Policies and programs set forth in this handbook are effective through the academic year 2003–2004. Changes in the content of the Student Handbook may be made, at anytime, by the university, division, or college administration. Adequate notice of anticipated changes will be given to the student, whenever possible. This Student Handbook supercedes all previous handbooks, documents, and directives where they may be in conflict. The Student Handbook is the governing document for all program-related information. Please become familiar with the policies and procedures listed within. Failure to read this handbook does not excuse students from the rules, policies, and procedures contained in it.

The university recognizes that individual programs require different times for the completion of academic studies leading to a degree. Therefore, the time frame is a matter within the discretion of each academic program. All program/center catalogs, bulletins, and handbooks carry this information. Students should refer to their individual program or center's catalog and/or student handbook for further information about academic programs, policies, and procedures.

Message from the President

Nova Southeastern University is Florida's largest independent university based on enrollment and the 12th largest independent institution in the United States. As president of NSU, I invite you to become an ambassador of this remarkable educational showcase that is 39 years young.

In 1967, NSU served an entire student body of 17 from one building. Today, we have more than 21,000 students enrolled in 16 academic centers, with programs offered in 24 states and many foreign countries. The university boasts more than 74,000 alumni. More than 9,000 students attend classes on our 300-acre main campus.

The university's sustained growth is due in large part to its exploration of alternative strategies in educating professionals and its commitment to excellence in academics, clinical training, community service, and well-rounded opportunities for all students. The essence of NSU is collaboration at all levels and with diverse partners.

As you pursue your studies at Nova Southeastern University, you are welcomed as a member of the university community. Along with your membership to the university community comes many rights and responsibilities. This Student Handbook outlines these rights and responsibilities, university policies and procedures, and university resources.

We look forward to a lifelong partnership with you, our student. The entire NSU community is dedicated to providing service and academic excellence to you as you continue on the road to graduation and your success in the new millennium.

NSU History

Nova Southeastern University (NSU) is a nonprofit, fully accredited, coeducational institution. It was founded in 1964 as Nova University of Advanced Technology. In 1974, the Board of Trustees changed the university’s name to Nova University. In 1994, Nova University merged with Southeastern University of the Health Sciences to form Nova Southeastern University.

NSU is well known for innovation and quality in both traditional and distance education. The university serves large numbers of adult students and a growing population of traditional undergraduates. To date, the institution has produced more than 74,000 alumni.

Based on fall-term enrollment as a measure, Nova Southeastern University is the largest independent institution of higher education in the Southeast with more than 21,000 students and is the 12th largest independent institution nationally. NSU is one of 164 colleges and universities statewide and one of 48 independent not-for-profit four-year institutions in Florida.

The university awards associate’s, bachelor’s, master’s, educational specialist, doctoral, and first-professional degrees in a wide range of fields, including business, counseling, computer and information sciences, education, medicine, dentistry, pharmacy, various health professions, law, marine biology, psychology, and other social sciences. The university offers 21 undergraduate majors through the Farquhar College of Arts and Sciences.

Nova Southeastern University has the only college of optometry in Florida and the only colleges of pharmacy and dentistry in South Florida. The institution also enjoys an excellent reputation for its programs for families offered through the Mailman Segal Institute for Early Childhood Studies and University School, including innovative parenting, preschool, primary, and secondary education programs. University School of Nova Southeastern University, a fully accredited independent college preparatory
day school, enrolls students in prekindergarten through 12th grade and operates from NSU's main campus in Fort Lauderdale.

NSU's programs are administered through academic centers that offer courses at campuses in Fort Lauderdale, North Miami Beach, and Dania Beach as well as other locations throughout Florida, across the nation, and at selected international sites. Despite the geographic diversity of sites where classes are offered, 82 percent of the student body attends classes in Florida. 72 percent of all students enrolled attend classes in the tri-county area (i.e., Miami-Dade, Broward, and Palm Beach Counties). With an annual budget of approximately $290 million in 2001–2002, Nova Southeastern University also has a significant economic impact on the surrounding community. A recent NSU study revealed that the university and its students and employees contributed more than $731 million to the Florida economy during fiscal year 2000–2001.

Student Affairs
The mission of Student Affairs is to foster student success and a university community. Administered by the Office of the Dean of Student Affairs, overseen by the dean and associate dean of student affairs, Student Affairs provides cocurricular learning opportunities and services that are conducive to student growth and development. It comprises the following offices.

Office of Career Services
The Office of Career Services provides career counseling and job search assistance. The center educates students and alumni to develop a career-life plan, from choosing a major to conducting a job search, and from exploring career and/or graduate/professional school opportunities to securing employment. Career counseling, resume writing, career testing and assessment, career and job search related workshops, a career resource library, online registration, job search assistance, and campus recruiting are available.

Office of Student Activities and Leadership Development
The Office of Student Activities and Leadership Development provides NSU students the opportunity to become involved in extracurricular programs through the student government association, student organizations, academic societies, Greek organizations, religious groups, service clubs, and special interest groups.

Office of Residential Life and Housing
The Office of Residential Life and Housing provides students with a total educational experience by facilitating an enjoyable campus living experience. The residence halls are living/learning centers that provide an environment conducive to student success. Opportunities in a variety of academic, cultural, social, leadership, and recreational activities facilitate personal development. Functions that enhance student growth through the Office of Residential Life include an educational judicial process, crisis intervention, mediation, and counseling referrals. The Office of Housing provides quality facilities for students who live on campus. The office coordinates the administrative processes of all on-campus housing including assignments, contracts, billing, facilities, and maintenance of the five on-campus residence halls. On-campus housing consists of a traditional residence hall with private bath facilities for undergraduate students as well as apartment housing for upper-class undergraduate and graduate students.

Office of Recreation and Wellness
The Office of Recreation and Wellness provides programs and services that foster the education and development of the mind, body, and spirit of the NSU community. These include intramural sports, fitness programs, outdoor recreation trips, and instructional classes. The RecPlex facility boasts a 2,600-square-foot swimming pool, two tennis courts, three basketball courts, cardiovascular fitness equipment, free-weight strength-training equipment, a multipurpose recreation area, and a covered patio.

Student Union
The Student Union serves as the central location bringing the NSU community together by providing facilities, programs, events, and services that enhance the quality of campus life. This multiuse facility includes the Flight Deck with a dance floor, stage, TVs, booths, and reasonably priced food and beverages; several meeting rooms; and a small theater for NSU students and employees.
Office of Student Development and Special Events
The Office of Student Development and Special Events provides overall direction and support for division-wide student development initiatives and special programs. This office also adjudicates policy violations of the student code of conduct and updates the annual Student Handbook. Major events sponsored by the office include Hollywood Squares, the Life 101 speaker series and the annual Student Life Achievement Awards. Additionally, the director also serves as one of the advisers to the Presidential Knights, a prestigious group of student leaders who accompany the NSU president by serving as ambassadors for university-sponsored events. The Office of Volunteerism/Community Service Outreach also falls under this area.

Some Campus Traditions
Homecoming
Homecoming is a reunion weekend for alumni, students, faculty members, staff members, and friends of NSU. The social activities and athletic events organized by the Office of Student Life, the Alumni Office, and the Department of Athletics provide opportunities for the NSU community to celebrate shared experiences. For further information about homecoming events, please contact (954) 262-7280.

Greek Life
The Greek life experience at NSU offers endless opportunities for students. Many successful leaders in business, politics, education, and entertainment developed their skills in the Greek community. Greek members come together from all walks of life with a common goal: to achieve excellence in every aspect of life.

The opportunity for leadership development is one of the greatest assets of membership into any Greek organization. Hands on experience as a chapter officer, committee chairperson, or active member allows you to develop skills, which will benefit you throughout your career at NSU as well as in your professional endeavors. Whether academic, social, or service —NSU Greek life has a place for you.

Got Wood
The fall semester always begins in grand fashion with the annual “Got Wood” event. Apart from the on-campus bonfire and the Polynesian dancers, all clubs and organizations are very involved while actively promoting their club and recruiting new members. Food, fun, and tradition fills the air as “Got Wood” kicks off the fall semester each year.

Life 101...Personally Speaking
Nova Southeastern University's “Life 101...Personally Speaking” series is a joint effort between the Student Affairs and Public Affairs departments. The series has its goal of Life 101 — bringing various leaders from business, industry, entertainment, politics, and athletics to our campus to be interviewed by a faculty member with a similar format to Inside the Actor's Studio (Bravo Channel). Students and staff get an upfront, personal look at the “life lessons” these various leaders have learned throughout their career while sharing their life stories with our audience.

J-Prom and Hollywood Squares
Sponsored by the Student Affairs staff, this annual event, now in roughly the 12th year of operation, is a spin-off of the actual television show. Students representing various clubs and organizations
compete for cash prizes the night before the event (J-Prom) by acting out various skits to the university community. Hollywood Squares is an annual event hosted by the dean of students and the squares are made up of various members of faculty and staff. Students are selected to play the game and compete for grand prizes such as trips, cruises, and cash prizes worth thousands of dollars.

Student Life Achievement Awards
This annual spring semester event is put on yearly by the Student Affairs staff. This annual awards ceremony, very similar to televised award shows, honors NSU’s best in the following core values: scholarship, leadership, involvement, commitment, integrity, and responsibility. The goal of this program is to further a sense of campus community and to recognize achievements by students and staff members. The Stueys, as the event is commonly referred, provides much deserved recognition to the various students and faculty and staff members within the university community.

Office of Volunteerism/Community Service Outreach
This office, which falls under the Office of Student Development and Special Events, is the one-stop office within the university community that provides volunteer opportunities and community service within NSU and the surrounding community. Some volunteer opportunities include the annual “Senior Prom,” a dinner and dance with local nursing home residents in the Fort Lauderdale area; Habitat for Humanity; soup kitchens; homeless shelters; toy and clothing drives; and an annual spring egg hunt to benefit those in our community that are less fortunate.

Career Expo
As a founding member of the Southeast Florida Career Consortium (SFCC), the Office of Career Services hosts the annual Career Expo every winter. The SFCC is a joint coalition of career service professionals from several South Florida universities and gives students and alumni the opportunity to seek intern, part-time, and full-time employment as well as to network with local, regional, and national employers.

Human Services Job Fair
The Human Services job fair is an annual event held on campus every fall to link employers in the not-for-profit, for-profit, government, and other employers/agencies who provide human services. This event is targeted at psychology, counseling, family therapy, guidance, criminal justice, mediation and conflict analysis, and related majors. Employers represented have hired NSU students for internships, part-time jobs, and full-time jobs.

Student Union
Rosenthal Student Center is NSU’s student union, which serves as the central location bringing the NSU community together by providing facilities, programs, events, and services that enhance the quality of campus life. This multiuse facility showcases a fun, pub-type environment called “The Flight Deck.” Located on the second floor of the student union, The Flight Deck includes a serving bar with a beer and wine license, a wooden dance floor, a stage, eight TVs with movie channels and DirectTV, two dart boards, two pool tables, a ping-pong table, a foos ball table, various magazines and board games, and different seating areas. Open daily until midnight, The Flight Deck is a popular place on campus for students to meet, greet, and eat.
The student union is host to a variety of weekly activities, student events, happy hours, and union sports. Every Wednesday is Buck Bingo with students attempting to win NovaBucks. The NovaBucks program encourages student involvement and participation in activities. It is an NSU currency that can be used to purchase exclusive NSU paraphernalia, fund student trips, or pay for snacks and beverages in The Flight Deck. The student union sports program features a bowling league and sponsors tournaments in eight-ball and nine-ball billiards, table tennis, darts, dominoes, spades, and a sports quiz bowl.

Rosenthal Student Center also contains NSU’s main cafeteria; a large private dining room; two meeting rooms; the CyberCafe with four computers; and a 53-seat movie theater with surround sound, a 100” screen, projector, DVD player, VCR, and a PlayStation game console. The Conference Services program provides facilities, audio/visual equipment, and food/beverage service for student organizations and NSU personnel to host meetings, functions, and events. The Flight Deck may be reserved on Saturday nights for private parties.

Rosenthal Student Center is also home to Aramark Dining Services, the NSU Bookstore, WNSU radio station, and several NSU student affairs offices. Those include the Office of the Dean of Student Affairs, Student Development and Special Events, Student Activities and Leadership Development, and the Student Union office.

Inexpensive food and beverages, unique services, and friendly staff help make the Rosenthal Student Center a convenient and comfortable environment for events and services benefiting the NSU community.

NSU
Student Rights and Responsibilities

Reservation of Power

This Student Handbook is not intended to be a contract or part of a contractual agreement between NSU and the student. The Student Handbook is available online at www.nova.edu/cwis/studentaffairs/forms/ustudenthandbook.pdf. Changes in the content of the Student Handbook may be made, at anytime, by the university, division, or college administration. Adequate notice of anticipated changes will be given to the student, whenever possible. This Student Handbook supersedes all previous handbooks, documents, and directives where they may be in conflict. The Student Handbook is the governing document for all program-related information. Please become familiar with the policies and procedures listed within. Failure to read this handbook does not excuse students from the rules, policies, and procedures contained in it. Students are expected to be familiar and comply with all the policies and procedures contained within the Student Handbook including any revisions or modifications.

Nova Southeastern University reserves the right to amend, modify, add to, or delete its rules, policies, and procedures without notice, affecting its institutional relationship with students as deemed necessary by the administration. Any such amendment, modification, addition, or deletion shall not be considered a violation of the relationship between the university and the student. Such right includes modification to academic requirements, curriculum, tuition, and/or fees when in the judgment of the administration such changes are required in the exercise of its educational responsibility.

Nondiscrimination Statement

Consistent with all federal and state laws, rules, regulations, and/or local ordinances (e.g. Title VII, Title VI, Title III, Rehab Act, ADA, Title IX), it is the policy of Nova Southeastern University not to engage in discrimination or harassment against any persons because of race, color, religion or creed, sex, pregnancy, national or ethnic origin, nondisqualifying disability, age, ancestry, marital status, sexual orientation, unfavorable discharge from the military, status as a disabled veteran, or political beliefs and to comply with all federal and state nondiscrimination, equal opportunity and affirmative action laws, orders, and regulations.

This nondiscrimination policy applies to admissions, enrollment scholarships and loan programs, athletics, employment, and access to and treatment in all university centers, programs, and activities. NSU admits students of any race, color, religion or creed, sex, pregnancy, national or ethnic origin, nondisqualifying disability, age, ancestry, marital status, sexual orientation, unfavorable discharge from the military, status as a disabled veteran, or political beliefs and activities generally accorded or made available to students at NSU and does not discriminate in the administration of its educational policies, admission policies, scholarship and loan programs, and athletic and other school administered programs.

Code of Student Conduct and Academic Responsibility

Purpose: This code seeks to promote high standards of academic integrity by setting forth the responsibilities of students as members of the university community. Abiding by the code ensures a climate wherein all members of the university community can exercise their rights of membership.
Code of Student Conduct Statement

The university is a community of scholars in which the ideals of freedom of inquiry, freedom of thought, freedom of expression, and freedom of the individual are sustained. However, the exercise and preservation of these freedoms and rights require a respect for the rights of all in the community to enjoy them to the same extent. It is clear that in a community of learning, willful disruption of the educational process, destruction of property, and interference with the orderly process of the university or with the rights of other members of the university cannot be tolerated. Students enrolling in the university assume an obligation to conduct themselves in a manner compatible with the university’s function as an educational institution. To fulfill its functions of imparting and gaining knowledge, the university retains the power to maintain order within the university and to exclude those who are disruptive to the educational process.

In support of the Code of Student Conduct, any violations of the Code of Student Conduct and Academic Responsibility and/or university policies and procedures may result in disciplinary action and/or criminal prosecution. Violations of academic and/or supplementary standards will be handled through the student's academic college, center, or school. Violations of conduct standards, supplementary standards, university policies, and/or procedures will be handled by the Office of the Dean of Student Affairs or by the individual academic college, center, or school as deemed appropriate.

Changes to the Code of Student Conduct and Academic Responsibility will be posted on the Student Affairs Web site. Students are required to be familiar with the rules, policies, and Code of Student Conduct and Academic Responsibility.

Nova Southeastern University
Statement of Student Rights and Responsibilities

Nova Southeastern University, as a community of women and men, is committed to furthering scholarship, academic pursuits, and service to our society. As an institution, our purpose is to ensure all students an equal opportunity to fulfill their intellectual potential through pursuit of the highest standards of academic excellence.

Certain rights and obligations flow from membership in any academic community committed to such goals:
- the rights of personal and intellectual freedom, which are fundamental to the idea of a university
- scrupulous respect for the equal rights and dignity of others
- dedication to the scholarly and educational purposes of the university and participation in promoting and ensuring the academic quality and credibility of the institution

Students are responsible for obtaining, learning, and observing the established university and academic center policies as listed in all official publications. In addition, students must comply with the legal and ethical standards of the institution, as well as those of Broward County, the state of Florida, as well as any other laws, rules, and/or regulations of other jurisdictions. All members of the community should inform the appropriate official of any violation of conduct regulations.

A. Academic Standards

The university is an academic community and expects its students to manifest a commitment to academic integrity through rigid observance of standards for academic honesty. The university can function properly only when its members adhere to clearly established goals and values. Accordingly, the academic standards are designed to ensure that the principles of academic honesty are upheld.
The following acts violate the academic honesty standards:

1. **Cheating**: intentionally using or attempting to use unauthorized materials, information, or study aids in any academic exercise

2. **Fabrication**: intentional and unauthorized falsification or invention of any information or citation in an academic exercise

3. **Facilitating Academic Dishonesty**: intentionally or knowingly helping or attempting to help another to violate any provision of this code

4. **Plagiarism**: the adoption or reproduction of ideas, words, or statements of another person as one's own without proper acknowledgment

Students are expected to submit tests and assignments that they have completed without aid or assistance from other sources. Using sources to provide information without giving credit to the original source is dishonest. Students should avoid any impropriety or the appearance thereof in taking examinations or completing work in pursuance of their educational goals.

