

Directions and Rules: Please send your answer (no need to send any additional scratch work or justification) to Dr. Jason Gershman, chair of the Department of Mathematics, at jgershma@nova.edu within 13 days of the publication date of the issue of The Current. The correct answer to the current question will appear in the next issue of The Current.

All members of the NSU community are invited to submit their answer and participate. Every member of the NSU community who submits at least one answer during the 2023-2024 school year will be invited to attend a celebration in April as part of Mathematics and Statistics Awareness Month.

The undergraduate student who submits the most correct answers during the contest year will receive the grand prize of a \$50 gift card courtesy of the Department of Mathematics. If, at the end of the contest year, multiple students are tied for the contest champion, a tiebreaking question to determine the grand prize winner will take place where the fastest person to answer correctly wins the grand prize.
