recommendation, the dean or his designee will advise the student, in writing, of the action taken to resolve the grievance.
10. If the student is still not satisfied, he or she may request an additional review by the Nova Southeastern University College of Dental Medicine (NSU/CDM) Appeals Board. This request must be made in writing and delivered to the chair of the Appeals Board within five business days (excluding official school holidays and weekends) of the date of the letter advising the student of the grievance resolution. The request must specify additional relevant facts that were not presented to the ADEC and must state the specific redress desired.

The NSU/CDM Appeals Board will then conduct a review (see section on the Appeals Board in the Student Handbook).

The decision of the Appeals Board shall be final with no further recourse or available appeal.

C. Appeals Board

1. Appeals Board Hearing Guidelines
The student appeals hearing is an informal proceeding. No rules of evidence will be used. The hearing shall be internal, private, and closed to nonuniversity persons. Nonuniversity personnel are not available for consultation during these hearings. Legal representation or any other form of representation during the Appeals Board hearing is prohibited. All procedures and actions are aimed to safeguard and preserve the educational and developmental mission of the College of Dental Medicine (CDM).

2. Appeals Board Responsibilities
The Appeals Board will hear all predoctoral and postdoctoral student appeals of academic decisions made by the dean of the CDM relating to the repeat of coursework and/or clinical work, the extension of program length, suspension, academic dismissal decisions, or behavioral violations as defined in the Student Handbook. If a student appeals the decision of the dean, the appeal must be in writing and submitted in person to the chair of the Appeals Board within five business days (excluding holidays and weekends) after the date of receiving notification of the dean’s decision. Any appeals not submitted to the chair of the Appeals Board within this time frame shall be barred. If the chair of the Appeals Board is not available, appeals should be submitted to the Office of the Assistant Dean for Admissions and Student Affairs. The appeal must contain a concise statement of all relevant facts and the result sought. If the student wishes to withdraw an appeal once it is filed, it will be strictly up to the Appeals Board to approve or deny the request.

The Appeals Board will not hear appeals of decisions recommended by the Advanced Dental Education Committee and upheld by the dean unless the decision involves the repeat of coursework and/or clinical work, the extension of program length, suspension, academic dismissal, or behavioral violations (see the sections on Advanced Dental Education Committee Meeting Protocols and Process: Academic Deficiencies and Advanced Dental Education Committee Meeting Protocols and Process: Alleged Code of Behavioral Conduct Violations in the Student Handbook).

3. Appeals Board Membership
The Appeals Board membership shall consist of the chancellor of the Health Professions Division or his designee, as well as five faculty members and an Appeals Board chair from the college faculty, all appointed by the dean. Appeals Board membership may not include Advanced Dental Education Committee (ADEC) members. The dean may appoint an interim member to replace any member of the Appeals Board as a one-time appointment, if deemed necessary.
4. Appeals Board Hearing Protocol
The following protocol applies to Appeals Board hearings involving appeals by postdoctoral students:

- The assistant dean for admissions and student affairs and the chair of the ADEC will attend hearings involving appeals by postdoctoral students, but will not participate during the vote of the board's decision. These individuals shall, therefore, be nonvoting, ex officio board members; shall serve only in an advisory capacity; and may be present throughout the entire hearing.

- The Appeals Board hearing will proceed under the direction of the chair.

- The student will be notified at least five business days (excluding official school holidays and weekends) in advance of the date, place, and time of the hearing via certified mail (return receipt requested) to the student's last known official address, or this notification will be hand-delivered to the student with documentation of receipt. After this notification is received, the student must then inform the Appeals Board chair that he or she has received notice. Any student who fails to appear at the designated date and time will automatically waive his or her right to appeal.

- A quorum must be present to convene an official appeal hearing and will be constituted by 50 percent or more of the voting membership, including the chair.

- The student will provide the Appeals Board chair with a list of any witnesses he or she may have, in writing via certified mail or hand-delivery, by no later than two business days before the hearing date. Only witnesses with direct information that is new and relevant and has not been presented previously to the dean or the ADEC will be considered.

- The student will be present for the entirety of the hearing.

- Witnesses, if any, may be present only during their testimony. Each witness will be housed in a separate waiting area to avoid any contact among witness(es) or with the student.

- The Appeals Board may question any witness(es) present during the hearing.

- The student may question any witness(es) present during the hearing.

- The Appeals Board will have the option of calling more witness(es). The student shall be present during the questioning of any witnesses.

5. Appeals Board Hearing Process
a. The chair will convene the hearing with only board members present.

b. The chair will advise the board members of the charge(s) and the dean's decision, review the evidence, respond to any questions, and provide an opportunity for any additional input from ex officio members.

c. Witnesses will be called individually by the board and questioned with the student being present.

d. Witnesses may be asked to remain outside the hearing room for later recall or may be dismissed at the board's discretion.

e. The chair will introduce the student to the board members.

f. The student will have an opportunity to present his or her appeal, provide statements and evidence in defense of the alleged violation(s), appeal the degree of disciplinary action, summarize his or her position, and respond to any questions from the board members.
g. The chair will then dismiss the student from the hearing.

h. The board members will render a decision on the student's appeal by a majority vote of the voting members in attendance. The board may delay the vote if it determines that additional information or facts are needed before a vote.

i. The chair will participate in the voting process only in the case of a tie or if the chair is counted to make a quorum.

6. Notification of the Appeals Board Decision
The decision of the Appeals Board will be forwarded in writing by the chair to the dean. The student will then be notified by the associate dean of academic affairs of the Appeals Board's decision via certified mail (return receipt requested) to the student's last known official address, or this notification will be hand-delivered to the student with documentation of receipt.

All decisions of the Appeals Board will be final and binding. No further option for appeal will be considered.

RELATED EDUCATIONAL PROGRAM

Master of Science in Dentistry
The Master of Science in Dentistry (M.Sc.D.) program, offered in conjunction with the College of Dental Medicine's dental clinical specialty programs, trains the dentist to obtain specific clinical skills and research experience and culminates in a thesis. This program prepares graduates for academic careers and provides a better understanding of oral biology and the scientific basis of clinical dentistry. Typically, integrating clinical specialty training with the M.Sc.D. requires three years for completion.

According to the American Dental Association Foundation, the quality of dental education in the United States serves as a standard for the remainder of the world. Therefore, maintaining the quality of future faculty members teaching in dental schools is of utmost importance. Graduates of the M.Sc.D. program will be trained to think critically, enabling them to more readily pursue research activities and academic careers. There is currently a significant lack of academic training for future dental academicians, especially those trained in both clinical and academic dentistry. Moreover, there are high numbers of unfilled, funded faculty positions available in U.S. dental schools. A student graduating from the M.Sc.D. program will therefore have significant opportunities to pursue a career in academics, as well as in the private sector.

One of the main characteristics of this program is the emphasis it places on retaining graduates to pursue academic careers within dentistry and other health professions. In addition to the student's specific clinical specialty training, the M.Sc.D. program provides the professional with an overall knowledge of health sciences research. It is expected that a graduate from the M.Sc.D. program will be qualified to work at any university in the United States or abroad.

In accordance with the university's mission, the M.Sc.D. program provides students with strong clinical training in the various dental specialties, as well as in research development. The knowledge acquired by students in this program is constantly applied in the care of patients throughout the dental clinics within the College of Dental Medicine and in the community-at-large.