Students are expected to comply with the following academic standards:

1. **Original Work**:
   Assignments such as course preparations, exams, texts, projects, term papers, practicum, etc., must be the original work of the student. Original work may include the thoughts and words of another author. Entire thoughts or words of another author should be identified utilizing quotation marks. At all times, students are expected to comply with the university and/or program center's recognized form and style manual and accepted citation practice and policy.

   Work is not original when it has been submitted previously by the author or by anyone else for academic credit. Work is not original when it has been copied or partially copied from any other source, including another student, unless such copying is acknowledged by the person submitting the work for the credit at the time the work is being submitted, or unless copying, sharing, or joint authorship is an express part of the assignment. Exams and tests are original work when no unauthorized aid is given, received, or used before or during the course of the examination, re-examination, and/or remediation.

2. **Referencing the Works of Another Author**:
   All academic work submitted for credit or as partial fulfillment of course requirements must adhere to each program center's specific accepted reference manuals and rules of documentation. Standards of scholarship require that the writer give proper acknowledgment when the thoughts and words of another author are used. Students must acquire a style manual approved by their center and become familiar with accepted scholarly and editorial practice in their program. Students' work must comport with the adopted citation manual for their particular center.

   At Nova Southeastern University, it is plagiarism to represent another person's work, words, or ideas as one's own without use of a center-recognized method of citation. Deviating from center standards (see above) are considered plagiarism at Nova Southeastern University.

3. **Tendering of Information**:
   All academic work must be the original work of the student. Giving or allowing one's work to be copied, giving out exam questions or answers, or releasing or selling term papers is prohibited.
4. Acts Prohibited:
Students should avoid any impropriety or the appearance thereof, in taking examinations or completing work in pursuance of their educational goals. Violations of academic responsibility include, but are not limited to the following:
• plagiarism
• any form of cheating
• conspiracy to commit academic dishonesty
• misrepresentation
• bribery in an attempt to gain an academic advantage
• forging or altering documents or credentials
• knowingly furnishing false information to the institution

5. Additional Matters of Ethical Concern:
Where circumstances are such as to place students in positions of power over university personnel, inside or outside the institution, students should avoid any reasonable suspicion that they have used that power for personal benefit or in a capricious or arbitrary manner.

B. Conduct Standards
1. Students should not interfere with the rights, safety, or health of members of the university community nor interfere with other students' right to learn. Students are expected to abide by all university, center, and program rules and regulations and all local, state, and federal laws.

Violations of conduct standards include, but are not limited to
a. theft (including shoplifting at any university service center, e.g., bookstore, food service facility)
b. vandalism

h. appearance in class or on campus under the apparent influence of drugs or alcohol, illegal or illicit drugs or chemicals
i. violations of housing regulations
j. violations of university policies and procedures
k. any act or conspiracy to commit an act that is harassing, abusive, or discriminatory or that invades an individual's right to privacy; sexual harassment; discrimination and abuse against members of a particular racial, ethnic, religious, on the basis of sex/gender, sexual orientation, marital status or cultural group and/or any other protected group or as a result of an individual's membership in any protected group
l. sexual misconduct
m. stalking
n. unacceptable use of computing resources
o. impeding or obstructing NSU investigatory, administrative, or judicial proceedings
p. threats of or actual damage to property or physical harm to others

r. failure to pay tuition and fees in a timely manner
s. embezzlement or misuse of NSU and/or student organizational funds or monies

v. engaging in, supporting, promoting, or sponsoring hazing or violating university rules governing hazing
w. violation of any law, rule, regulation, or ordinance of Broward County, state of Florida, federal, or similar jurisdictions

2. Students must have authorization from the university to have access to university documents, data, programs, and other types of information and information systems. Any use of the above without authorization is prohibited.

C. Supplementary Standards
Students are expected to comply with the legal and ethical standards of this institution and those of their chosen field of study, including the Code of Ethics for Computer Usage. The university and each center or program may prescribe additional standards for student conduct. Additions or changes to the standards for student conduct will be posted on the center and/or Student Affairs Web site.

D. Violations
Any violation(s) of any of the academic standards, conduct standards, or supplemental standards may result in a complaint being filed against a student to enforce the Code of Student Conduct and Academic Responsibility. Deans, associate deans, or directors may, in their discretion, immediately suspend students pending a hearing on charges of academic, conduct, or supplemental standards violations. Violations of academic, conduct, or supplemental standards are subject to disciplinary action, up to and including, expulsion from the university. Violations of academic standards will be handled through the student’s academic college, school, or center. Violations of conduct or supplemental standards will be handled by the Office of the Dean of Student Affairs or by the individual academic college, school, or center as determined by the appropriate dean.
E. Sanctions
If the student is found in violation of the Code of Student Conduct and Academic Responsibility and/or university policies and procedures, one or more of the following sanctions may be imposed:

1. Expulsion:
   Permanent dismissal from the university with no right for future readmission under any circumstances. A student who has been expelled is barred from campus and/or visiting privileges.

2. Suspension:
   Mandatory separation from the university for a period of time specified in an order of suspension. An application for readmission will not be entertained until the period of separation indicated in the suspension order has elapsed. Readmission is subject to approval of the university. During the period of suspension, the student is barred from campus visiting privileges unless specific permission is granted by the dean of student affairs or designee.

3. Temporary Suspension:
   Action taken by the dean of student affairs/associate dean of student affairs, which requires a student's temporary separation from the university until a final determination is made of whether or not a student is in violation of the Code of Student Conduct and Academic Responsibility.

4. Final Disciplinary Probation:
   A disciplinary sanction serving notice to a student that his/her behavior is in flagrant violation of university standards, under which the following conditions exist:
   a. The sanction is for the remainder of the student's career and may be reviewed by the dean of student affairs no sooner than two regular academic semesters or equivalent after the sanction is imposed. After two semesters in attendance, a student may initiate a request in writing for reduction of the sanction to disciplinary probation, but must also demonstrate reason to substantiate the request.
   b. Another violation of the Code of Student Conduct and Academic Responsibility will at a minimum result in suspension.

5. Disciplinary Probation:
   A disciplinary sanction serving notice to a student that her/his behavior is in serious violation of university standards. A time period is indicated during which another violation of the Code of Student Conduct and Academic Responsibility will automatically raise the question of a more severe sanction (suspension or expulsion) if the student is found in violation.

6. Disciplinary Warning:
   A disciplinary sanction serving notice to a student that her/his behavior has not met university standards. This sanction remains in effect for a designated number of semesters of attendance after which it is expunged from the student's file.

7. Verbal Warning:
   A verbal warning is a verbal admonition to the student by a university staff member that his/her behavior is inappropriate. A verbal warning will be noted in the student's file for a period of time after which it is expunged from the student's file.

8. Fines:
   Penalty fees payable to the university for violation of certain regulations with the Code of Student Conduct and Academic Responsibility.
9. Restitution:
   Payment made for damages or losses to the university, as directed by the adjudicating body.

10. Restriction or Revocation of Privileges:
    Restriction or revocation of privileges is the temporary or permanent loss of privileges, including, but not limited to, the use of a particular university facility, visitation privileges, and parking privileges.

11. Termination or Change of Residence Hall Contract/Accommodation:
    Termination or change of residence hall contract/accommodation is a disciplinary sanction that terminates or changes the Residence Hall Contract/Accommodation. This should be accompanied by another form of disciplinary action. It is considered permanent unless lifted by the dean of student affairs/associate dean of student affairs/director of residential life or designee.

12. Counseling Intervention:
    When extreme behavior indicates that counseling may be beneficial, the student may be referred to counseling.

13. Other Appropriate Action:
    Disciplinary action not specifically outlined above, but approved through the dean of student affairs/associate dean of student affairs or designee.

14. Parent/Legal Guardian Notification:
    NSU personnel reserve the right to contact or notify a student's parent(s) or legal guardian(s) of a minor student, under 21 years of age, in writing or by phone, when alcohol or drug violations of university policy occur, for other violations of NSU policy and procedure, and/or when NSU personnel determine a student’s safety and/or welfare is at risk.

F. Appeal Process

An appeal of disciplinary action taken by the Office of the Dean of Student Affairs or its designee must be made in writing to the dean of student affairs within 72 hours of the receipt of the written disposition of the hearing. In appealing a disciplinary decision, the appeal must fall into one of the following categories:

1. the student has new evidence that was not available prior to the original hearing
2. the disciplinary process was not adhered to during the student’s hearing
3. the sanction(s) do not relate appropriately to the violation

A written decision will be provided by the dean of student affairs within a reasonable amount of time from receipt of the appeal request. The decision of the dean of student affairs will be final. For appeals of disciplinary action taken by individual colleges, centers, or schools, please consult the academic section of this handbook related to this area and/or academic dean or designee.
Specific University Policies and Procedures

Admissions Policy
Please refer to the specific admission policies and procedures for each individual program center, college, or school.

In general, students are provisionally admitted to a degree-seeking program based on a review of unofficial transcripts or other specific program admission requirements. However, this admission includes a condition that final and official documents and requirements must be received within 90 calendar days from the start of the term. If these final and official documents and/or requirements are not received by that time, the student will not be allowed to continue class attendance. Financial aid will not be disbursed to a provisional/conditional student until he or she has been fully admitted as a regular student (all admission requirements have been approved by the college/program admission office). Students who have an unpaid balance 30 days from the start of the term will be assessed a $50 fee.

Alcohol Policy
Nova Southeastern University, as an institution of higher education, is dedicated to the well being of all members of the university community—students, faculty members, employees, and administrators. Concerned with the misuse of alcohol and other drugs (both licit and illicit), it is the policy of NSU to endeavor to prevent substance abuse through programs of education and prevention.

NSU recognizes alcoholism and drug abuse as illnesses or treatable disorders, and it is NSU’s policy to work with members of the NSU community to provide channels of education and assistance. However, it is the individual’s responsibility to seek help. NSU also recognizes that the possession and/or use of certain substances are illegal. NSU is further obligated to comply with all local, state, and federal laws.

The policy governing the use of alcohol by students at Nova Southeastern University is in compliance with the laws of the state of Florida prohibiting the consumption of alcoholic beverages by persons who are minors (under the age of 21). The policy is based on the use of alcohol in moderation and under appropriate circumstances. The university recognizes that students are adults and are expected to obey the law and take personal responsibility for their own conduct. The laws of the state of Florida prohibit the possession or consumption of alcohol by persons less than 21 years of age.

1. The university will not authorize the use of student activity fees or other student funds collected and administered by the university to provide alcoholic beverages for any student event.

2. The sale, delivery, possession, and/or consumption of alcoholic beverages on any property owned and controlled by NSU is strictly prohibited, except as licensed by the state of Florida or otherwise permitted in these regulations. The use of alcoholic beverages on university premises shall be considered a privilege and may be allowed only if consistent with state laws and university regulations, and only when it will not interfere with the decorum and academic atmosphere of the campus.

3. Exception to this prohibition is made for university housing residents of legal drinking age. The possession and use of alcoholic beverages in university housing is governed by the Residential Living Guide.
4. The president, or an appropriate designee, may approve other exceptions to this prohibition, to allow possession or consumption of alcoholic beverages by persons of legal drinking age at designated events and locations on campus.

5. The use of alcoholic beverages off campus by students of legal drinking age is permissible. However, incidents of intoxication and/or misconduct are subject to university disciplinary action. Students are expected to comply with municipal, state, and federal laws pertaining to the possession and consumption of alcoholic beverages. Any violation of these laws may result in disciplinary action including, but not limited to, probation, suspension, or expulsion from the university.

Guidelines for the Use of Alcohol at University Student Events

1. Nova Southeastern University functions, which are student oriented, may serve only beer and wine. All requests for such events must be coordinated through NSU’s Office of the Dean of Student Affairs.

2. Entry fees may be charged, but this fee is only for admission to the event, not for the sale of beer or wine.

3. One-quarter hour before the approved ending time listed on the exemption, ticket sales will stop.

4. Any advertisements for the event (including leaflets, invitations, posters, letters, and all other forms of advertisements) cannot advertise alcohol. These advertisements must display the following information: Beverages will be available. Must have valid state-issued picture identification for verification of age.

5. An adequate amount of food and alternative beverages (such as water, juice, assorted sodas, coffee, and teas) must be available throughout the duration of the event. This food and beverage will be provided at the cost of the organization holding the event. The amount of food and beverages appropriate for the size of the event will be determined by the director of the student union.

6. No organization or individual may purchase beer or wine for an event. All beer and wine must be purchased and served by the Office of the Dean of Student Affairs. No other alcohol is permitted.

7. The director of the student union or designee will be present during an event at which beer and wine are served. If he/she is not available, then a university employee will be designated by the Office of the Dean of Student Affairs. The organizational contact of the event must be present during the entire event as a point of contact for the director of the student union or designee.

8. The sponsoring organization is responsible for ensuring that all university policies are strictly obeyed. These guidelines do not override existing university policies, but rather, these guidelines should be used in conjunction with any and all other university policies.

9. Appropriate precautionary measures must be in place to ensure that alcoholic beverages are not served to persons under the legal drinking age. These measures include having a designated individual, as deemed by the Office of the Dean of Student Affairs, screening persons entering the event and attaching a bracelet or stamp indicating those of legal drinking age. At any time during the event, the screening individual has the option to decline identification provided by an individual. The entire staff working the event has the right to refuse service to individuals deemed as having enough alcohol before or during the event.

10. Under no circumstances should anyone be coerced to drink alcohol. All drinking games, contests, or events that encourage excessive drinking are prohibited. The sponsoring organization is responsible for ensuring that all NSU policies and procedures are strictly obeyed.
11. It shall be at the discretion of the Office of the Dean of Student Affairs whether to make arrangements and pay for any security needs necessary based on the specifics of the event and the number of estimated attendees.

12. Violations of these guidelines during the event may result in the closing of the event. All individual violations will be referred to the Office of the Dean of Student Affairs for review. The university can take disciplinary actions as a result of violations of these guidelines.

Abuse/Physical Assault

Nova Southeastern University has expectations of the student body to resolve differences in a mature and respectful manner. Physical abuse, verbal abuse, threats, intimidations, coercion, and/or other conduct that threatens or endangers the health, safety, and/or welfare of any other member of the university community on or off campus is prohibited.

Acceptable Use of Computing Resources

This policy provides guidelines for the appropriate and inappropriate use of the computing resources of Nova Southeastern University. It applies to all users of the university’s computing resources including students, faculty and staff members, alumni, and guests of the university. Computing resources include all computers, related equipment, software, data, and local area networks for which the university is responsible, as well as networks throughout the world to which the university provides computer access.

The computing resources of Nova Southeastern University are intended to be used for its programs of instruction and research and to conduct the legitimate business of the university. Users are responsible for seeing that these computing resources are used in an effective, ethical, and legal manner. Users must apply standards of acceptable academic and professional ethics and considerate conduct to their use of the university’s computing resources. Users must be aware of the legal and moral responsibility for ethical conduct in the use of computing resources. Users have a responsibility not to abuse the network and resources, and to respect the privacy, copyrights, and intellectual property rights of NSU and others.

In addition to the policy contained herein, usage must be in accordance with applicable NSU policies and applicable state and federal laws. Among the more important laws include the Florida Computer Crimes Act, the Federal Computer Abuse Amendment Act of 1994, the Federal Electronic Communications Privacy Act, and the U.S. Copyright Act. Copies of these laws and the NSU copyright policy are available for review and examination in the Office of Academic Affairs.

Policy violations generally fall into five categories that involve the use of computing resources. This list is not intended to be exhaustive and includes, but is not limited to, the following violations:

- viewing, distributing, downloading, posting, or transporting child or any other pornography via the Web, including sexually explicit material for personal use that is not required for educational purposes
- using university resources for unauthorized purposes (e.g., using personal computers connected to the campus network to set up Web servers for illegal, commercial, or profit-making purposes)
- violating federal copyright, intellectual property, and/or trademark laws or the NSU copyright, intellectual property, and/or trademark policy

Inappropriate conduct and violations of this policy will be addressed by the appropriate procedures and agents (e.g., the Office of the Dean, the Office of the Assistant to the President for Academic Affairs, or the Office of Human Resources) depending on the individual’s affiliation with the university. In cases where a user violates any of the terms of this policy, the university may, in addition to the other remedies, temporarily or permanently deny access to any and all NSU computing resources, and appropriate disciplinary actions may be taken, up to and including dismissal.
Computing Account Security Agreement

Nova Southeastern University (NSU) has adopted the following Computing Account Security Agreement, which outlines your responsibilities for securing and using an official NSU computing account. Use of an NSU computing account requires your acceptance of the policy terms and conditions stated below.

1. You must agree to abide by the NSU Acceptable Use of Computing Resources Policy, which can be found online at www.nova.edu/common-lib/policies.

2. You must not share your account with other individuals for any reason. Your computer account is to be used only by you.

3. The password to your account must be kept secure. Commit your password to memory. You may change your password at any time. Always choose a password that is difficult to guess. Your password must be eight characters in length and contain a combination of both letters and numbers. It must not be any word that can be found in a dictionary. Choose a password that is meaningful to you but not obvious to others. Examples of acceptable passwords are: 29py94ju, as76df98, 98df7gh6.

4. NSU computer systems will monitor your password on a regular basis. If your password is guessed by the system, you will be notified by electronic mail. If you receive such notification, immediately change your password to prevent anyone from tampering with your account.

5. NSU is not responsible for the loss of any files, documents, or electronic mail you may store online. It is your responsibility to make backups of your files.

