Home Remedy
[Replaces St. Ives Apricot Scrub and similar products]

Natalia Martínez

100% Pure Cotton. Premium cotton. Liars!
Iodized salt. Good for the gullible mind, if for anything.
Instructions – guides for the few, or the many, who are strangers within themselves, diluted beings.

1: Dip the “triple size balls,” go ahead: wet, soak, drown.
2: Sprinkle the overpriced, ionized, pasteurized salt crystals. (Liars, you don’t pasteurize ocean water!)

3: Now ready? (echoes) Proceed, carefully, meticulously, to scrub your face. And over every curve, down every angle you go... to Grandma’s house?
Tingle?
Sting?
*Pasteurized* salt, what
else. Old
atoms –
cells – dirty from the
streets you walked
today,
and the bar you
slept
in yesterday,
peel off with our instant
Home
Remedy,
and are forgotten.

Too busy, too
late,
and a tad too simple.
   1: Erase the bothers,
   2: Turn down the inner static,
   3: Fade from life.
Why fret about a
clear
conscience, when you can have
clear skin?

* Placing large salt crystals on wet cotton balls is a
documented home remedy for zits.
