School and Program Update  
by  
Neuman F. Pollack, Dean

As I write this message I am flying to Little Rock, Arkansas, for a meeting of the Board of Regents of Arkansas in anticipation of receiving approval for the Friedt School and Nova University to deliver programs in that state. As many of you are aware, we are now delivering master's and doctoral programs in more than 40 locations in 15 states. In addition, we are expanding our campus-based programming. We have begun delivery of programs for foreign students from Taiwan, Republic of China, in a campus-based cluster format. This model may be expanded for students from Japan, Singapore, and other Asian nations.

The capital development effort for the construction of the Friedt School building is progressing nicely. Benefactors Glenn Friedt, Jr., and Ted Friedt, and the Board of Governors are working hard to bring our plans to fruition. The architect, Roy Smith and Associates, has been authorized to proceed with preliminary working drawings. This moves us closer to beginning actual work on the project which will commence as soon as the major gifts phase of the campaign is completed.

The Board of Trustee's of Nova University set the tuition rates for programs effective with fall 1989 registration. Master's level tuition will be \$225.00 per credit hour; doctoral level tuition will be \$300.00 per credit hour. There are exceptions for specialized programs. In the Friedt School the only exceptions are in our Executive Programs in Banking and Real Property Management which follow a slightly different format and which include books and other materials not part of our other program format. If you would like to find out if you are eligible for student loans or other forms of financial aid, please contact the Office of Financial Aid.

We look forward to an exciting year. I hope to be able to announce a ground-breaking for our new home in the very near future.

### ADVISEMENT

If you are not sure of your course registration requirements, please call or visit the master's program office for advisement. Cluster students should contact their cluster coordinators. Courses should be taken in sequence as listed in the master's catalog. Permission to go out of sequence must be obtained from the program director. Be sure you obtain course syllabi at the time of registration. ALL STUDENTS SHOULD READ THE NEW MASTER'S CATALOG AND BECOME FAMILIAR WITH PROGRAM POLICIES AND PROCEDURES. ALL NEW ON-CAMPUS STUDENTS MUST MAKE AN APPOINTMENT FOR ADVISEMENT BEFORE REGISTERING FOR CLASSES. Advisement appointments will be taken six weeks prior to the beginning of class. DEADLINE FOR NEW STUDENT APPLICATIONS IS TWO WEEKS PRIOR TO THE BEGINNING OF CLASS. Returning students should register for classes no less than one week before the start of Sequence I dates. Cluster students should contact their cluster coordinator concerning dates for registration - usually held the fifth weekend of each term.

### REGISTRATION FEE

A registration fee of \$20 is required for each registration form processed by the University. Include this fee with your tuition and other applicable fees.

### TUITION

Graduate tuition is \$675 per course.\* Tuition for program prerequisite courses is \$555. Program prerequisite workshop tuition is \$185.00 per course. In certain circumstances students may satisfy the registration FULL PAYMENT policy by signing an official NOTE, which will obligate them to remit full payment within a period of time prescribed by the University. The circumstances, when deferred payment is possible, are as follows:

1. Students who have APPROVED bank or government LOANS or other forms of financial aid may obtain a deferment form allowing them to defer full payment until the loan or aid is actually disbursed.
2. Students who are eligible for TUITION REIMBURSEMENT from their EMPLOYER must submit a copy of their employer's educational assistance plan (one time), a letter verifying current employment (each term), a payment of a \$20.00 registration fee, a deferment fee of \$27.00 per course (\$54.00 per two graduate level courses or \$41.80 for 1 graduate level course and 2 prerequisite workshops) which is 1% per month for 4 months on the unpaid balance, and a signed promissory note.

Remember: Reimbursement means that the tuition is paid by the student at the time of registration and the employer pays the student (his employee). APPROVED deferred payment will be due one month after the term ends.

\*Tuition and fees do not apply to Executive MBA Programs.