6. If you do not access your account for a period of six months, it will be deleted from the system.

7. Inappropriate conduct and violations of this agreement will be addressed by the appropriate procedures and agents (e.g., the Office of the Dean, the Office of the Assistant to the President for Academic Affairs, or the Office of Human Resources) depending on the individual's affiliation to the university. In addition to other remedies in cases where a user violates any of the terms of this agreement, the university may temporarily or permanently deny access to any of NSU's computing resources, and appropriate disciplinary actions may be taken, up to and including dismissal.

Related policies that also apply to Web pages are as follows:

2. Student-related: Code of Student Conduct and Academic Responsibility

3. Faculty/administrator-related: Faculty Policy Manual

4. Staff-related: NSU Employee Handbook

Access to NSU Online Systems

In order to access the university's computing resources, all NSU students must provide their own Internet access service through a suitable Internet service provider (ISP).
Acceptance of Professional Fees
The activities of students in any other profession, position, or vocation are not to be construed as the practice of medicine, optometry, pharmacy, occupational therapy, physical therapy, physician assistance, dentistry, public health, law, psychology, counseling, nursing, audiology, and/or education. It is a violation of the law and contrary to the policy of this university for any unlicensed person to engage in the professional practice of health care, law, psychology, audiology, and/or education. Students who are appropriately licensed in a profession may engage in that professional work to the extent provided by the law. (Students of the College of Osteopathic Medicine are required to comply with the College of Osteopathic Medicine's policy and procedure regarding professional work while enrolled.)

Arson
No student shall commit or aid in the intentional commission of an act that results in a fire being ignited, which causes damage, or is intended to cause damage, to the property of the university or the personal property of any member of the university community.

Bomb Threats
The placement of a bomb threat is an intolerable violation of university policy, which will result in expulsion from the university.

Breaking and Entering
The entering, or attempt to enter, any room, building, motor vehicle, or other form of property without proper authorization or consent is prohibited.

Campus Security Report
Nova Southeastern University, through the Public Safety Department, publishes on an annual basis the Campus Security Report, which includes security policies, procedures, practices, and statistics for offenses. Information is also available on the NSU public safety Web site at www.nova.edu/cwis/pubsafety.

Closing Hours
No student is permitted to enter or remain in any university building or facility, including the swimming pool, or in the academic areas of the university, after normal closing hours, unless written approval to do so has been obtained in advance from authorized university personnel.

Complicity
Students associated with, or present during, the commission of an act(s) by another, which constitutes a violation of university policy, may also be charged if the student's behavior constitutes permission, contributes to, or condones the violation.
Contracting on Behalf of the University

Unless specifically authorized by the appropriate university authority, students may not contract on behalf of the university. Students who attempt to, or enter into, a contract on behalf of the university without proper authorization, are subject to disciplinary action that will result in a hold being placed on university records and transcripts until restitution is made, as well as such other sanctions as may be appropriate. Any contract entered into on behalf of the university by a student without proper authorization is void.

Consensual Relations Between Faculty Members and Students

NSU promotes an environment where students are free from sexual harassment and or discrimination on the basis of their sex/gender in order to foster the spirit of Title VII, Title VI and Title IX. Romantic or sexual relationships between a faculty member and a student then enrolled in the faculty member's class (including supervised student activities for which academic credit is given) may appear to be coercive. These relationships may lack the element of consent since the faculty member is perceived to possess supervisory authority over the student during the entire course of their enrollment. Therefore, romantic or sexual relationships between a faculty member who possesses supervisory authority over a student or perceived supervisory authority are prohibited (see center specific policies and procedures for any additional information).

Disabilities

Nova Southeastern University complies with Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act (ADA) of 1990. No qualified individual with a disability shall be excluded from participation in, be denied the benefits of, or be subjected to discrimination in any activity, service, or program of the university solely by reason of his or her disability. Each qualified individual with a disability who meets the academic and technical standards required to enroll in and participate in Nova Southeastern University's programs shall be provided with equal access to educational programs in the most integrated setting appropriate to that person's needs through reasonable accommodation.

At the postsecondary level, it is the student's responsibility to initiate the process for disability services. The process for obtaining a reasonable accommodation is an interactive one that begins with the student's disclosure of his/her disability and a request for a reasonable accommodation. The student has the responsibility to provide Nova Southeastern University with proper documentation of his/her disability from a qualified physician or clinician who diagnoses his/her disabilities and sets forth the recommended accommodations.

Student requests for accommodation will be considered on an individual basis. Each student with a disability should discuss his or her needs with the disability service representative in his or her academic center, college, or school before the commencement of classes. For the name and contact information of the disability support services representative at your academic center, college, or school, contact the Office of the Dean of Student Affairs at (954) 262-7280.

Academic Accommodation(s) Process

Requests for accommodation must be made in writing to the disability service representative in the student's academic center, college, or school and must be supported by appropriate documentation of recent medical, psychological, or educational assessment data administered and evaluated by a qualified professional. If the student disagrees with the accommodation(s) proposed by the disability
service representative in consultation with the appropriate program director and/or faculty member, he or she may appeal the decision through that center’s, college’s, or school’s appellate process. If the issue cannot be satisfactorily resolved at the center, college, or school level, the student may appeal in writing no later than 10 days after the final decision to the university’s Academic Accommodation Appellate Committee, which consists of the university’s ADA coordinator and representatives from at least four different academic centers, colleges, and/or schools. The student will be given the opportunity to present his or her appeal in an appearance before the committee. The committee will also review all relevant documents submitted with the written appeal before rendering a decision. The student will be notified in writing of the committee’s decision within a reasonable amount of time of the hearing. The decision of the university’s Academic Accommodation Appellate Committee is final and binding upon the student without further appeal.

Academic Accommodation Appellate Committee Guidelines

1. Upon receipt of a notice of appeal, the ADA coordinator shall schedule a meeting of the committee at a time and place convenient to the student and to the committee members.

2. The student shall have the opportunity to present relevant documents for review by the committee.

3. The student shall be given the opportunity to personally meet with the committee and to present his or her appeal.

4. Proceedings of the committee shall be kept in strict confidence.

The following are prohibited in all committee meetings:
- any recording of the meeting, except official minutes
- legal counsel
- uninvited guests

In reaching its decision, the committee may consult with recognized experts in the field of disabilities and/or organizations such as the Association of Higher Education and Disability. The student shall be notified in writing of the decision of the committee within a reasonable amount of time of the committee meeting. All decisions of the committee are final and binding on the student without further appeal.

University Facility and Grounds Accommodation(s) Process

Students requesting an accommodation involving modification to a facility or the grounds of the university must meet with the ADA coordinator—the associate dean of Student Affairs—to discuss his or her needs. Requests for accommodation must be made in writing to the associate dean of Student Affairs and be supported by the appropriate documentation of recent medical, psychological, or educational assessment data administered and evaluated by a qualified professional. Requests for an accommodation involving modification to a facility or grounds of the university will be considered on an individual basis. When considering the request, the ADA coordinator will consult with the director of the specific facility (e.g., residential life and housing) involved in the request for accommodation and the director of facilities management.

If the student disagrees with the facility or grounds accommodation proposed by the ADA coordinator, he or she may appeal in writing no later than 10 days after the decision to the Facility and Grounds Accommodation Appellate Committee, which consists of the university dean of student affairs, associate vice president of facilities management or his/her designee, and a disability service representative from at least three different academic centers, colleges, and/or schools. The student
will be given the opportunity to present his or her appeal in an appearance before the committee. The committee will review all relevant documents submitted with the written appeal before rendering a decision. The student will be notified in writing of the committee's decision within a reasonable amount of time of the hearing. The decision of the university's Facility and Grounds Accommodation Appellate Committee is final and binding upon the student without further appeal.

University Facility and Grounds Accommodation Appellate Committee Guidelines
1. Upon receipt of a notice of appeal, the dean of student affairs shall schedule a meeting of the committee at a time and place convenient to the student and to the committee members.
2. The student shall have the opportunity to present relevant documents for review by the committee.
3. The student shall be given the opportunity to personally meet with the committee and to present his or her appeal.
4. Proceedings of the committee shall be kept in strict confidence.

The following are prohibited in all committee meetings:
- any recording of the meetings except official minutes
- legal council
- uninvited guests

In reaching its decision, the committee may consult with recognized experts in the field of disabilities and/or organizations such as the Association of Higher Education and Disability. The student shall be notified in writing of the decision of the committee within a reasonable amount of time of the committee meeting. All decisions of the committee are final and binding on the student without further appeal.

Discriminatory Conduct
Discriminatory conduct based on such factors as race, color, religion, sex, national origin, disability, age, ancestry, marital status, sexual orientation, pregnancy, unfavorable discharge from the military, status as a disabled veteran or political beliefs, including but not limited to, violations under all federal and state laws, rules, regulations, and/or acts including, but not limited to, Title VII, Title VI, Title IX, Title II, Title III, Americans with Disability Act and the Rehab Act are unacceptable and prohibited in the university. In the event a student feels discriminated against by another student, an NSU faculty or staff member, or an employee, she or he should contact her/his appropriate academic center representative or the Office of the Dean of Student Affairs at (954) 262-7280. Students may also want to refer to the NSU Grievance Procedures for Nonacademic Disputes.

Drug-Free Schools and Campuses
In order to comply with the Drug-Free Schools and Communities Act (Pub. L. No. 101-226, Title 34 C. F. R., part 86), Nova Southeastern University has adopted the following policy for all workplace, school, campus, and field-based programs.

The unlawful manufacture, distribution, dispensation, possession, or use of illicit drugs and the abuse of alcohol are prohibited in and on property owned or controlled by Nova Southeastern University and as a part of any of its activities (see Controlled Substances Chart in Appendix A).
The term “illicit drugs” refers to all illegal drugs, and to legal drugs obtained or used without a physician's order. This policy does not prohibit the use of prescribed medication under the direction of a physician. No Nova Southeastern University student or employee is to report to work or school while under the influence of illicit drugs or alcohol. Possession of paraphernalia for illegal drug use, or taking a prescription that does not belong to you, are also prohibited.

There are serious health risks associated with the abuse of drugs and alcohol. If you, a fellow student, teacher, or coworker has a problem with abuse of drugs and/or alcohol, help can be provided at the following locations:

**NSU Programs**
Student Counseling Service (Counseling services are available to all but CPS students. CPS students should consult the CPS specific policies and procedures section of the handbook.) For an appointment, contact the Office of Recreation and Wellness at (954) 262-7301.

**Community Programs**
Department of Children and Families
Substance Abuse Program Office
1317 Winewood Boulevard, Bldg. 6, Third Floor
Tallahassee, Florida 32399-0700
(850) 487-2920
Alcoholics Anonymous: (954) 462-0265
Narcotics Anonymous: (954) 476-9297

When a student uses or deals in drugs, he or she also risks incarceration and/or fines. The attached federal sentencing guidelines indicate federal penalties for trafficking in drugs. In addition to the federal sanctions, Florida State Statutes provide sanctions in regard to the use, possession, and/or sale of illicit drugs and the abuse of alcohol. Punishment varies depending on the amount and type of drugs and/or alcohol involved. Felony convictions range from one year to life imprisonment. Possession of not more than 20 grams of cannabis is punishable as a misdemeanor of the first degree. Punishment for misdemeanors ranges from less than 60 days to one-year imprisonment.

Under Sec. 893.13, Florida Statutes: It is unlawful for any person to sell, manufacture, deliver, or possess with intent to sell, manufacture, or deliver a controlled substance. Violation of this statute is a felony and is punishable under Chapter 775 of the Florida Statutes.

Under Sec. 893.13 (1) (c), Florida Statutes: It is unlawful for any person to sell, manufacture, deliver, or possess with the intent to sell, manufacture, or deliver a controlled substance in, on, or within 1,000 feet of a public or private elementary, middle, or secondary school. Punishment for a violation of this statute may include a minimum three-year imprisonment.

Under Sec. 316.1936, Florida Statutes: It is unlawful for any person to possess an open container of an alcoholic beverage or consume an alcoholic beverage while operating a vehicle in the state or while a passenger in or on a vehicle being operated in the state. Violation of this law will result in a noncriminal moving traffic violation, punishable as provided in Chapter 318 of the Florida Statutes, with fines and points on a driving record leading to driver’s license suspension.

Under Sec. 316.193, Florida Statutes: A person is guilty of driving under the influence if such a person is driving or in actual physical control of a vehicle within the state and the person is under the influence of alcoholic beverages or any controlled substance when affected to the extent that his or her normal faculties are impaired or the person has a blood alcohol level of .08 percent or higher. First conviction on such a DUI charge will result in a fine not less than $250 or more than $500 and impris-
environment for not more than six months. A second conviction results in a fine of not less than $500 or more than $1,000 and not more than nine months' imprisonment. A third conviction will result in not less than a $1,000 fine or more than a $2,500 fine and imprisonment for not more than 12 months.

By applying for a driver's license and accepting and using a driver's license, a person holding the driver's license is deemed to have expressed his or her consent to submit to breath, blood, and urine tests for alcohol, chemical substances, or controlled substances.

Any Nova Southeastern University student determined to have violated this policy will be subject to referral for prosecution by the appropriate authorities. Other sanctions include evaluation/treatment for drug-use disorder, which may include mandatory completion of a drug/alcohol abuse rehabilitation program, and/or other university sanctioning, which may include expulsion.

All Nova Southeastern University students will, as a condition of their enrollment, abide by the terms of this policy.

**Drug Zero Tolerance Policy**

Any student found in violation of the drug-free schools and campuses policy with regard to the unlawful manufacture, distribution, dispensation, possession, or use of illicit drugs or alcohol will face serious university disciplinary action, which may include expulsion from the university (see Controlled Substances Chart in Appendix A).

**Emergency Situations**

To report an on-campus emergency situation from an on-campus phone, contact the police at 9-911 and public safety at extension 8999. If calling from off campus, dial the police at 911 and public safety at (954) 262-8999.

**Failure to Comply**

All students and guests of NSU are expected to comply with the directives or reasonable requests of university officials acting in the performance of their duties. This requirement includes reasonable requests for students to meet appointments in administrative offices; participation in administration and/or judicial proceedings; and the compliance by the stated deadline with all the terms and conditions of all disciplinary sanctions.

**False Information**

Providing false or misleading information to a university official or to a local, state, or national agency or official may be a violation of the Code of Student Conduct and Academic Responsibility subjecting a student to disciplinary action up to and including expulsion or rescission.

**Falsification of Records**

Falsification of university records is prohibited. University records include, but are not limited to, admission, enrollment, registration, financial aid, student disciplinary, academic, health records, parking decals/hang tags and student employment records.
Inappropriate conduct and violations of this policy will be addressed by the appropriate procedures and agents (e.g., the Office of the Dean, the Office of the Assistant to the President for Academic Affairs, or the Office of Human Resources) depending on the individual's affiliation with the university. In cases where a student violates any of the terms of this policy, the university will take appropriate disciplinary actions, up to and including expulsion.

Fire Safety
Unnecessarily setting off a fire alarm; unnecessarily tampering with fire hoses, extinguishers, exit signs, and alarm equipment; or blocking fire exits and other means of impeding traffic may result in immediate university disciplinary action and criminal prosecution. Failure to evacuate any building on campus during a fire alarm is also prohibited.

Fraud
Any act to deceive or misrepresent any agency of the university or any person or business is prohibited.

Gambling
Gambling may include, but is not limited to, wagering on or selling pools on any athletic or other event; possessing on one's person, premises (e.g., rooms, residence unit, car), or in a computer account or electronic format, any card, book, or other device for registering bets; knowingly using or permitting the use of one's premises or one's telephone or other electronic communication device for illegal gambling; and knowingly receiving or delivering a letter, package, or parcel or electronic or telephonic communication related to illegal gambling. Students found in violation of the prohibition against gambling may be subject to disciplinary action up to and including dismissal.

Grievance Procedures for Nonacademic Disputes
This process should be followed for all nonacademic grievances of policies/procedures that are not governed by a specific academic center, program, college, or school. Academic grievances should be referred to the student's academic center. The purpose of these grievance procedures is to promote the orderly resolution of problems arising out of a student complaint concerning a policy, procedure, or administrative action of Nova Southeastern University. Grievances can often be adversarial, unpleasant, and unsatisfying, so we recommend that students discuss problems before resorting to the formal grievance steps. When formal grievance steps are perceived as necessary, students have a right to a fair process and hearing without retribution.

1. First, the student should attempt to resolve an issue in dispute at the level at which the dispute occurred. This attempt must be in writing (i.e., email, regular mail, or fax). The student may wish to use certified mail to verify receipt of the correspondence. In the correspondence, the student must present a rationale for his or her position based on factual information.

2. The student will receive a reply, in writing, which addresses the complaint.

3. If the reply is not acceptable, the student is encouraged to submit the complaint in writing to the associate dean of student affairs. The associate dean of student affairs will attempt to resolve the dispute.

4. If the associate dean is unable to resolve the dispute, he or she will notify the student and the dean of student affairs in writing.
5. The student may then appeal in writing to the dean of student affairs.

6. The dean will investigate and review the findings, and will notify the student in writing of his or her decision.

7. The dean's decision is final and binding and cannot be appealed.

**Guests**

Students are welcome to bring guests to the campus, but must assume responsibility for the conduct of their guests and must accompany them at all times. If a guest is asked to leave a specific area of campus, it is the responsibility of the student host to cooperate with the university official making the request. The university reserves the right to exclude all guests from any area on campus in times of impending or actual crises or emergencies, such as hurricanes, campus disruptions, or bomb threats, and to exclude any guest(s) from any area of the campus for any reason the university deems appropriate.

**Health Policies**

**Communicable Diseases Guidelines**

It is the intent of the university to protect students from communicable diseases that pose reasonable risk of harm to members of the university community. It is also the intent of the university to protect the rights of those infected with a communicable disease. Students who do become infected with a communicable disease are subject to the guidelines listed below. The university will be flexible in its response to incidents of communicable diseases, evaluating each occurrence in light of this policy and current available medical information.

- NSU will make available to the university community detailed information concerning the transmissibility of communicable diseases and precautions that can be taken to prevent the spread of various communicable diseases.

  The university shall provide detailed information concerning the risks associated with meningitis and hepatitis B and the availability, effectiveness, and known contraindications of any required or recommended vaccine to every student, or to the student's parent if the student is a minor, who has been accepted for admission.

  Any students residing in on-campus housing at NSU shall provide documentation of vaccinations against meningococcal meningitis and hepatitis B unless the individual, if the individual is 18 years of age or older, or the individual's parent, if the individual is a minor, declines the vaccinations by signing a separate waiver for each of these vaccines provided by the institution, acknowledging receipt and review of the information provided.

- Infected students can continue to study and work as long as they are able to continue to perform regular responsibilities satisfactorily, and as long as the best available medical evidence indicates that their continual status does not present a health or safety threat to themselves or others.

- An infected student returning to school after a leave of absence for reasons related to a communicable disease must provide a statement from his/her treating physician indicating current medical status. Students should submit their statement to their program dean or appropriate designee based on the policies of their respective college, school, or center.

- Within reason, the university will make accommodations to the infected person, whenever possible, to ensure continuity in the classroom.
• No infected student may be dismissed from the university solely on the basis of a diagnosis of an infection of a contagious disease. A decision to dismiss or discharge will only be made after reasonable accommodation has been attempted, and an examination of facts demonstrates that the infected person can no longer perform essential requirements of the position or program, or poses a reasonable threat to the health and safety of those around him/her.

In the event that a student has a concern about the potential for the spread of a communicable disease within the university community, those concerns should be brought to the Office of the Dean of Student Affairs for review consistent with the current available information on the spread of the particular communicable disease. After review and evaluation of the concerns, if there appears to be a reasonable likelihood of the spread of the disease within the university community by an infected person, the Office of the Dean of Student Affairs will, after notification of the issues presented to the university president, contact the Center for Disease Control and/or Broward Health Department for recommendations of appropriate action consistent with state law.

Immunization Requirements
Health Profession Division (HPD) students: See Center Specific Policies.

All residential (residing in campus housing) students must satisfy the following requirements providing they were born after January 1, 1958. The required documentation of vaccinations shall include the following:

1. Meningococcal meningitis
2. Hepatitis B
3. Measles (rubeola), you must show proof of two of the following:
   • immunization with two doses of measles vaccine 0, the first given on or after the first birthday, the second given at least 30 days after the first, and BOTH in 1958 or later
   • blood test showing the presence of the measles antibody

   • One dose of the MMR vaccine on or after the first birthday, the second dose must be at least 30 days after the first, and both must be in 1968 or later
6. One dose of rubella (German measles) is required.

Exemptions or waivers may be obtained at the university's discretion if the individual is 18 years of age or older, or the individual's parent, if the individual is a minor, declines the vaccinations by signing a separate waiver provided by the institution for each of these vaccines, acknowledging receipt and review of the information provided. Exemptions will not necessarily be accepted by the student's program center. Other students may be subject to the immunization requirements in order to participate in clinical or practicum studies. Students are advised to consult with their program to
determine whether the refusal will affect their ability to continue their studies.

Immunization requirements are based on Florida state health regulations. Valid exemptions from providing immunity:

- Medical exemptions—Must produce a letter from a doctor, signed on his/her stationery, stating the reason for exemption and whether it is a temporary or permanent exemption
- Religious exemptions—On church stationery, signed by a minister, priest, rabbi, or head of church

Acceptable forms of documentation—The following documents are acceptable proof of immunity of measles and rubella. Forms must include specific dates, and the dates must satisfy the requirements stated previously.

Health Insurance

Nova Southeastern University requires all undergraduate day students and residential on-campus students to have some form of health insurance. Federal Visa regulations also require international J-1 students and their J-2 dependents to maintain adequate health insurance throughout their stay in the United States.

If you are not currently insured, or your plan does not provide adequate coverage in South Florida, you are required to enroll in the Nova Southeastern University Student Health Insurance Plan. If you currently maintain comparable coverage, you must show proof of coverage to the Office of Recreation and Wellness.

All other registered students enrolled at Nova Southeastern University taking credit hours are eligible to enroll in the Student Health Insurance Plan on a voluntary basis.

Should you have any questions regarding the student health insurance plan, please feel free to contact the Office of Recreation and Wellness at (954) 262-7301.

Hurricane Procedures

A hurricane watch is a governmental agency announcement issued for an area when there is a threat of hurricane conditions, generally to strike within 36 hours.

A hurricane warning is an announcement issued for an area when hurricane conditions are expected to strike within 24 hours.

When a hurricane warning is received, all protective preparations should be made, with the expectation that the hurricane will strike.

Nova Southeastern University provides a 24-hour "Hurricane Hotline" for this type of emergency. The hotline number is (954) 262-7300.

Local hurricane shelter information can be obtained through county governmental information telephone numbers. For Broward County shelter information, contact NSU public safety at (954) 262-8981.
Hurricane Watch
In the event of a hurricane watch, the university president will confer with members of NSU administrative staff in preparation for hurricane protection activity.

Members of the university community may begin plans for evacuating the campus and preparing facilities and equipment for hurricane protection.

Hurricane Warning
If a hurricane warning is issued, the university president will decide if the university will be evacuated.

If the president orders the closing of the university, the appropriate directives will be relayed by the vice presidents to their areas of responsibility.

NSU Office of Public Affairs will contact major news organizations for immediate broadcast notification.

Closing Preparation
Student housing for on-campus residents

- Pull all furniture away from windows. Expect water damage and flooding.
  Place loose articles and electronic items away from windows and onto closet shelves and in dresser drawers; lock doors.
- Those students who reside in rooms that are equipped with bathtubs are requested to clean the tub and fill it halfway with water. Fill several small containers with clean, fresh water for drinking purposes.
- All windows must be closed tightly. If window blinds are provided, the blinds should be down and closed.
- Do not tape window glass.
- Each student should provide his or her own flashlight and radio, with extra batteries.
- Candles are not allowed. Do not use candles because they are a fire hazard.
- Residents should provide themselves with an adequate supply of nonperishable foods and water to last two or three days.

Safety Procedures
- Follow instructions of public safety officers and emergency personnel.
- Residence hall students: follow the instructions of residential life staff.
- Stay indoors until advised to exit.
- Do not open windows or doors to see what is happening outside.
- Beware of the eye of the storm. The eye is the center of the hurricane, which may bring a temporary period when the air may be calmed. Do not leave your safety or shelter until advised by public safety or the local officials.
  Residential students will be notified by residential life staff.
- When the “all-clear” is given, exit your location with extreme care.
  Beware of electrical wires, broken glass, and falling or fallen objects.
- Do not enter structures, vehicles, or areas that are damaged; many persons are killed after a storm by electrocution.
- For NSU opening information, call the NSU Hurricane Hotline at (954) 262-7300.
- Enter NSU property only after permitted, and follow safety instructions.
Broadcast Information
An email message regarding the university closure will be instituted within the NSU email system. The NSU telephone central switchboard will also be available for direct information.

Reopening Information
University staff members and students should tune into radio and television stations for a status report as to when the university will reopen.

Keep a portable radio and plenty of spare radio batteries.

The NSU Card is the official Nova Southeastern University identification card. All students and faculty and staff members affiliated with the university are required to carry the NSU Card at all times while on campus and to present their identification card when requested by authorized university personnel. The NSU Card features a digitized photo, digitized signature, SmartChip, and magnetic stripe. It is up to you to decide how you want to use your card.

The NSU Card is Nova Southeastern University’s single-card program that combines a multitude of features including the following:

- identification purposes
- library privileges
- building access
- vending machine usage
- pay-for-print
- copier usage
- meal plans
- laundry

This high-tech card has an embedded antenna that will allow access to various areas around campus, from parking garages to computer labs.

The SmartChip, located on the front of the card, has the capability to store prepaid values in increments of $1, $5, $10, or $20, directly on the card. You are able to add these increments at the NSU Card Office as well as Cash to Chip machines that are available in various locations throughout campus and on all floors of the new library.

Interference with University Investigations and Disciplinary Proceedings
Interference with university investigations, administrative procedures, or disciplinary proceedings, or judicial proceedings such as those conducted by the Department of Public Safety, Office of the Dean of Student Affairs, Department of Residential Life, or any other university office authorized to conduct investigations or disciplinary proceedings is prohibited. This includes, but is not limited to, the use of force, threat of force, coercion, or promise of reward to any person or property of persons involved in university investigations or disciplinary proceedings. No person may, without authorization, examine, take possession of, alter, or destroy university investigations or destroy university records or evidence. Interference with university investigations, disciplinary proceedings, or records may result in disciplinary action.

In an effort to foster and provide an environment free from bias or prejudice for the parties involved, publication (verbal or written communication(s)) regarding any university investigatory, administrative, disciplinary, or judicial proceeding is prohibited, if the publication is deemed by the appropriate official overseeing the proceeding to compromise the impartiality and integrity of the proceeding.

Jurisdiction of University Policies and Procedures
Students must adhere to NSU policies and procedures on the main campus; at any other NSU site; or while participating in any university-sponsored program, event, or activity.

Lake Swimming
Swimming in any lake, canal, and/or body of water on the Nova Southeastern University campus is strictly prohibited and any violators of this policy will subject to disciplinary action.

Life Threatening Behavior
Nova Southeastern University recognizes that certain life threatening behavior (e.g., suicide threats, gestures, or attempts; eating disorders; substance abuse; threats, gestures, or attempts to harm others) is a sign of personal distress. The university is committed to helping students alleviate whatever stress factors are precipitating life threatening behavior by providing support and/or referral through use of appropriate resources. However, since it is critically important to maintain civility and respect for all members of the university community, it is recognized that action must be taken when such behavior is considered by the university to be disruptive to and unacceptable in the academic and social/living environment.

Littering/Projecting Objects
Students may not throw, discard, place, or deposit litter or project objects from university buildings or on university grounds except in receptacles provided for such purposes.
Misuse of Telephones
NSU students who misuse telephone lines or university accounts will be subject to disciplinary action and restitution.

Noise
The university noise policy is based on the belief that all students have a responsibility to respect the rights, health, security, and safety of other university and community members. Excessive noise that disturbs the campus environment, unless approved by the Office of the Dean of Student Affairs or designee for a special event, is not allowed. Students are held responsible for the actions of their guests.

Off-Campus Violations
The university reserves the right to take disciplinary action for violations of the Code of Student Conduct and Academic Responsibility and university policies and procedures, even when they occur off campus.

Parent/Legal Guardian Notification
University personnel may, at times of extreme concern for a student’s welfare, notify parent(s)/legal guardian(s) of a student under 21 years of age in writing and/or by phone when alcohol or drug violations of university policy occur.

Parking and Traffic Policies
• In order to park a motor vehicle on campus in any university parking area, the vehicle must be registered with the university, and a parking permit must be properly displayed.
• All administrators, faculty members, staff members, students, and visitors must register vehicles to be driven or parked on campus.
• All administrators, faculty members, staff members, students, and visitors are responsible for any violations of these regulations in which their vehicle is involved.
• Motorcycles, motor scooters, and mopeds are subject to the regulations governing automobiles.
• The Public Safety Department is authorized to designate any spaces as temporary reserved parking.
• Abandoned vehicles are subject to towing at the owner’s expense, unless the owner notifies the Public Safety Department in writing at the time the vehicle becomes disabled. The executive director of public safety will determine whether a disabled vehicle is allowed to remain on campus.
• Vehicle repairs that create a nuisance are not permitted on campus. Any property damage caused by the making of any repairs is the responsibility of the person making such repairs.
• Trailers or mobile campers are allowed to be parked on campus only with written permission from the executive director of public safety.
• The maximum speed on any NSU driveway or roadway excluding those owned and managed by the town of Davie, Broward County, or the state of Florida is 15 miles per hour or less.
• All vehicle operators must obey public safety and police direction and instructions regarding operating and parking motor vehicles.
• Nova Southeastern University assumes no liability for damages to any vehicle parked or driven on campus.
Pets
No pets or animals, other than fish, are permitted on campus, including all residence halls, with the exception of seeing-eye dogs.

Privacy of Records
Several laws provide for significant safeguards for the protection of the privacy rights of students with respect to educational records and/or personally identifiable information. The applicable laws provide guidance regarding a student’s right of privacy with respect to their educational records. Personally identifiable records or reports of a student and any personal information contained therein are to be maintained in a confidential manner that is consistent with university policy and procedure.

The Family Educational Rights and Privacy Act of 1974 (FERPA) places certain limitations on the disclosure of personally identifiable information maintained by the university with respect to students and limits access to educational records, including the right to access, the right to obtain copies, the right to seek correction of such records through informal and formal internal procedures, and the right to place a statement in such educational records explaining any information that he or she believes to be inaccurate or misleading.

The university has adopted a policy with respect to its educational records consistent with the requirements of FERPA and the regulations promulgated under the act.

NSU maintains a system of records that includes application forms, admission test scores, and transcripts of students’ previous academic records and performance while in residence. These records are available for review by current and former students upon written request to the Office of the University Registrar. However, the registrar will not release transcripts of students’ academic records until all accounts, both academic and nonacademic, have been paid.

The law limits access by and disclosure to a third party. Such access is given only upon consent of the student or if required by law, except for the following information, which may be released as directory information: (a) student’s name, (b) address, (c) dates of attendance, and (d) degree and awards received. Requests for such information must be submitted in writing to the university. The university reserves the right to refuse the above information if the reason for the request is not considered to be a sufficient need to know.

Any student or parent not wishing to have this information disclosed should notify the Office of the University Registrar in writing before September 1 of the relevant school year.

A person does not have the right of access to educational records until he or she has been admitted to and has actually begun attending Nova Southeastern University. There is no prohibition from disclosing such information to the parents of students who are listed on their parents’ federal income tax forms.

Parents or eligible students will be provided a hearing by the university if they wish to challenge the content of the record. If they are still not satisfied, the parents or eligible students may add explanatory or rebuttal matter to the record.

If the students or parents are denied access to a hearing or if the records are alleged to have been illegally disclosed to a third party, the students or parents may file a complaint with the U.S. Department of Education.
Procedure to Inspect Educational Records

Students may inspect and review their educational records upon request to the appropriate record custodian. Students should submit to the record custodian or an appropriate university staff member a written request that identifies as precisely as possible the record or records he or she wishes to inspect. The record custodian of an appropriate university staff person will make the needed arrangements for access as promptly as possible and notify the student of the time and place where the records may be inspected. Access must be given 45 days or fewer from the receipt of the request. When a record contains information about more than one student, the student may inspect and review only the record that relates to him or herself.

Right of university to refuse access

The university or division reserves the right to refuse to permit a student to inspect the following records:

- financial records of the student’s parents, or any information contained therein
- letters and statements of recommendations respecting admission or employment for which the student has waived his or her right of access
- records connected with an application to attend the university or component unit of the university if that application was denied
- those records that are excluded from the FERPA definition of educational records

Refusal to provide copies

The university reserves the right to deny transcripts or copies of records not required to be made available by the FERPA in either of the following situations:

- the student has an unpaid financial obligation to the university
- there is an unresolved disciplinary action against the student

Health Care Privacy (HIPAA) Statement

The Health Insurance Portability and Accountability Act of 1996 (HIPAA) requires health care providers to abide by the regulations for privacy and confidentiality of protected health information (PHI). The HIPAA privacy rule covers all individually identifiable health information at Nova Southeastern University health care centers whether the information is electronic, paper, or spoken.

Because NSU operates health care centers, it is responsible for enacting privacy policies and procedures. The various NSU colleges, schools, and educational programs have enacted policies for their health care centers. NSU health care center staff members, students and faculty members are responsible for following the policies that have been implemented by the applicable NSU health care center.

In addition, the HIPAA privacy rule also requires that NSU provides education for health care center staff members, students, and faculty members. As such, all applicable NSU colleges, schools, and educational programs shall train their students rotating at NSU health care centers and other health care facilities in compliance with the requirements of NSU’s HIPAA privacy policies and procedures, patient privacy and confidentiality practices, privacy laws, and the Federal HIPAA privacy regulations.

NSU students and faculty members may also be subject to the HIPAA privacy policies and procedures enacted by the various health care facilities in which they train. It is the responsibility of the student and faculty member to familiarize himself or herself with these policies upon entering each facility.

Any questions concerning the policies can be directed to the privacy contact of your NSU health care center or the NSU privacy officer.
Publicity and Posting Policy

All public notices or publicity material posted on campus property must be sponsored by a recognized student organization or university department, or otherwise be approved in advance by the Office of the Dean of Student Affairs and/or specific individual academic centers (see Center Specific Policies and Procedures).

• Posting of flyers on campus, with the exception of the residence halls, is done so by the Office of the Dean of Student Affairs.

• Flyers, not to exceed five, may be dropped off at the Office of the Dean of Student Affairs between 8:30 a.m. and 5:00 p.m., Monday through Friday.

• For flyer distribution in residence halls, call the director of residential life at (954) 262-7052.

• Academic centers, colleges, and schools may have their own specific posting policies that are not governed by the Office of the Dean of Student Affairs. See center, college, or school specific policies and procedures.

For more information on posting materials on campus, contact the Office of the Dean of Student Affairs at (954) 262-7280.

Public Laws

Students are responsible for compliance with all public laws. Any act that could constitute a violation of public laws will establish cause for legal and/or disciplinary action by the university.

Sexual Misconduct Policy

NSU, in compliance with the spirit of various federal and state laws (e.g., Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Title VII of the Civil Rights Act of 1964, and other similar state and federal statutes or regulations), adopts the policy and fosters an environment where no individual may threaten the health, safety, and welfare of a member of the university community; or any person on university property; or at a university-sponsored or -supervised activity, through the commission of a sexual assault, engaging in sexual harassment, discrimination, battery, and/or misconduct, including acquaintance rape.

Definition: NSU acknowledges acquaintance rape in its definition of sexual assault. Acquaintance rape is defined as forced, manipulated, or coerced sexual intercourse by a friend or acquaintance. It is an act of violence, aggression, and power, in which the victim, under protest or without consent, is forced to experience a sexual act through verbal coercion, threats, physical restraint, and/or physical violence.

Consideration and rights to be afforded to all campus community members regarding the type of sexual assault:

a. the right to have all sexual assaults against them treated with seriousness; and the right, as victims, to be treated with dignity

b. the right to have sexual assaults committed against them investigated and adjudicated by the duly constituted criminal and civil authorities of the governmental entity in which the crimes occurred; and the right to the full and prompt cooperation and assistance of campus personnel in notifying the proper authorities
c. the right to be free from pressure that would suggest that the victim: (i) not report crimes committed against him/her to civil and criminal authorities or to the campus public safety and disciplinary official; or (ii) report crimes as lesser offenses than the victim perceives them to be

d. the right to be free from suggestions that sexual assault victims not report, or underreport, crimes because (i) victims are somehow responsible for the commission of crimes against them; (ii) victims were contributorially negligent or assumed the risk of being assaulted; or (iii) by reporting crimes, they would incur unwanted personal publicity

e. the right to the full and prompt, reasonable cooperation from campus personnel in responding to the incident

f. the right to have access to counseling services established by the university or other victim-service entities

g. after campus sexual assaults have been reported, the victims of such crimes shall have the right to require that campus personnel take the necessary steps or actions reasonably feasible to prevent unwanted contact with, or proximity to, alleged assailants

h. the right to be informed of disciplinary proceedings, as well as the outcome of such proceedings

i. the same right to assistance, or ability to have others present, that is afforded to the accused during any campus disciplinary proceedings

Disciplinary Action: In addition to any criminal or civil actions that may be pending or in process, the university reserves the right to pursue separate disciplinary action against any individual who violates any portion of this policy.

Education and Information: The university, through the departments of the Office of the Dean of Student Affairs, residential life, recreation and wellness, and public safety, provides educational and informational programs and materials regarding awareness of rape, acquaintance rape, and other sex offenses. This information is provided through scheduled and on-demand programs.

Nova Southeastern University students are encouraged to report to the police (9-911 on campus and 911 off campus), public safety (extension 8999 on campus and (954) 262-8999 off campus), and a university administrator all occurrences of sexual assault, either violent assault or acquaintance (date) rape. Professional staff members in the Office of the Dean of Student Affairs, residential life, student counseling, and public safety are among those who are trained and willing to assist students who are victims of sexual assault.

If the victim then reports the crime to an administrator, the following procedure will prevail.

* Third-Party Reports: When there is a report of sexual assault, the person receiving the report whether a student, faculty member, or staff member is encouraged, in turn, to report the incident to a student life and/or residential life administrator. If the person reporting that assault is a third party (not the victim), the administrator will do the following:

a. advise the reporter to counsel the victim to seek medical assistance

b. advise the reporter to encourage the victim to talk with a counselor from the Rape Center in Broward County, a staff counselor at the University Counseling Center, a student affairs and/or residential life administrator, the director of public safety, or some other university official

c. protect the confidentiality of the victim (if name is known)
• **Victim Reports:** If a student who is a victim of sexual assault reports the matter to a university administrator or any other university employee, the administrator and/or employee will encourage the victim to seek immediate medical attention and assist the victim in appropriate methods and avenues to receive medical care. In reporting a sexual assault, the victim controls the process. The administrator and/or employee will encourage the victim to authorize notification of the university Public Safety Office (PSO) of the occurrence of the crime, and then to cooperate with PSO and student life and/or residential life and housing in reporting the matter to the rape victim advocate in the state attorney’s office and to local police. The victim will be assured of university support including reasonable confidentiality, full cooperation with any police investigation, and counseling through the University Counseling Center and the Rape Crisis Center. If the victim authorizes the notification of PSO, the administrator and/or employee will inform the Office of the Dean of Student Affairs, which will assist as liaison with PSO.

**Harassment Statement**

Harassment is defined as any conduct (words or acts), whether intentional or unintentional or a product of the disregard for the safety, rights, or welfare of others, which causes physical, verbal, or emotional harm; or conduct, which intimidates, degrades, demeans, threatens, hazes, or otherwise interferes with another person's rights to comfort and right to be free of a hostile environment. This includes, but is not limited to, loud or aggressive behavior; behavior that disrupts the orderly functioning of the university; disturbs the peace and/or comfort of person(s) on the campus of the university; creates an intimidating, hostile, or offensive environment. It also includes any conduct (words or acts) in which the university can determine a threat exists to the educational process or to the health or safety of a member of the NSU community.

**Sexual Harassment Policy**

It is the intent of Nova Southeastern University to protect all employees and students from sexual harassment.

Sexual harassment is in violation of the spirit of Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, and Title VII of the Civil Rights Act of 1964. Sexual harassment undermines the integrity of the academic environment, debilitates morale, and interferes with the effectiveness of students.

Sexual harassment includes, but is not limited to, the following behavior and or conduct:

1. unwelcome or unwanted sexual favors: this includes unwelcome physical contact or sexual advances considered unacceptable by another individual

2. requests or demands for sexual favors: this includes subtle or blatant pressure or requests for any type of sexual favor, accompanied by an implied or stated promise or preferential treatment or negative consequences concerning one’s enrollment status

3. verbal abuse that is sex-oriented or considered unacceptable by another individual as well as sexually derogatory comments: this includes commenting about an individual's body or appearance when such comments go beyond mere courtesy; telling jokes that are clearly unwanted and considered offensive by others; or other tasteless sexually oriented comments, innuendoes, or actions that offend others

56 NSU Student Handbook 2003
4. engaging in any type of sexually oriented conduct that would unreasonably interfere with another’s work performance: this includes extending unwanted sexual attention to someone that reduces personal productivity or time available to work at assigned tasks

5. creating a work environment that is intimidating, hostile, or offensive because of unwelcome or unwanted sexually oriented conversations, suggestions, requests, demands, physical contacts, or attentions

Nova Southeastern University will not tolerate sexual harassment. Sexual harassment is an insidious practice. It demeans individuals being treated in such manner, and creates unacceptable stress for the entire organization. Persons harassing others will be dealt with swiftly and vigorously.

Normal noncoercive interaction that is acceptable to both parties is not considered to be sexual harassment.

At Nova Southeastern University, sexual harassment of students by employees/other students is defined as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when

• submission to such conduct appears to be a term or condition of enrollment, attendance, or participation in a class
• submission to or rejection of such conduct affects academic decisions
• such conduct has the purpose or effect of unreasonably interfering with a student’s academic performance, or creating an intimidating, hostile, or offensive academic environment and can include
  —unwelcome physical contact including, but not limited to, patting, pinching, or touching
  —offensive or demeaning sexual remarks, jokes, or gestures.

Students aggrieved by a violation of this policy may file a grievance under their center’s grievance procedure, or may report the conduct to the dean of the center, any other faculty member, the Office of the Dean of Student Affairs, or the director of human resources.

Any individual who violates any portion of this policy will be subject to disciplinary action, up to and including discharge or suspension from the university.

**Smoking Policy**

Nova Southeastern University has adopted a “no smoking” policy in accordance with the Florida Clean Indoor Air Act, and evidence indicates that passive smoking, i.e., involuntary inhalation of pollutants in the air produced by the smoking of others, is potentially harmful to non-smokers captured in the closed environments of buildings.

The purpose of the Smoking Policy is to

1. protect from unwanted smoke any member of the NSU campus community or visitor who seeks to study, work, socialize, or attend campus sponsored events
2. protect life and property where smoking would present a safety and/or fire hazard

To “smoke” and “smoking” means creating smoke by lighting a cigarette, cigar, pipe, or other smoking product; it also means puffing on, carrying, or holding a lighted cigarette, cigar, pipe, or other tobacco product.
Accordingly it is determined that there is no smoking in any Nova Southeastern University classroom, administrative facility, or residence hall. Although smoking is permitted outside buildings, smoking should be done far away from public entrances and exits so that those entering, leaving, and occupying the building will not be exposed to second-hand smoke. Smoking on balconies and stairwells is prohibited.

**Solicitation Policy**

All on-campus sales and solicitations must be operated or sponsored by a university-recognized student organization and must receive the proper authorization. The Office of Residential Life and Housing must approve sales and solicitations in the residence halls. The Office of the Dean of Student Affairs must approve sales and solicitations in all other areas on campus.

**Stalking**

Any individual who willfully, knowingly, maliciously, or repeatedly follows; harasses; attempts to contact or communicate (written, verbal or electronic); and makes a credible threat placing the individual in reasonable fear of death or bodily harm may be in violation of NSU’s stalking policy. Such conduct is prohibited. Stalking causes substantial emotional distress in individuals and serves no legitimate purpose. Course of conduct means a pattern of conduct composed of a series of acts over a period of time, however short, evidencing a continuity of purpose.

**Student Publications**

Nova Southeastern University, as publisher, bears the legal responsibility for the contents of student publications. In the delegation of editorial responsibility to students, the university provides sufficient editorial freedom for the student publications to maintain their integrity of purpose as vehicles of free inquiry and free expression in the Nova Southeastern University academic community.

The delegated editorial freedom of student editors and managers is subject to corollary responsibilities to be governed by the canons of responsible journalism, such as the avoidance of libel; indecent, undocumented allegations; attacks on personal integrity; and the techniques of harassment and innuendo.

As safeguards for the delegated editorial freedom of student publications, the following provisions are made:

- the student press shall be free of censorship and advance approval of copy, and its editors and managers shall be free to develop their own editorial policies and news coverage

- editors and managers of student publications shall be protected from arbitrary suspension and removal because of student, faculty, administrative, or public disapproval of editorial policy or content. Only for proper and stated causes shall editors and managers be subject to removal, and then by orderly and prescribed procedures

- all university published and financed student publications shall explicitly state on the editorial page that the opinions therein expressed are not necessarily those of Nova Southeastern University or of the student body
Theft or Unauthorized Possession
Students involved in the taking, sale, or possession of property without the consent of its owner or without proper remuneration may be subject to university disciplinary action and a fine, as well as arrest and prosecution by legal authorities.

Title IX Compliance Policy
Title IX of the Educational Amendments of 1972 prohibits sex discrimination in schools, whether in academics or athletics. In furtherance of Title IX, Nova Southeastern University has adopted a policy that complies with all regulations set forth therein. It is the university's policy that no student enrolled at NSU shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subject to discrimination under any educational program or activity receiving federal financial assistance.

Trespass Policy
Nova Southeastern University reserves the right to prohibit trespass onto its property. University employees whose duties include building or property supervision or the general safety and protection of persons or property may issue a trespass warning. A trespass warning may be issued to students or nonstudents and may apply to an individual's vehicle, as well. The revocation of a person's privilege to be on the lands, within the buildings, or on the premises of the university may be restricted to time and place by the agent of the university issuing the trespass warning.

Unauthorized Entry
Any student who enters, attempts to enter, or remains in any room, building, motor vehicle, trailer, or machinery without proper authorization may be subject to university disciplinary action, as well as arrest and prosecution by legal authorities.

Unauthorized Possession of University Property
Students in possession of property owned or controlled by Nova Southeastern University without authorization for such property will be subject to university disciplinary action and/or restitution. In addition, students may be referred to legal authorities for prosecution.
Use of University Vehicles

All student use of university vehicles must be appropriately authorized. Student drivers must have completed the defensive driving course sponsored by public safety and have been approved to drive by university risk management. In addition, students are expected to adhere to the code of conduct, university policies and procedures, and all state and federal laws while operating a university vehicle.

Vandalism

Defacing, littering, or damaging property of the university is prohibited.

Weapons

Weapons are prohibited on campus. A weapon includes

- any item designed to inflict a wound or cause injury to another person
- any item used to harass, threaten, intimidate, assault, or commit battery
- any item the university deems dangerous

Firearms and ammunition are strictly prohibited from the campus under all circumstances.

Interlibrary loan arrangements through networked organizations such as the Online Computer Library Center (OCLC), the Southeast Florida Library Information Network (SEFLIN), the Consortium of Southeastern Law Libraries (COSELL), and the National Library of Medicine (NLM) provide broad access to a wide range of materials.

To augment the libraries' print materials, the Office of Media Services has an extensive collection of more than 1,200 items of nonprint materials (principally audiovisual materials), and a video production studio to support classroom instruction. In addition, the center provides technical assistance for distance learning delivered by teleconferencing. It is the policy of NSU that payment is due within 30 days from the start of the term. If payment is not made within 30 days, the student's account will be assessed a $50 late payment fee and a hold will be placed on the account preventing any additional registrations. Payment may be made by cash, check, and credit card. The term "check" includes money orders, traveler's checks, cashier's checks, loan checks, personal checks, international checks (in U.S. funds only), and certified checks. NSU accepts Discover, MasterCard, VISA, and American Express. Please contact the bursar's office at 800-806-3680 for other payment arrangements, such as wiring funds from abroad. Credit card and Webcheck payments via the Web are available from the student's secure WebSTAR account.

In order to be considered for federal and most state aid, students must complete the Free Application for Federal Student Aid (FAFSA), meet specific eligibility criteria, and be enrolled or accepted for enrollment as a regular student (i.e., all admissions requirements/documents have been satisfied) working toward a degree or certificate in an eligible program. For more detailed information regarding the financial aid process, contacts, policies and procedures, and other pertinent information, students should visit the NSU financial aid Web site at www.nova.edu/cwis/finaid.

The earlier students apply, the more chance they will receive funds in a timely manner, if eligible. The preferred method for applying for financial aid is online through FAFSA on the Web at www.fafsa.ed.gov, which saves processing time and reduces the chance of errors due to edit checks. Students should include their email addresses on the FAFSA in order to receive information via email, including their Student Aid Report (SAR) and financial aid history.

The Office of Student Financial Assistance staff is available to assist students in the completion of the FAFSA, and answering questions concerning the financial aid process. For further information, please call 800-806-3680.

Standards of Progress
A student receiving veterans benefits must maintain satisfactory progress. Students will be considered to be making satisfactory progress as long as they meet the academic standards set by their school for retention in their degree programs.

A student who, at the end of any evaluation period, has not attained and maintained satisfactory progress will be certified, in a probationary status, for only one additional evaluation period. Should this student not attain and maintain satisfactory progress by the end of the probationary period (one evaluation period), the student's VA educational benefits will be terminated for unsatisfactory progress.

A student whose VA educational benefits have been terminated for unsatisfactory progress may petition the school to be recertified after one evaluation period has elapsed. The school may recertify the student for VA educational benefits only if there is a reasonable likelihood that the student will be able to attain and maintain satisfactory progress for the remainder of the program.

For VA payment of benefits purposes, an Incomplete (I) designation for a course must be converted to a credit grade counting toward graduation, or a failing grade, by the end of one calendar year unless permission for a delay is granted by the academic dean for that program. An no grade (NG) designation for a course must be converted to a credit grade counting toward graduation, or a failing grade, by the end of one regular semester unless permission for a delay is granted by the academic dean for that program.

Grade/Progress Reports
Each VA student will be provided a grade/progress report at the end of every evaluation period (e.g. term, semester). A copy of each report will be placed in the student's permanent file maintained by the school. The university periodically furnishes each student with a working transcript that shows current status of grades and earned semester hours for all courses completed and/or attempted, plus grades for courses in which the student is currently enrolled.
Credit for Prior Training (CPT)

Nova Southeastern University complies with federal regulations for veterans’ training that it is mandatory for all veterans benefit recipients to report either prior education and/or training. A student receiving veterans benefits that have previous post-secondary educational training/experience must request official transcript(s) be sent to the school. If the transcript has not been received prior to the end of the student’s second term here at Nova Southeastern University, the student cannot be certified for veterans benefits for the upcoming term. The student can be certified for veterans benefits after the transcript has been received.

The school will evaluate the student’s previous training and/or experience and grant credit as appropriate. Should credit(s) be accepted and/or granted, the student’s tuition and training time will be reduced proportionately, with the veteran and VA so notified.

Wireless Networking—NSU WINGS

NSU's wireless networking project, NSU WINGS, provides mobile network access for the students of the university. OIT Network Operations completed the original scope of the project in the fall of 2002 and is currently expanding coverage to include all student educational centers. Further information and instructions to register a student laptop on NSU WINGS is available at www.wireless.nova.edu

Women’s Resource Institute (WRI)

The Women’s Resource Institute is a program for all people. The WRI provides information and referral services for problems that may be interfering with employee/student well-being, including domestic violence, substance abuse, career changes, financial crisis, or other issues. The WRI is located in House Four on the northwest corner of SW 75th Avenue and SW 36th Street on the main campus. The WRI can be reached at (954) 262-8451.

Charges and Payments

Tuition charges are automatically calculated when students register for classes. Students are expected to pay in full at the time of registration, or have completed the necessary paperwork for financial aid and have been awarded. Students may pay for tuition using credit cards: MasterCard, Visa, American Express, College Card, or Discover. Credit card payments may now be made online.

Late Payment Fee

Students with any balance unpaid by the 30th day of the semester will be assessed a $50 late payment fee and a hold will be placed on their account. In addition, no further registrations will be accepted until the balance is paid in full.

Late Registration

Students who have completed one full year at the university and who cannot meet their financial obligations by the 30th day of class are considered late registrants. Students who register after the late registration date established by their college will be charged a late fee or penalty established by the university or the division.

The following will apply:
- recipients of Armed Forces scholarships shall be allowed up to two months grace period without penalty
- when confirmation of guaranteed loans has been received, but checks are delayed, credit will be extended for three months
Consequences for Nonpayment
The student's failure to meet financial obligations in accordance with university policy at the end of 70 days will result in an automatic letter of notification being sent to the student informing him/her that failure to resolve his/her financial obligation within 10 days will result in administrative withdrawal from class. The university bursar shall

- identify those students who have still failed to meet their financial obligation at the end of each 30-day period
- notify those students of their failure to pay
- forward to the program office the names of all students in delinquent status for the program office to take appropriate administrative action

The university registrar shall notify those students an administrative withdrawal has been posted for their classes and they shall not receive any academic credit for the course work taken.

Tuition Refund Policy—Voluntary Withdrawals
Students who wish to withdraw must submit a written request for voluntary withdrawal to the dean, who will evaluate the student's request. After completing the required withdrawal form(s) and obtaining the dean's approval, an eligible student may receive partial refund of the tuition, according to the following formula:

- First three class days ......................... 70 percent
- Fourth or fifth class day ...................... 60 percent
- Sixth or seventh class day .................... 40 percent
- Eight, ninth or tenth class day ............ 20 percent
- After the tenth class day ..................... 0 percent

No refunds will be made thereafter. (Students with questions should consult the program office.) Students will not be given refunds for portions of tuition paid by financial aid funds. Instead, the respective financial aid programs will be credited in accordance with federal regulations, which establish the following requirements for recipients of Title IV student assistance funds (guaranteed student loans and auxiliary loan program).

The regulation requires that if the student has received a financial aid overage to assist with related, but indirect educational costs, e.g., living expenses, books, supplies, transportation, and/or personal expenses, this must be prorated for the period the student attended the institution. The student must then refund the difference (between the actual overage and prorated amount) to the institution for restoration to the appropriate Title IV account.

Failure to comply with these requirements could jeopardize future receipt of the Title IV student assistance funds at any institution of higher education the student may attend.

A refund due the student will be mailed to the student's permanent home address or deposited directly into his or her checking account as soon as the dean of the respective college has approved the withdrawal. The tuition refund policy is subject to change at the discretion of the university's board of trustees.

Student Financial Aid
The Office of Student Financial Assistance assists qualified students to obtain the funds necessary to pursue their educational objectives. In order to be eligible for student financial aid, students must complete the U.S. Department of Education's Free Application for Federal Student Aid (FAFSA), and meet federal general eligibility criteria. A need analysis is performed, utilizing information from
the FAFSA to determine the student’s Expected Family Contribution (EFC), or the amount the student and the student’s family can contribute toward the student’s educational expenses. Financial need is defined as the difference between the institution’s Cost of Attendance (COA) and the EFC. The university’s cost of attendance includes tuition and fees, books and supplies, meals, housing, transportation, and personal expenses.

The fastest way to apply for the FAFSA is online through FAFSA on the Web at [www.fafsa.ed.gov](http://www.fafsa.ed.gov). By applying electronically, financial aid information is forwarded to the Office of Student Financial Assistance within 72 hours, expediting the awarding process, and reducing errors due to built-in edits. Students should request a Department of Education Personal Identification Number (PIN) online through [www.pin.ed.gov](http://www.pin.ed.gov). By using the PIN, students eliminate the need to send a signature page.

Undergraduate students may be eligible for grants, student employment, loans, and scholarships. Graduate/professional students may be eligible for loans in the form of both the Federal Subsidized and Unsubsidized Stafford Loans, and private/alternative loans, as well as scholarships. In order to successfully complete the financial aid process, students should apply early, provide all necessary documents and requests to the Office of Student Financial Assistance in a timely manner, register for the minimum number of credits required per term, and meet required deadlines.

For more information regarding the financial aid process, contacts, and other pertinent information, students may visit the NSU Financial Aid Web site at [www.nova.edu/cwis/finaid](http://www.nova.edu/cwis/finaid). Students will be notified of missing information, their financial status, award notifications, and other financial aid related information via their NSU email addresses.

Office of Student Financial Assistance hours of operation:
- Monday–Thursday, 8:30 a.m.–7:00 p.m.
- Friday, 8:30 a.m.–6:00 p.m.
- Saturday, 9:00 a.m.–noon
- Sunday, closed

For further assistance, please call (954) 262-3380 or 800-806-3680.

**Short-Term Emergency Loans**

The Office of Student Financial Assistance administers preloans for students who encounter emergency situations prior to receipt of financial aid refunds. Students must be enrolled for the term, have a completed financial aid file, and must be receiving financial aid with sufficient funds to cover total charges due the university, the loan amount, and the processing fee charged. When approved, disbursement is made by check or direct deposit within one week of receipt of the student’s application.

**Return of Title IV Funds**

Effective July 1, 2000, the Department of Education established new requirements with regard to return of Title IV aid received by students who withdraw from all their courses during a term for which a payment has been received. Students receiving Title IV funds, whether used to pay institutional charges or disbursed directly to the student, may be obligated to repay a portion of unearned funds if they withdraw from classes before 60 percent of the term. A repayment may be required when cash has been disbursed or could have been disbursed from Title IV aid (other than Federal Work-Study) in excess of the amount of aid the student earned during the term. Students will be permitted to keep 50 percent of their obligated Title IV grant aid.

It is important that students notify the Office of Student Financial Services and Registration and the Office of the Dean if they intend to withdraw. Students will be notified within 30 days of determination of withdrawal with regard to the amount of Title IV aid to be repaid. If the student did not
officially withdraw, the university will use either the midpoint or last academically related activity as confirmed by an NSU employee. The student will have a maximum of 45 days to respond.

If the student did not officially withdraw, the university will use either the midpoint or last academically related activity as confirmed by an NSU employee. The student will have a maximum of 45 days to respond.

Students may apply for a leave of absence. The leave of absence is a temporary interruption in the student's education rather than a withdrawal from the school. The student who is on an approved leave of absence retains in-school status for purposes of Title IV funds. Generally, there is only one leave of absence given to a student within a 12-month period. However, more than one leave of absence may be granted for limited, well-documented cases due to unforeseen circumstances. Upon the student's return from the leave of absence, the student must be permitted to continue his/her education where he/she left off. If the student does not return from an approved leave of absence, the student's withdrawal date will be the date he/she begins the leave of absence.

When a student owes a refund, the order of repayment is as follows: Unsubsidized Federal Stafford Loan, Subsidized Federal Stafford Loan, Federal Perkins Loan, Federal Pell Grant, FSEOG, and other Title IV aid. An exit interview is required for any student who has received a loan.

More information regarding this policy is available on the NSU Financial Aid Web site at www.nova.edu/cwis/finaid.

Note: Dismissal will result in termination of veterans' benefits where applicable.

**Health Professions Division Library**

The HPD Library is located on the first floor of the Health Professions Division Laboratory/Library Building, 3200 South University Drive. It contains card and computerized catalogs of holdings; more than 50,000 book titles; more than 1,500 active journals; more than 1,500 audiotapes, videocassettes, slide sets, and CD-ROMs; and a current file of pamphlets and news clippings. Twenty-four group study rooms are equipped with videotape players and monitors, and slide projectors are available for viewing slides. Seven coin- and card-operated duplicating machines are available for library patrons. The library maintains an Internet Web site, which allows access to several health-related and other electronic databases, many of them full-text, including MEDLINE and MDConsult. Membership in the National Library of Medicine and various consortia provides for cooperative lending relationships, which affords HPD students and faculty members access to international library holdings. Students have checkout privileges at the other NSU libraries. Professional reference assistance is available during most operating hours.

The hours of service are:
- Monday–Thursday, 7:30 a.m.–midnight;
- Friday, 7:30 a.m.–11:00 p.m.;
- Saturday–Sunday, 10:00 a.m.–10:00 p.m.

Holiday, vacation, and extended hours during examination times will be posted.

For further assistance, please call (954) 262-3106.

See Libraries section of the Student Handbook for information about the NSU Library, Research, and Information Technology Center.
Lost and Found

Items found on school property are turned over to campus security for disposition and storage. Please contact the NSU Public Safety Department to find the location for claiming such items and reporting lost items.

Mailbox and Message Center

Mailboxes for intracampus memos and notices can be found in the student lounge area. Students are responsible for checking their mailboxes daily. Official communications delivered to the student mailbox are assumed to be seen within 24 hours. Postgraduate Pharm.D., Ph.D. physical therapy, Ph.D. occupational therapy, O.T.D. occupational therapy, and master of medical science students do not have mailboxes.

Microcomputer Laboratories

The Health Professions Division maintains two separate Microcomputer Laboratories (MicroLabs). One of these laboratories is located in the HPD Library to the right of the front desk. It contains two networked laser printers, a color scanner, and 40 desktop computers equipped with Windows 95, Microsoft Office (Word, Power Point, Excel, and Access), and WordPerfect. The second MicroLab is located on the first floor of the Assembly II Building. It has 50 desktop computers and is equipped with the same software packages. In addition, other software programs for use in specific courses are also installed on the systems. Online connectivity from all desktop systems provides access to the Campus Wide Information System (CWIS), the Electronic Library, the Internet, and the World Wide Web (WWW) via Netscape. Computer-assisted instruction programs are also available. The HPD laboratories operate under the auspices of the university Office of Information Technologies User Services.

Microcomputer Laboratory hours:
- Monday–Thursday, 7:30 a.m.–midnight
- Friday, 7:30 a.m.–11:00 p.m.
- Saturday–Sunday, 10:00 a.m.–10:00 p.m.

Student Lounge

Students who wish to relax may use the student lounge on the second floor of the HPD Library/Laboratory Building during their free hours. Vending machines, pay telephones, and video games are provided for student use.

Students have always shown responsibility for general cleanliness and preventing damage to the area. The administration expects this precedent to continue in the future.
HPD POLICIES AND PROCEDURES

Acceptance of Professional Fees
The activities of students are not to be construed as the practice of medicine, optometry, pharmacy, occupational therapy, physical therapy, physician assistance, dentistry, or public health. It is a violation of the law and contrary to the policy of this university for any unlicensed person to attempt to engage in the professional practice of health care.

Students who are appropriately licensed in a profession may engage in that professional work to the extent provided by law.

AIDS Policy
The university has adopted the following AIDS policy: Nova Southeastern University Health Professions Division recognizes its responsibilities for the health and welfare of its students and faculty and staff members, as well as its responsibilities to patients suffering from AIDS or harboring the Human Immunodeficiency Virus (HIV). While the division does not subscribe to compulsory HIV testing either as a screening device or in individual cases, some rotation sites require this test and students must comply. As an institution of medical learning, the division provides each student/faculty/staff person knowledge to understand the AIDS problem, including AIDS testing, treatment, and counseling by community services. The division provides an annual seminar to all students, faculty members, and staff members. The division recommends universal precautions in all laboratory and clinical settings. The division reserves the right to alter this policy as new information on AIDS becomes available.

Students should consult their physician for HIV testing or treatment immediately following exposure.

Attendance Policy
At Nova Southeastern University's Health Professions Division, attendance at all scheduled instructional periods is mandatory.

Failure to consider this requirement is noted in the evaluation of a student's academic performance and professional attitude and may result in a failing grade for the course. Students shall report to the individual college's Office of Student Affairs, in writing, the reason for all absences within 24 hours of each occurrence.

Students whose reasons are unacceptable will be subject to disciplinary action. In the event of an emergency absence, requests for an excused absence must be made to the individual college's Office of Student Affairs for a decision.

1. Excused absences
   A. Illness: The division must be notified as soon as possible, or at the latest, on return to school, of all absences due to illness. For unusual or prolonged illness, the appropriate Office of Student Affairs must be notified as soon as possible. These absences will be evaluated on an individual basis.

   B. Special circumstances: Unusual circumstances resulting in absences (e.g., death in the immediate family) must be cleared with the appropriate Office of Student Affairs on an individual basis, preferably before the student is absent from class.
2. Unexcused absences
Absences not falling into the first category are unexcused absences. The administration realizes that special circumstances may arise on rare occasions leading to an unexcused absence. However, unexcused absences are neither a right nor an entitlement of the student.

Unexcused absences or absences may result in a written reprimand from the dean with a copy to be placed in the student's permanent file, plus a loss of ten percentage points in the course or failure in the course.

Each laboratory, assignment, or examination missed must be made up at the discretion and convenience of the instructor.

If, in the judgment of the dean, a pattern of absences appears to surface, action may be taken, up to and including failure in the courses involved or dismissal from school.

3. Clinical rotations
Attendance while on clinical rotations follows different procedures and they are noted in the policy and procedures Clinical Rotation Handbook or Clerkship/Externship Manual distributed prior to your going on rotations.

4. Promptness
Promptness is another trait a proper health care practitioner must display. Additionally, tardiness in class disturbs both the lecturer and other members of the class and is thus markedly inconsiderate and rude.

University class hours are from 8:00 a.m. to 10:00 p.m. daily, Monday through Friday. Class schedules are issued from time to time as an aid to faculty members and students, but the administration reserves the right to make changes, assign Saturday hours, or deviate from published schedules without notice.

Classes begin at 10 minutes after the hour. Any student not seated in his or her assigned seat by the time class begins will be marked absent. Classes finish on the hour. If the student arrives within 20 minutes after the start of class, the absence will be reduced to a half absence. Students will await the instructor's arrival until at least 20 minutes after the specified starting time, unless notified otherwise by an authorized person.

5. Religious holidays
Absences for major religious and ethnic holidays may be excused at the discretion of the administration. Students are required to obtain approval for their absences on weeks prior to the holiday.

Core Performance Standards for Admission and Progress
The Nova Southeastern University Health Professions Division is pledged to the admission and matriculation of qualified students and wishes to acknowledge awareness of laws which prohibit discrimination against anyone on the basis of race, color, national origin, religion, sex or disability.

Regarding those students with verifiable disabilities, the university will not discriminate against such individuals who are otherwise qualified, but will expect applicants and students to meet certain minimal technical standards (core performance standards) as set forth herein with or without reasonable accommodation. In adopting these standards, the university believes it must keep in mind the
ultimate safety of the patients whom its graduates will eventually serve. The standards reflect what the university believes are reasonable expectations required of health professions students and personnel in performing common functions.

The holders of health care degrees must have the knowledge and skills to function in a broad variety of clinical situations and to render a wide spectrum of patient care. In order to carry out the activities described below, candidates for Health Professions Division degrees must be able to integrate consistently, quickly, and accurately all information received, and they must have the ability to learn, integrate, analyze, and synthesize data.

Candidates for degrees offered by the Health Professions Division must have, with or without reasonable accommodation, multiple abilities and skills including intellectual, conceptual, integrative, and quantitative abilities; interpersonal communication; mobility and strength; motor skills; hearing, visual, tactile, behavioral, and social attributes. Candidates for admission and progression must be able to perform these abilities and skills in a reasonably independent manner.

**Intellectual, Conceptual, Integrative, and Qualitative Abilities**

These abilities include measurement, calculation, reasoning, analysis, and synthesis. Problem solving—a critical skill—requires all of these intellectual abilities. Candidates and students must have critical thinking ability sufficient for good clinical judgment. This is necessary to identify cause-effect relationships in clinical situations and to develop plans of care. In addition, candidates and students should be able to comprehend three-dimensional relationships and to understand the spatial relationships of structures.

**Interpersonal Communication**

Candidates and students should be able to interact with and observe patients in order to elicit information, examine patients, describe changes in mood, activity and posture, and perceive nonverbal communications. They must be able to communicate effectively and sensitively with patients. Communication includes not only speech but also reading and writing. They must also be able to communicate effectively and efficiently in all written forms with all members of the health care team. They must have interpersonal abilities sufficient to interact with individuals, families and groups from a variety of social, emotional, cultural, and intellectual backgrounds.

**Motor Skills**

Candidates and students should have sufficient motor function to execute movements reasonably required to provide general care and emergency treatment to patients. Examples of emergency treatment reasonably required to some health care professionals are cardio-pulmonary resuscitation, administration of intravenous medication, the application of pressure to stop bleeding, the opening of obstructed airways, and the ability to calibrate and use various pieces of equipment. Such actions require coordination of both gross and fine muscular movements, equilibrium and functional use of the senses of touch and vision. Physical therapy and occupational therapy students must be able to position patients for treatment, as well as teaching the functions involving gross and fine movements. Pharmacy candidates and students must have sufficient motor skills to weight chemical and pharmaceutical (including intravenous) solutions, prepare prescriptions and carry out sterile procedures.
Strength and Mobility
Candidates and students must have sufficient mobility to attend to emergency codes and to perform such maneuvers as CPR when required. They must have the physical ability to move sufficiently from room to room and to maneuver in small places. Osteopathic medical students must have the ability to position patients for the administration and delivery of osteopathic manipulative treatment in a variety of settings and to position and move patients when required.

Pharmacy students must be able to move about within a pharmacy setting and a patient’s room.

Physical therapy and occupational therapy students must be able to administer treatment in a variety of settings and positions and move patients when required.

Hearing
Candidates and students should have sufficient auditory ability to monitor and assess health needs. They must be able to hear information given by the patient in answer to inquiries; to hear cries for help; to hear features in an examination, such as the auscultatory sounds; and to be able to monitor equipment.

Visual
Candidates and students must have visual ability sufficient for observation and assessment necessary in patient care. It must be consistent in many cases with being able to assess asymmetry, range of motion, and tissue texture changes. Osteopathic Medicine, Optometry, and Physician Assistant students must have sufficient visual ability to use ophthalmologic instruments. It is necessary to have adequate visual capabilities for proper evaluation and treatment integration. Candidates and students must be able to observe the patient and the patient’s responses including body language and features of the examination and treatment. Pharmacy students must be able to interpret prescriptions and medical orders, as well as to inspect medicine for deterioration or expiration.

Tactile
Candidates and students must have sufficient tactile ability for physical assessment. They must be able to perform palpation, functions of physical examination, and/or those related to therapeutic intervention. Pharmacy students must be able to measure and compound, sometimes transferring from container to container and to carry out sterile procedures. Dental students must be able to deliver appropriate treatment using high technology equipment such as dental drills and surgical instruments.

Behavioral and Social Attributes
Candidates and students must possess the emotional health required for full utilization of their intellectual abilities; the exercise of good judgment; the prompt completion of all responsibilities attendant to the diagnosis and care of patients; and the development of mature, sensitive, and effective relationship with patients. Candidates and students must be able to physically tolerate taxing workloads, to adapt to changing environments, to display flexibility, and to learn to function in the face of uncertainties inherent in the clinical problems of many patients. Compassion, integrity, concern for others, interpersonal skills, interest, and motivation are all personal qualities that will be assessed during the admissions and education process.

Sensory
Osteopathic students and physician assistants are required to have an enhanced ability to utilize their sensory skills. These enhanced tactile and proprioceptive sensory skills are essential for appropriate osteopathic evaluation and treatment of patients.
Dress Code

Students in the Health Professions Division must maintain a neat and clean appearance befitting students attending professional school. Therefore, attire should convey a professional appearance whenever the student is on the division campus and in classes or laboratory or on an experiential rotation or program. The following constitute acceptable attire:

1. Students must wear their white consultation jackets with their names and appropriate college designation embroidered over or on the left breast pocket. A white jacket is to be worn daily over the prescribed attire.

2. Shirt, tie, slacks, socks, and regular shoes for men, and for women it should be professional business dress, which includes slacks, pants, or skirt with blouse, or dress and appropriate shoes.

3. Matching scrub sets, socks, and shoes. In addition to the above attire, students must wear their white clinical jacket.

4. Identification badges will be issued at the Division Badge Room and must be worn at all times when the student is on campus or clinical rotation.

Students may not wear the following:
• shorts
• cut-offs
• mini-skirts (higher than mid-thigh)
• jeans
• see-through clothing or halter-tops
• beach/flip-flop sandals, thongs, or sneakers
• t-shirts (as the outer shirt)
• jogging or exercise clothing
• hats or caps, unless of a religious nature

These guidelines apply on campus from 8:00 a.m.–5:00 p.m., Monday through Friday and while on duty on rotations.

Students inappropriately dressed or groomed may be requested to leave the campus. In this circumstance, an unexcused absence will be recorded until the student returns properly attired. Questionable or disputed cases of dress or grooming shall be presented to the dean, whose decision shall be final. Repeated violations will be considered improper professional behavior and may result in disciplinary action. When a class requires special dress (such as the wearing of scrub suits in anatomy laboratory), it will be the only exception to the dress code allowed during that time.

The dress code is to be observed at all times including mid-terms and examination periods.

Educational Records

Record of Request for Disclosure
The university will maintain a record of all requests for and/or disclosure of information from a student's educational records. The record will indicate the name of the party making the request, any additional party to whom it may be disclosed, and the legitimate interest the party had in requesting or obtaining the information.
Correction of Education Records
Students have the right to ask to have corrected any records they believe are inaccurate, misleading, or in violation of their privacy rights. Following are the procedures for the correction of records:

1. Students must ask appropriate officials of the university to amend a record. In so doing, the students should identify the part of the record they want changed and specify why they believe it is inaccurate, misleading or in violation of their privacy or other rights.

2. The university may comply with the request or it may decide not to comply. If it decides not to comply, the university will notify the student of the decision and will advise him or her of the right to a hearing to challenge the information believed to be inaccurate, misleading, or in violation of the student's rights.

3. On request, the university will arrange for a hearing, and notify the student, reasonably in advance, of the date, place, and time of the hearing.

4. A hearing officer who is a disinterested party will conduct the hearing; however, the hearing officer may be an official of the institution. The student shall be afforded a full and fair opportunity to present evidence relevant to the issues raised in the original request to amend the student's original records. One or more individuals may assist the student, including an attorney.

5. The university will prepare a written decision based solely on the evidence presented at the hearing. The decision will include a summary of the evidence presented and the reasons for the decision.

If the university decides the challenged information is inaccurate, misleading, or in violation of the student's right of privacy, it will notify the student of the right to place in the record a statement commenting on the challenged information and/or a statement setting forth reasons for disagreeing with the decision.

Food in the Lecture Halls
Food, beverages, and tobacco are not permitted in the lecture halls, laboratories, or university clinics. No smoking is permitted inside any division building.

Identification Badges
Students must wear identification badges at all times while on campus. I.D. badges are not transferable. I.D. badges are issued at the Division Badge Room. These badges are given to the student at no charge except for replacement.

Identification Requirements and Fieldwork Prerequisites
An affiliated clinical/fieldwork teaching facility may also require a student to pass a state of Florida Department of Health screening before rotation. Other requirements, which may be held by the affiliated facility include, but are not limited to, fingerprinting, criminal background check, urinalysis for drugs and alcohol, and proof of immunization. If a student does not meet all requirements held by the affiliated facility before the first day of the scheduled placement, the student's placement will be canceled, or if the placement has begun, the student will be asked to leave.
Immunization Requirements
The following immunization procedures are required of students at the Health Professions Division:

**Basic Immunizations:** Every student is required to have had an immunization for the following diseases before matriculating at Nova Southeastern University: diphtheria-pertussis-tetanus (or diphtheria-tetanus), varicella (chicken pox), and measles-mumps-rubella. A written memorandum of the immunization given and the date, signed by a physician, must be filed with the Office of Admissions on the day of registration at the latest. These basic immunizations are the financial responsibility of the student.

**Hepatitis B Vaccine:** Since every student at the Health Professions Division potentially can be exposed to this deadly virus, and since many rotation sites require it of personnel, we will administer and require Hepatitis B vaccination for every entering student during the first year. The cost of this vaccination will be supported through the student activities fee.

**Tuberculosis:** Because of the resurgence of tuberculosis and the possible exposure of students to TB, the Health Professions Division will require and provide a yearly tuberculosis test for every student. The student activities fee, too, will support this.

**Arrangements:** The University Health Service will schedule appointments for students for tuberculosis testing and for Hepatitis B vaccination. Because both of these require preparation, any student who does not keep a scheduled vaccination appointment will be required to pay for the immunization personally.

The university is not required to provide alternate sites for clinical practicum or rotations should immunization be a requirement for placement. Therefore, the student may be delayed in meeting the graduation requirements of their program.

**Notices, Messages, and Posters**
After approval from Student Affairs, students may post notices on the bulletin boards located in the student lounge and other locations. Other boards are provided for university or division business only. Students are prohibited from posting, altering, or removing notices or messages from these boards. No notices, announcements, posters, or any other papers may be posted anywhere, including doors, windows, and elevators, except on bulletin boards provided for that purpose.

**Parking Lot**
You are encouraged to use the parking areas designated for our students. You must obtain a parking decal from the security office. Please keep in mind that the parking spaces adjacent to or in front of our building(s) are for administrators, visitors, and patients only. Parking in spaces other than those appropriated may result in a ticket violation. Remember to lock your car everyday and park within the specified areas. Do not leave valuables in your vehicle.

Courtesy and common sense in parking will avoid accidents, personal injuries, damage to your vehicle and to the vehicles of other students and employees. If you should damage another car while parking or leaving, immediately report the incident, along with the license numbers of both vehicles and any other pertinent information you may have, to the NSU Public Safety Department.

The Health Professions Division and NSU do not assume any liability for any loss or damages you may sustain while parked in the parking garage. Use of NSU parking facilities are always at your own risk.
Photographs and Recordings
No one may take photographs in classrooms or laboratories without prior permission of the instructor. Absolutely no photographs may be taken in the anatomy laboratories. Students wishing to tape-record lectures must obtain permission from the instructor.

Return of University Property
Any Health Professions Division or university property issued to you must be returned at the time of your dismissal or graduation, or whenever it is requested by administration, the department in control of the item, or the program. You are responsible to pay for any lost or damaged items. The value of any property issued and not returned may be charged to your financial account, and you may be required to deal with the bursar’s office for this purpose. Also, diplomas will be withheld for any outstanding financial obligation.

Security Checks
The university, the Health Professions Division, Public Safety Department/Davie Police, or community police departments may exercise the right to inspect all packages and parcels entering and leaving our premises to ensure the safety and physical integrity of the building and the premises. Please cooperate with security in providing this service and important function.

Social Events and Extracurricular Activities
All extracurricular activities by division-recognized organizations, on campus and off campus, must be approved in advance by the Division Office of Student Affairs. A student or group of students may not officially represent the division or the university, on or off campus, at any time without prior authorization in written form. All events sponsored by student body groups must receive prior approval from the Division Office of Student Affairs and faculty advisers affiliated with the group. Requests for permission for speakers, student meetings, and other activities on campus should be made on forms provided by the Division Office of Student Affairs at least two weeks in advance. The Division Office of Student Affairs must approve activities before the coordinator of educational support can assign a room, and no meeting announcements may be made until approval is made. A specific room will be assigned for the function. No announcements can be posted unless the Division Office of Student Affairs gives authorization. Forms and additional information are obtainable from the Division Office of Student Affairs.

Student Employment
Due to the intensity of all academic programs, outside employment during regular school terms is strongly discouraged.

Student Health Examinations
A complete physical examination, comprehensive dental examination, and a comprehensive eye examination, consistent with the standard university form, are required of students.
Students may have these done by their personal physician, their personal eye doctor (optometrist or ophthalmologist), or their personal dentist before matriculation. Forms will be distributed by the Division Office of Admissions and Student Affairs to each matriculant as part of the admissions package.

Students may request that the University Health Service do these examinations after matriculation. The University Health Service will make appointments in as timely a manner as possible, and the appointments, once made, become an obligation of the student, and must be kept.

Reports of the three examinations (whether done privately or by the university) will be filed in the student’s file.

**Student Insurance Requirement**

It is required that each Health Professions Division student carry adequate personal medical and hospital insurance. It is strongly suggested that students and their families avail themselves of the insurance plan obtainable through the university. Students who choose another policy will be required to show proof of adequate continuing medical coverage for the mandatory insurance. Those with lapsed or inadequate insurance will be held financially responsible for obligations incurred before graduation.

**Student Mail Boxes**

The Division Office of Student Affairs will assign mailboxes at the beginning of each academic year. Students are requested to receive their personal mail at home. Student mailboxes are provided only for campus correspondence. They are located in the student lounge in the Library/Laboratory Building.

Please note that all university correspondence will be deposited in these mailboxes. They should be checked every day.

**Telephone Calls**

A student will not be called from class for a telephone call except in cases of extreme emergency. Other urgent messages may be left with the telephone operator. Outgoing calls made by students should be made from pay phones located outside the library or at various other locations throughout the campus. Use of the division office phones is not permitted under any circumstances.

**Visitors**

Unescorted visitors in our facilities are not allowed. Visitors are not permitted in classrooms or laboratories on HPD property without prior permission from the college or department. No visitors are permitted in a restricted area at any time. If you are expecting visitors, you must request permission from the college or department coordinator and obtain permission from the instructor(s) giving the lecture that the visitor will be attending. No permission will be granted the day of visitation. Ask your visitors to sign in with the college or department receptionist and/or department coordinator when they arrive. Student escorts are permissible after sign-in.
Visits to Other Institutions

Students in the Health Professions Division may not visit, in an official or presumably official capacity as a professional school student, any health-related institution (hospital, pharmacy, practitioner’s office, clinic, etc.) or any health school without express permission of the dean. Visits to relatives or friends who are hospitalized are permitted, provided they are within visiting hours and all hospital rules are observed.

Weapons

The possession, storage, or use of firearms or other weapons, ammunition, fireworks, explosives, air pistols, rifles, or knives is strictly prohibited on university property. Such action can be considered cause for disciplinary action including, but not limited to, immediate expulsion.

ACADEMIC AFFAIRS

Grading Policies and Procedures
At the completion of each course, the course coordinator shall have the responsibility for completing and signing the computer grade roster sheet provided by the Office of the Registrar, listing all students in the course and their grades.

Within 10 working days following completion of the course, the course grade roster sheet will be forwarded directly under confidential cover to the Office of the Dean.

After signature by the dean or his designee, course grade roster sheets will be forwarded, under confidential cover, to the Office of the Registrar for official recording on the student's transcript within five working days of receipt from the course coordinator.

The dean shall notify students through written communication of any unsatisfactory grade and the procedures for recourse if appropriate.

A copy of the student communication will be sent, under confidential cover, to the dean, registrar, and chair of the Student Progress Committee for retention in the student's individual files and any other action if appropriate.

First and Second Year
Grading for first- and second-year medical science students will be based on the following: 70 percent or above is passing; below 70 is failing.

<table>
<thead>
<tr>
<th>Grade</th>
<th>Percentage</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>90-100</td>
</tr>
<tr>
<td>B</td>
<td>80-89</td>
</tr>
<tr>
<td>C</td>
<td>70-79</td>
</tr>
<tr>
<td>F</td>
<td>Below 70</td>
</tr>
<tr>
<td>I</td>
<td>Incomplete (must be removed by the end of the following semester; otherwise, it will automatically convert to an F)</td>
</tr>

<td>Withdrawal</td>
</tr>
<tr>
<td>AU</td>
<td>Audit</td>
</tr>
<tr>
<td>P</td>
<td>Pass</td>
</tr>
<tr>
<td>F</td>
<td>Fail</td>
</tr>
</tbody>
</table>

A student who earns a course grade lower than 70 percent, or an F, may be given the opportunity to repeat each such course.

Grade Disputes
Grade disputes should be directed to the course instructor. If unresolved, the dispute is forwarded to the course director for review. If necessary, a review will be conducted by the department chair, and finally, the dean.

Incomplete Coursework
When a student fails to complete all the requirements of a course, the student shall receive a grade of I (incomplete). The Student Progress Committee will consider recommending academic probation for a student who receives a grade of incomplete.

An I will be changed to an earned grade upon a student's satisfactory completion of the course requirements.
A change from an incomplete to an earned grade must occur before the beginning of the next academic year, or it will automatically convert to an F. An I grade given for thesis credit will be changed to a letter grade upon satisfactory completion of the thesis.

Withdrawal from a Course
Students in their first or second years may withdraw from a course and receive the notation of WP (withdraw passing) or WF (withdraw failing) on their transcript. They must request this in writing to the dean before the course is 50 percent completed. A course will be considered 50 percent completed when half of all the lectures have been delivered. Once the course is more than 50 percent completed, no withdrawals will be allowed and the student will receive his or her earned grade.

Academic Advisers
Before the start of classes, every new student is assigned to a faculty adviser for academic counseling. Incoming students meet with their advisers during orientation. They also are encouraged to meet periodically with their advisers to review class work in order to avoid academic problems.

Academic Standing
Each student's academic achievement is reviewed each semester, and a transcript is compiled by the registrar. A copy of this transcript is sent to the student, dean's office, Student Progress Committee, and financial aid office, where applicable.

The transcript includes
- grades earned
- deficiencies
  (incompletes, failures, probation, etc.)
- semester GPA and cumulative GPA
- honors
  (Chancellor's List, Dean's List, etc.)
- withdrawals

Academic Promotion
Promotion is defined as progression from one academic semester to the next. To be making satisfactory academic progress, students must have satisfactorily completed all courses required in the preceding academic semester in order to move to the next academic semester.

A student's professionalism, maturity of thought, and/or academic performance will be considered in academic promotion.

This review will be forwarded to the Student Progress Committee or, if it is felt that more immediate action is necessary, forwarded to the dean. The dean will either take action he deems appropriate or refer the matter to the Student Progress Committee.
The Academic Curriculum Committee
The Academic Curriculum Committee
1. reviews and evaluates all curricular schedules and other related materials presented by the dean
2. makes recommendations for any curricular modifications after seeking appropriate input from the individual faculty members, student evaluation reports, and any other pertinent resources
3. forwards final recommendations for curricular scheduling and content to the dean for approval

The Student Progress Committee
The Student Progress Committee has the responsibility for evaluating the academic progress of each student and making recommendations to the dean regarding student promotion. The committee meets regularly to review and evaluate the records and performance of students with academic difficulties and develop recommendations to assist them in the remediation of academic deficiencies. When appropriate, the committee may meet with students to gain more in-depth understanding of the basis for academic difficulties and work with them to provide academic counseling or other types of assistance that may be of value.

Course and Instructor Evaluations
Each student has a responsibility in his or her professional development to provide constructive evaluation for each course and instructor in the curriculum. This responsibility will be met by participation in course evaluations that are routinely administered by the college. The college would hope that each student would sincerely accept this responsibility and obligation in a constructive manner so that optimal feedback can be provided. This input can facilitate student welfare by promoting changes that will improve the educational effectiveness of the curriculum as well as assist faculty members by providing them with constructive input that may aid them in making improvements in their teaching strategies. The course/instructor evaluation system is designed to be a process by which students, through their individual class curriculum committees, will assist not only in providing input, but also in working with faculty members and administration in the implementation and coordination of the evaluation system.

Graduation Requirements
Degrees are awarded when the faculty believes the students have attained sufficient maturity of thought and proficiency. In other words, degrees are not awarded only upon the completion of any prescribed number of courses or upon passing a prescribed number of examinations.

To receive a degree, every student must fulfill the following requirements:
1. be of good moral character
2. satisfactorily pass all required examinations
3. complete a minimum of 40 semester hours of course work
4. satisfactorily complete the program requirements for the degree including all assignments, with a minimum GPA of 80 percent and with no course credit hours below 80 percent.
5. have satisfactorily met all financial and library obligations
6. attend in person the rehearsal and commencement program at which time the degree is awarded
STUDENT AFFAIRS

Classroom Behavior
Talking during a lecture to those nearby is disturbing to others who desire to hear the lecture. The instructor may dismiss anyone from class who is involved in disruptive behavior.

Dress Code
Students must maintain a neat and clean appearance befitting students attending graduate school. Therefore, attire should convey a professional appearance whenever the student is on the main campus or at any off-campus educational site.

The dress code is to be maintained at all times in the Terry Administration Building, classrooms, laboratories, and all areas involved in providing patient care. Additionally, it is in force Monday through Friday from 8:00 a.m. until 5:00 p.m. in the library and in other areas not mentioned above. Those failing to comply may be dismissed from the classroom and/or the campus.

The following constitutes acceptable and professional attire:

1. For male students:
   a. slacks or pants
   b. dress shirt
   c. shoes and socks
   d. necktie
   e. matching scrub suits in lieu of “a” and “b” (when appropriate, e.g., anatomy laboratory)
   f. white clinic jacket

2. For female students:
   a. slacks, pants, or skirt with blouse
   b. dress
   c. shoes
   d. matching scrub suits in lieu of “a” or “b” (when appropriate, e.g., anatomy laboratory)
   e. white clinic jacket

Students may not wear the following:
   a. shorts or cutoffs
   b. mini skirts (higher than mid-thigh)
   c. jeans
   d. see-through clothing or halter tops
   e. sandals or flip-flops
   f. T-shirts (as the outer shirt)
   j. jogging or exercise clothing
   h. inappropriately mismatched garments
   i. hats or caps, unless of a religious nature

Attendance
The overall attendance policy of the Health Professions Division of Nova Southeastern University relates to all medical science students. Each course director, however, has the responsibility for determining how attendance is monitored (how roll is taken) and for communicating to students, early in
the course, individual policies regarding attendance within that course including his or her policy and penalties for unexcused absences. If laboratories, assignments, or examinations missed are to be made up, they will be done at the direction and discretion of the course director.

The dean will make the determination as to whether an absence is excused or unexcused.

**Leave of Absence**

A student desiring a voluntary leave of absence must submit a written request to the dean of the college or his designee, who will then determine whether or not the leave of absence is to be granted and the date and conditions under which the student may return to school. In making such a request, the student understands that he or she cannot return to school before the next academic year. Voluntary leave of absence is granted only to students in good standing.

**Code of Behavioral Standards**

The dean of Nova Southeastern University College of Medical Sciences presents the following Code of Behavioral Standards (the code), which shall apply to all students enrolled in the college.

Students enrolled at Nova Southeastern University College of Medical Sciences are expected to adhere to high standards of behavior. Compliance with institutional rules and regulations as well as city, state, and federal laws is expected.

Students shall act honorably and ethically and shall not tolerate dishonest, unethical actions or inappropriate conduct. It is not possible to enumerate all forms of inappropriate behavior that would raise serious questions concerning a student's status as a graduate student. The following, however, are the general rules and policies that shall apply to students:

1. Every student shall dress in a manner appropriate for graduate school:
   a. Students must maintain a neat and clean appearance befitting students attending graduate school. Therefore, attire should convey a professional appearance whenever the student is on university grounds or in classes or laboratories.
   b. Identification badges must be worn at all times when the student is on campus.
   c. Short white clinic jackets must be worn at all times on campus.

2. No student shall use, possess, or distribute illegal or controlled drugs or substances, unless prescribed by a licensed physician.

3. No student shall consume or possess alcoholic beverages in any form on HPD-controlled property.

4. No student shall use, display, possess, or distribute a firearm or other weapon, or any implement that may be considered a weapon, on university-controlled property, including housing, or at any university-sponsored event.

5. No student shall commit disorderly conduct, including public intoxication or lewd, indecent, or obscene conduct or expression on the campus premises or at any college-sponsored or supervised function or event.

6. No student shall intentionally or recklessly endanger or threaten the mental or physical health or wellbeing of any member of the college community or any visitor to the campus premises.

7. No student shall commit a dishonest act of any nature and shall comply with all university, HPD, and college policies.
Every member of the college community has the duty to file a complaint with the Committee on Behavioral Standards (the committee) whenever it is felt a substantial violation of the code has occurred. Failure to report a violation of the code is itself a violation.

**Committee on Behavioral Standards**

The Committee on Behavioral Standards shall be composed of three students elected during the first week of September and two faculty members selected by the dean. One student shall be elected as chair by majority vote of the committee members. Three members and the chair shall constitute a quorum.

The committee shall have the nonexclusive authority to determine all charges of student misconduct, whether didactic, moral, professional, or ethical, for students in their didactic studies.

Proceedings to determine whether a student has violated a rule of conduct shall conform to the following procedure:

1. Nothing shall limit the right of Nova Southeastern University College of Medical Sciences, or any of its representatives, to remove immediately a student who has been accused of a violent act or any act that constitutes a violation of a state, local, or federal criminal law, subject to further proceedings consistent with these rules. A student who has been removed from campus premises shall not reenter until the student has been given written permission to do so by the dean or the dean's designee.

2. Nothing shall prevent the dean from taking action deemed necessary, including removing a matter from the committee's consideration whenever, in the dean's judgment, such action may prevent harm to the health, safety, and welfare of any individual or school property, or the integrity of the educational process.

3. Nothing shall limit the right of the college, or any of its representatives or students, to file a report with any civil or law enforcement agencies when such reporting is appropriate.

4. Any member of the college community may file a written complaint with the dean, setting forth specific charges that a student has violated the code.

5. The status of a student charged with violation of the code shall not change until final disposition of the charges, except as provided in paragraphs 1 and 2 above.

6. The dean shall notify the student charged and have the Committee on Behavioral Standards conduct a preliminary investigation to determine probable cause within five school days after receiving the complaint.

7. At the conclusion of the investigation, the dean shall deliver a copy of the written charges and findings of the investigation to the student by witnessed personal delivery or certified mail, return receipt requested, in the event of a determination that probable cause exists to believe the student has violated the code.

8. Meetings of the Committee on Behavioral Standards shall be held within 10 school days of the determination of probable cause.

9. The committee shall deliver written notice of the time, place, and subject of the hearing to all interested parties at least five days before the hearing, unless the committee waives that period of time for good cause.

10. If no probable cause is determined, the student shall be notified and the matter terminated.
Hearing Procedure
1. The student charged shall be entitled to be present during every stage of the disciplinary proceedings. The student charged shall have the right to have a faculty adviser present. The adviser may not speak to or question any member of the committee or witnesses. The adviser may only counsel the student charged.

2. The student charged shall be entitled to hear and question adverse witnesses.

3. The committee shall consider only evidence presented at the disciplinary hearing in determining whether the student charged has violated the code.

4. Proceedings before the committee shall exclude everyone except the person who has filed the written charge of violation of the code, the student charged, the student's adviser, if any, and members of the committee. Any witness who may be called shall remain in the hearing only during that witness's presentation of information.

5. At the conclusion of the hearing, the members of the committee who were present at the proceeding and who heard all of the evidence shall meet privately to consider the evidence presented.

6. The committee shall determine by a majority vote whether the student charged has violated the code.

7. The chairperson shall set forth in writing the committee's decision as to whether the student charged has violated the code, together with the facts found by the committee to support its determination.

8. After the committee has made a determination of violation, the committee shall make a separate determination of the appropriate penalty, conduct further proceedings, and take additional evidence or testimony as the committee deems necessary and appropriate. Prior discipline shall be considered an aggravating circumstance.

9. The committee shall cause its determination of an appropriate penalty to be set forth in writing and delivered to the student charged by witnessed hand delivery or certified mail, return receipt requested, within five school days after the conclusion of the disciplinary proceedings.

Discipline
The committee shall have the right to impose the following penalties:

Warning—Oral notification to the student that continuation or repetition of wrongful conduct may be cause for more severe disciplinary penalties

Censure—Written reprimand for violation of specific rules with the warning that any other violation of the code, within a stated period of time, may be cause for more severe disciplinary penalties

Restitution—Payment of a specific sum of money to an injured party and/or performance of specified rehabilitative services within a stated period of time

Loss of Privileges—A period of time continuing during the current academic term and extending to the next full academic term during which the student is prohibited from (1) participating in student activities, (2) holding an office, or (3) being elected to any honorary organization—and during which the student is required to refrain from any further violation of the code and to perform such community services or comply with any other requirements intended to rehabilitate the student
The Committee on Behavioral Standards may recommend the following to the dean:

Suspension—Removal from the academic enrollment and revocation of all other privileges or activities and from the privilege of entering the campus premises for a period of time not to exceed two years

Expulsion—Permanent termination of student status and academic enrollment (This shall be imposed only on further recommendation of the dean and approval of the chancellor of the Health Professions Division of Nova Southeastern University. An order of expulsion shall set forth in writing the conditions that will permit readmission, if any. Such recommendations are not binding on the dean, who has the discretion to accept, reject, or modify such recommendations.)

Student Records
The determination of the Committee on Behavioral Standards including allegations shall be maintained in the files of the dean for not less than five years.

The record of suspension or expulsion and the date of each determination shall be placed in the student's permanent records.

Appeal Procedures
1. Except for a student charged with violent conduct, any penalty assessed for violation of the code shall be suspended during pendency of any appeal procedure.

2. Any student found to have violated the code may request review of that determination, or review of the penalty imposed or recommended by the committee by delivering a written request to the dean no later than five school days after the committee has served a copy of its final determination upon the student.

3. Upon the receipt of the request for review, the dean shall obtain a copy of the summary of the disciplinary proceedings, the determination of violation, and the determination of penalty, if any, from the committee.

4. The dean may invite the student and any other necessary person to appear for a review session and to answer questions. The student may be permitted to state his or her objections to the determination of the committee. The review shall take place within a reasonable period of time.

5. The dean shall make one of the following determinations in regard to the review:
   a. affirm the decision of the committee
   b. modify the decision of the committee
   c. reject the decision of the committee

6. The dean shall deliver a decision in writing to the student and the committee within a reasonable period of time after the review.

7. A student may request a rehearing on any actions of the dean by submitting written notice within five working days of receipt of notification. The dean may interview the student and will render a decision in a timely fashion. For any decision of the dean, after rehearing, the student may appeal that decision to the executive vice chancellor and provost by submitting a letter to the executive vice chancellor and provost within five working days of receipt of the notification of the dean's decision. The student may be interviewed and will be notified of the executive vice chancellor's decision in a timely fashion. A student may request a rehearing on any actions of the executive vice chancellor by submitting a letter to the chancellor within five working days of receipt of notification. The student may be interviewed and will be notified of the chancellor's decision in a timely fashion.
If no appeal is undertaken, the penalty imposed by the committee shall take effect immediately upon the expiration of the time to deliver a request for review to the dean. If an appeal is taken, the penalty, if any, imposed at the last step of the appeals process, shall become effective upon notification to the student.

**DISMISSAL, SUSPENSION, AND READMISSION POLICIES**

**Dismissal**
Students may be dismissed from the College of Medical Sciences if

1. they earn less than an 80 percent grade in more than seven hours of classroom courses in any semester or overall
2. they do not maintain an overall average, at any time, of 80 percent in the program
3. they fail a course during any semester
4. they fail a course they are repeating
5. they exceed a six-year limit for completing all graduation requirements, exclusive of any approved leave of absence or withdrawal in good standing
6. in the opinion of the dean, circumstances of a legal, moral, behavioral, ethical, or academic nature warrant such action, or if, in the dean's opinion, there are factors that would interfere with or prevent them from meeting appropriate professional standards

**Readmission Following Dismissal**
If a student is dismissed from the College of Medical Sciences, he or she may reapply to the dean for admission and will be considered, provided that he or she can present adequate evidence that the conditions and/or factors that caused the prior poor academic performance have changed significantly, so that there is reasonable expectation that the applicant can perform satisfactorily if permitted to resume his or her studies.

Readmission will be solely at the discretion of the dean. The student's prior academic record will remain part of his or her overall academic record and will be recorded on the permanent transcript, but none of the prior grades will be calculated in the new grade point average.

**Suspension**
A student may be suspended (removed from academic enrollment and/or revocation of all other privileges or activities and from the privilege to enter the campus for a specified period of time) if, in the opinion of the dean, the student has not attained the academic level and/or has deviated significantly from the standards of behavior established by the College of Medical Sciences.
Readmission Following Suspension
If a student is suspended from the College of Medical Sciences, he or she may return to the college when, in the opinion of the dean, he or she can present adequate evidence that the conditions and/or factors that caused the suspension have changed significantly so that there is a reasonable expectation that the student can perform satisfactorily if permitted to resume his or her studies. The student's prior academic record will remain part of his or her overall academic record and will be recorded on the permanent transcript, but none of the prior grades for courses being retaken will be calculated in the new GPA.

Academic Probation
The Student Progress Committee will make a recommendation for academic probation to the dean when a student has failures or is otherwise not making satisfactory progress toward meeting degree requirements. When a student is placed on academic probation, the student will be notified and notice will be placed in the student's file.

• While on academic probation, students who fail any course may be dismissed from the college.
• While on academic probation, a student may not hold any office in a student-, college-, HPD-, or university-sponsored organization. Other restrictions may be applied by the dean.
• When the student has corrected all deficiencies, the Student Progress Committee will recommend that the dean remove the student from academic probation. If, while on probation, the student violates the terms of his or her probation, actions may be taken, up to and including dismissal from the College of Medical Sciences.

Disciplinary Probation
When it is believed that a student has failed to achieve sufficient maturity of thought or professionalism, disciplinary probation may be recommended to the dean. If the dean places a student on disciplinary probation, the student may not hold any office within any college-, HPD-, or university-recognized organization, and the dean may institute other probationary terms, including but not limited to counseling, supervision of professional appearance, attendance, and general demeanor.

If, while on disciplinary probation, the student violates the terms of his or her probation, actions may be taken, up to and including dismissal from the College of Medical Sciences.

Disciplinary probation will be removed when it is believed that the student has attained sufficient maturity of thought and professionalism.

Transfer of Credits
Transfer credit of no more than six semester hours and waiver policies will be granted at the discretion of the dean, but shall be in accordance with the educational mission and objectives of the College of Medical Sciences.

1. Transfers from one graduate college to another graduate college shall require that the last year of instruction be completed within a graduate college.

2. Transfer credits shall be given only if the student is eligible for re-admission to the previously attended graduate college.
Appeal Policy

Academic Matters
Academic matters shall include all concerns related to specific grades received or processes by which grades are determined.

A student seeking to appeal a decision that has been established regarding any academic matter should seek solutions through the following administrative channels by entering at the appropriate level and proceeding in the order stated:

1. course instructor
2. course coordinator or director
3. department chairperson
4. Student Progress Committee
5. dean
6. executive vice chancellor
7. chancellor

The student seeking to resolve a problem or complaint through the administrative channels above must initiate such action in writing within five school days from the occurrence of the matter in question. Review of a student problem and complaint at each of the applicable administrative steps will be carried out as expeditiously as possible. In general, every effort should be made to see that an appeal, at any given administrative level, is completed within no more than five school days.

If either party is not satisfied with the decision given, he or she may appeal to the next administrative level. If he or she chooses to continue the appeal, he or she must do so in writing within three school days of the decision given. Following a decision from the dean, if a satisfactory solution is not reached, the student may appeal to the executive vice chancellor and provost and then the chancellor of the Health Professions Division.

Nonacademic Matters
In all other nonacademic matters not addressed in this handbook, initial appeals will be made directly to the dean by submitting a written request for a hearing within five school days of the incident's occurrence. The dean will then interview the student and render a decision in a timely fashion. If the decision is not satisfactory to the student, he or she may then appeal the action to the dean within five school days of the receipt of the notification. Again, the student will be interviewed and notified of the dean's action in a timely fashion. If the decision is not satisfactory to the student, a final appeal is available to the executive vice chancellor and provost and then the chancellor of the Health Professions Division. This should be done in writing within five school days of the previous decision. The decision of the chancellor shall be final.

Student Activity Groups
All extracurricular activities by HPD-recognized organizations, on campus and off campus, must be approved in advance by the Health Professions Division Office of Student Affairs, and must be listed in order to avoid conflicting functions. Requests for permission for speakers, student meetings, and
other activities on campus should be made on forms provided by the Office of Student Affairs at least two weeks in advance. Activities must be approved by the Office of Student Affairs before a room can be assigned by the coordinator of educational support, and no meeting announcements may be made until approval is granted.

**Health Professions Division Student Government**

The Health Professions Division Student Government is recognized by the administration as the official student voice on all student issues. The student members of the organization are the president and vice president of each college's student council.

**Medical Sciences Student Council**

The Medical Sciences Student Council is the official voice of all students in the college. The organization is open to all students and welcomes participation from the student body. Its responsibilities include expressing student opinions and dispensing funds for student activities.

**Student Responsibility to Obtain Information**

Each student enrolled in the College of Medical Sciences is individually responsible for knowledge of the current academic regulations, the general and specific requirements, and the operational policies, as contained in the college handbook, college catalog, and other official documents or announcements of the college.

Students are responsible, for example, for being aware of their grades, the procedures for remediation, and the times and locations of all examinations—regardless of whether or not they have received written or formal communication.

As the chief academic officer of the College of Medical Sciences, the dean reserves the right to revise or modify any of these policies at any time, if he feels it is in the best interest of a student or the college to do so.
